LU welcomes new students!

The LAWRENTIAN

Vol. XCVI—No. 1  Lawrence University, Appleton, Wisconsin 54911  Saturday 18 September 1976
You will survive

In many ways, the first few days at college are among the most exciting of a student's life. After all, that student has to face. For most freshmen at Lawrence, everything is new: the people, the campus. Appleton itself.

Picking through the confusion of the course catalog and the phone rules, stepping at a new key to a new and unfamiliar dorm room, the new student feels that failure is not only imminent, but unavoidable.

Not true. Survival at Lawrence is not as impossible as it seems. The majority of freshman who enroll at Lawrence complete the four years successfully and go on to live healthy, normal adult lives. As the returning upperclassmen will quickly demonstrate, life at Lawrence can be relatively painless. All a student needs is intelligence, humor and a modicum of sheer animal cunning.

Any student accepted by Lawrence in the first place is no dummy. It is important for the new student to realize that the classwork is not impossible and that the professors are not organs with long pointed teeth. Any student willing to use his or her brain. To think when reading and think even harder when writing will find that a little studying can go a long way.

Humor is for all those times when intelligence doesn't work. Finding a dead bat in a dryer, trying to remember the name of an advisor, dropping a full tray of food in Downer Commons. The best and most reasonable in the Valley's major cities. The Coop selection of foods is one of the widest and most

Are you getting tired of eating powdered eggs, food coloring, preservatives, fruits that come out of cans and artificial peanut butter? If you're a health food nut, a vegetarian, sick of Downer food or just plain curious, jog over to the Fox River Valley Food Cooperative at 126 East Wisconsin Avenue for the most inexpensive health foods in the Valley. Mary Ann Ver Haag and Mike Barciszewski, the store's current managers, started the Coop a year and a half ago in a rented room behind Beggar's Tune. Within three months the Coop had 40 members and was forced to move to its present location. Today membership has grown to include 210 households whose members come from most of the Valley's major cities.

The Coop selection of foods is one of the widest and most

reasonable in the Valley. Damon Yogurt which is past its expiration date but still good, sells five for $1. They have just received the first shipment of this year's unfiltered cider. Their baked goods, such as bagels, cookies and breads, are all made with natural ingredients. Over a dozen types of cheese and eleven kinds of tea are available. Bins lining the walls hold an assortment of grains, seeds, nuts, pasta, and spices.

Customers are expected to bring their own containers and measure out what they want to buy.

Prices at the Coop depend on the customer's membership status. For a $5-year fee, members can buy any item in the store for the wholesale price plus 30 percent. Members who do volunteer work in the store for a minimum of two hours per week pay only a 30 percent markup. Non-members must pay a 45 percent mark-up on their purchases.

If you are fond of the Coop's food, you can buy store-bound dollars and buy their cookbook which has recipes drawn up by members who use Coop food exclusively. The cookbook has recipes for such delectables as brown rice burritos, ratatouille, baked cheese fondue, peanut butter granola and even natural pizza.

So, the next time you have a craving for Monster cheese garlic bread or maybe just a few figs, and you cannot afford to pay for all those preserves and artificial flavorings you get in grocery store food, jog down Oneida to the Coop.

Good, cheap junk for sale

For the concerned shopper, Appleton is a bargain hunter's paradise. There are eight resale shops within a few miles of Lawrence. The best and most well known is the Goodwill Industries store at 1800 Appleton Rd. in Menasha. The store is huge, and very diversified. It carries everything from bowling balls to fur coats and much more.

The prices are as cheap as you will find anywhere, and the quality is first rate. The money taken in goes completely directly back into the Industry. Goodwill operates a training school that teaches dry cleaning, upholstery, shoe repair and other trades.

Anderson Resale, at 614 N. Appleton, boasts a large dry goods store at 1800 Appleton Rd. in Menasha. The store is huge, and very diversified. It carries everything from bowling balls to fur coats and much more.

