Peyre Proposes Directions For Future of Humanities

BY BRUCE H. SEYMOUR

SPRAKING on "Are the Humanities Worth Saving?" at last week's convocation, Henri Peyre, professor of French at the University, outlined proposed directions they should take in the future.

The humanities, Peyre argued, are struggling against the forces of obsolescence. They must be saved in order to ensure the continued existence of a humane society. The humanities are, in fact, the foundation of all human society, Peyre stated.

He further stressed the importance of the humanities in the context of current world problems. The humanities, he said, are essential for understanding and coping with the complexities of the modern world.

Peyre proposed a number of directions for the future of the humanities. He called for a renewed emphasis on the liberal arts and sciences, an increased emphasis on interdisciplinary studies, and a greater recognition of the humanities in the curriculum.

He also recommended an increased focus on the humanities in public discourse and in public policy. The humanities, he said, have a vital role to play in shaping the future of society.

In conclusion, Peyre emphasized the importance of the humanities for the continued existence of a humane society. He called on all members of society, especially educators, to support the humanities and to ensure their continued existence.

The humanities matter, Peyre concluded, because they are essential for understanding and coping with the complexities of the modern world. They are the foundation of all human society, and they are essential for shaping the future of society.

THEATRE NOTICE
Lawrence students are reminded that the price of admission to all Lawrence theatre events is included in their student activities fee.

Obey said that out-of-state students would be required to have a parent's notarized signature on the application in order to obtain an ID card under his proposed law.

Assemblyman Obey Cites Proposed Drinking Laws
by BRUCE H. SEYMOUR
IN AN interview with the Lawrentian, David Obey, state assemblyman from Wausau, predicted that his bill to alter Wisconsin's drinking age law that there will not be enacted by the state legislature this session.

However, Obey said that at the present time it seems impossible to put any constitutional bill through the senate. Since the current session of the legislature will probably end next week, it is unlikely that action will be taken by the upper chamber.

The assemblyman said that if enacted, his bill would have no effect on currently-issued ID cards.

Obey also predicted that two other bills concerning the drinking age will not be passed by the Assembly in the current session.

One, which would raise the drinking age to a uniform 21 years old, "will not get 41 votes," according to Obey. The other, which would eliminate county options on the drinking age, "will probably be referred in committee."

Obey noted that it would be possible for counties in the state to circumvent a revocation of the option simply by refusing to license beer bars.

If the bill sent to the senate becomes law, it would mean that every student at Lawrence who wishes to obtain an ID card will have to present the Outagamie county registrar of deeds with proof he has a high school diploma, or is 18 years or is simply over 18 of age, since the law requires an ID card be presented to obtain a library card, for instance.

Minor residents of counties enacting the new 21-year-old limit would not be able to drink anywhere in the state.

Faculty Members To Give Concert
Five members of the conserva-
tory faculty will be heard in a program of chamber music by Mendelssohn and Faure at 4:30 p.m. Sunday, Oct. 31, in Harper hall. Performers are Larry Riehle, Heiberg, lecturer in music, viola; Frances Clark Bell, lecturer in music, violoncelle; Marjorie Krebs, instructor in music, piano; Kenneth Byler, associate professor of music, violin; and Theodore L. Riehle, associate librarian of music, piano.

WE USE A SOUND YOU CAN’T HEAR...
TO GUARD A THING YOU CAN’T SEE.

Just before the cap goes on our bottle, we “tickle” our beer with a sound higher than the human ear can hear. Twenty-three thousand sound waves a second are beamed into the beer by this ultrasonic vibrator.

And what happens? Well, the beer kind of giggles, believe it or not. That shakes a few spare bubbles loose, and the neck of the bottle fills with foam. That's when we slap on the cap.

Now all this funny business has a very serious purpose: it drives the air completely out of the bottle. Then oxidation can’t tarnish that special freshness we capture when we bottle the beer in its prime.

Freshness is what makes Hamm’s Beer. It’s brewed with freshness in mind. Aged with freshness in mind. Delivered with freshness in mind. One taste and you'll know.

We’d be out of our minds to do it any other way.

S.S. Accomplishes Business With Surprising Efficiency

MONDAY'S Student Senate meeting was a paragon of efficiency and action. Much old business was disposed of in the comparatively brief meeting, which lasted for only 17 minutes. The following matters were decisively acted upon: the car and drinking rules, open houses, prom and formal, the lengthening of spring vacation, the building of a dorm for married and unmarried Law- eneans, and the Michigan Theatre in the Chap-

It was disclosed in the course of the meeting that an anonymous family who invested $100,000 expressly for the Lawrence, the Union, and the Handbook committee.

Concerning the car rule, the proposal that the committee on administration recommend to the administrator the raising of at least a $250 cumulative average and that, above that, admission come in the first half of the academic year. The chair raised the question.

Open houses and all that they entail are being reviewed, and eye toward economy, the chair raised its brew.

THE DRINKING rule is clear to radial revision in that the consumption of everything but Gillingham's, which is proportion to the student's expenses, will be limited on campus during the first and last three weeks of the academic term. The chair didn't like it.

Vike Harriers Beat Ripon, Fall to Stevens Points Team

by the Lawrence university cross-country team last Saturday afternoon. The victory was paraded by Henry Kaiser: who made the difference in the race. Kaiser and Sedgwick, whose 1-2 performance he termed "outstanding." The runners were paced by Henry Kaiser, who on the blustery, sub-forty degree day which dumped sleet on the runners during the first mile of the race.

Kaiser's time, however, was almost seven seconds behind. The Lawrence runners did a fine job of holding their first and second places to clinch the victory. Davis commented that he thought all the Lawrence freshman and varsity runners were freshmen, including Roe, conferences rules prevent Lawrence freshman from competing on a varsity level. Davis also noted that most of the Viking runners turned in their best times in the race. Both Kaiser, with a 22:44 and Steve Sedgwick, in 23:32, were under the respected 23 minute mark, while Mike Barash was not far behind at 22:57.

Frosh Harriers Win, Defeat Ripon 20-43

Last Saturday the Lawrence freshman completed the varsity crosscountry team set back Ripon 20-43. Line running by Don Parks of the varsity team permitted the Frosh Harriers to take the top three places in over-all fourth place and first three minutes, as Stevens Points won with a three and fifth places to clinch the victory. The top Lawrence effort was turned around 11:00 a.m.

In the third quarter Gar Kellner intercepted a pass deep in Beloit territory but Lawrence lost the ball on downs at the Beloit 9. The final Vike score of the day came on a drive spearheaded by Faile, which brought the ball to the Beloit 11.

A PASS interference call on Beloit gave the Vikes a first down on the 5. Mike Andrews to the Beloit 20 and seemed to be stopped, but a great second effort enabled him to break away and sprint into the end zone for a 23-yard scoring play. Romano's kick was good and the Vikes led 16-0 with 3:15 remaining in the first period.

Beloit bunched a drive of their own which started at their own 20 but the drive failed on downs at the Beloit 19. Neither Lawrence or Beloit were able to mount any more sustained drives and when the game ended they still had a 1:40 left on the game.

In the second half the Jeering defense fensed the Vikes on the Beloit 32. A Frasch to Andrews pass gained 20 yards to the 12 and Faile picked up four more yards. The final drive was stopped when Faile was tackled back at the 11, and a field goal try from the 20 was short, giving Beloit the ball.

The final score of the first half came when Jim Lcis recovered a Beloit fumble on the 33-yard line. Frasch hit his favorite target, E. Miller, who gained 26 yards to the Beloit 19. The final drive started at the Beloit 38 and seemed to be stopped, but a great second effort enabled him to break away and sprint into the end zone for a 23-yard scoring play. Romano's kick was good and the Vikes led 16-0 with 3:15 remaining in the first period.

Beloit bunched a drive of their own which started at their own 20 but the drive failed on downs at the Beloit 19. Neither Lawrence or Beloit were able to mount any more sustained drives and when the game ended they still had a 1:40 left on the game.

Ripon Downs Vike Gridders in First Defeat Of Season

LAWRENCE UNIVERSITY'S dreams of an undefeated football season were shattered last Saturday when the team faced an aroused Ripon team at Ueltschi Field. This was Homecoming day for the Redmen who sweated to their fifth straight win and 29-0 in their last 35 games. The 29-0 win over Lawrence gave Ripon unseated first place in the Midwest conference.

The Ripon attack was led by the fine passing combination of Dink Ketchel and Doug Bradley, which was good for six completions and two touchdowns. Ketchel's only other completion was a 64-yard scoring bomb to finish off Bob Pelligrine.

Allagash the big 6 foot 2 Bradley grabbed six passes for 61 yards and his two touchdowns added up to a total of eight for the season.

THREE Lawrence offenses, which had averaged over three touchdowns per game, was completely stifled by a stiff front line and an excellent defensive secondary which allowed Lawrence only eight completions in 33 attempts.

Three, who were deep in Ripon territory five times in the second half, managed their only points on a 3-yard field goal by Gary Dirksen, which himself set up with a brilliant 65-yard punt return.

Hippsta grabbed the bouncing ball, in the midst of the Ripon defense, on his 40 yard line and went 42 yards before being stopped on the Ripon 19.

TRENT plays produced only a couple of yards so coach Ronald D. Roberts sent Hippsta back in and he split the upfield from the 29 for the Vikes' only points of the day.

AN 18-yard drive gave Ripon its first score in the first quarter. Most of the yardage was gained via a fake field goal attempt sent Ketchel's Hold. The 13-yard line.

Two plays later an apparent touchdown pass to Andy Gollan was called back because of an infraction and the 13-yard penalty was tacked on the ball on the 25.

ON THE very next play Ketchel hit Bradley who was alone in the extra point area and it was on the other two Ripon scores.

The second Ripon score came on an interception by Bob Callis on their 35. The big play in their score march was a 45-yard run by Goetzi to the Lawrence 34.

Only a desperation tackle by Chip Taggart kept him from going all the way, but Ketchel hit Bradley on the seven, and then came back with the same play for the score.

LAWRENCE, now trailed 13-0, had 5:15 left in the third period. The final score of the day came on an eight-play, 83-yard drive, the key play being the 64-yard
direct strike from Ketchel to Pelligrine.

Pelligrine grabbed the ball on the Lawrence 81 and outraced the Vike secondary for the score. Ketchel's third straight successful kick made the score 29-0 with time running out in the final period.

ALTHOUGH the Vikes made serious scoring features in the fourth period they were unable to penetrate the Ripon defense, which ranks first in the conference.

TO WIN this one the Vikes will have to show up their pass defense and get their offense, especially the running game, to move the ball again.

SUMMARY

LAWRENCE | 0 3 0 6 0-8
RIPON | 0 7 0 7 0-21

Betas Suffer Two Shut-outs, Tie with Phi Delts for Lead

STANDINGS in inter-fraternity football league underwent chang­e this past week with the front­running Fijis losing two of their three games. The Betas, with a two game lead going into last week's action were shut out in two successive starts and were faced with a .10 for the lead with the surging Phi Delts.

With both the Betas and Phi Delts held scoreless, followed by the Delts in third place with a 4-2 record. The Sig Eps and Fijis are tied for fourth with both 3-2-1 while Tau is back to .500.

In last Thursday's action, the Sig Eps, with sharp passing by Dean's third straight successful kick, hit Bradley who was alone in the end zone.

THE Fijis beat the Tau 13-0, with the Betas deep two TD's give him a total of eight for the season. ..

THE Fijis capitalized on the late Delt pass and romped in the extra point.

THE Fijis beat the Tau 13-0. Hedine rifled a pass to end zone of the right of the Fijis while the Betas deep.

THE Fijis beat the Tau 13-0, with the Betas deep 2 points again. The Phi Delt score. The Delt pass was called back because of an infraction and the 13-yard penalty was tacked on the ball on the 25.

THE Fijis and Sig Eps played a fast, speckled game, neither team was able to get in the scoring column. The Fijis passed from Larry Newman to Monte Allen and Ken Lashburn, were able to move into Sig Ep territory constantly but were never able to penetrate the end zone.

On Tuesday the Betas were able to get back on the winning track by opening Betas 13-0. The Tau, meanwhile, injured the Sig Eps 30-0, while the Delts dopped off the winless Taus 33-0.

AS early safety by Harvey Louis gave the Fijis a quick 2-0 lead over the Betas but the lead didn't last too long. On the next series of downs, Tony Walter picked off Larry Newman and ran it for the Betas' lead 6-0.

LATER in the half, Bruce El­lerton hit Bill Biggs for 12 yards. The Fijis' and Sig Eps played a fast, speckled game, neither team was able to get in the scoring.