Eating out in Appleton

The most itself which I'd describe as tasty, because it was (use experience has taught me) actually a pretty high quality product for Downer. The salad is big enough for two people to glutton down, and there were vast piles of like apple slices, shredded bacon and mushrooms enough to satisfy the most deviant tastes. There was even some pink salad dressing that everyone seemed to be avidly avoiding, so thinking there might be something to this, I made my choice Rougepet. Since the lettuce was green and the dressing was not, we can say that this time Downer had a success on its hands.

As for the melted banana splits, I swapped over to the capable hands of Downer: "It seemed that the only solution to the desert problem was to make a milkshake out of the banana peels. You see you aren't allowed to come for it after the meal, so while you pour down your dinner, inevitably watching the melting ice crystals, (the strawberry ice cream first; the vanilla and chocolate are slightly more resilient.) It is hard to cherish every tender, almost fluid, roast beef morsel or every broccoli fibre, when as every minute pieces these precious uni-alien-ink, brown and white, go in the dustbin. With a convenient half pint of milk a convenient banana shake was developed, though I wept for the drowning bananas as you might a drowning dog. A spoon could be used to chase the little demons through the quagmire across the campus, not unresentful, in a way of the "Rime of the Ancient Mariner," submarine style. (My little banana friends were floating, after all.)

And so, dear readers, we draw a curtain across Downer. For those who like good pizza, good hamburgers, and imported beer in a very good Germanic atmosphere the 'Brats' brau is the place. The menu has blanks where you fill out your own order while an efficient whitecallee staff cooks up a storm. This place is the quintessential "romantic" spot in the moderate category.

FARThER AFIELD

For those with cars the Fox Valley provides a vast assortment of restaurants. There are some drawbacks to this group, though, you'd better be willing to drive alot and to pay alot.

The Gazebo
(on Hwy. 41 in Fond du Lac) Considered one of the best and most inventive restaurants in the valley. Specializing in French cuisine the Gazebo provides healthy, but not overwhelming portions of food. Seasoning is very well done and coconut with a sample from their extensive wine list, can be a taste treat long remembered. The atmosphere is very pleasant, especially their large Panama styled chairs.

Vikings defend their Midwest crown

The Lawrence Vikings open their football season this Saturday, September 18, at 1:00 pm with a non-conference game against the Fighting Saints from Mount Senario College of Ladysmith, Wisconsin.

The Vikings, champions of the Midwest Conference with an 8-1 record last season, were picked as a favorite to capture the Midwest Conference with an 8-1 Eastern Division crown of the MC system. Carlton, Coe, Grinnell, Knox, and Monmouth will comprise the Western Division. At the end of the season the divisions will meet in a conference-wide playoff series which will determine the conference championship.

In Saturday's game, the Vikings will be led by quarterback Ken Meyer, who is ranked among the top ten NCAA Division III passers and quarterbacks for the season. Joining Meyer in the Vikings' offense will include guards John O'Connor and Steve Scaffidi and Rob Stevens.

The Vikes other TD.

Vikings defend their Midwest crown

The center of the unit will include last season's leading tackler, middle guard Tom Hughes. Hughes will be flanked by linebackers Tom Lindhard, and Bob Neumann. Neumann will be replacing last season's leading pass interceptor Rene Tauze. Tauze was injured in the Vikings' first scrimmage and will be out for the season.

The defensive backs will include Jeff Frank, Dave Hill and Mike Powers. The final defensive back spot will be filled by either Dave Furek or Tim Roberts.

The Vikings return to action next Saturday, Sept. 25, against the Fighting Saints from Mount Senario College of Ladysmith, Wisconsin.

The center of the unit will include last season's leading tackler, middle guard Tom Hughes. Hughes will be flanked by linebackers Tom Lindhard, and Bob Neumann. Neumann will be replacing last season's leading pass interceptor Rene Tauze. Tauze was injured in the Vikings' first scrimmage and will be out for the season.

The defensive backs will include Jeff Frank, Dave Hill and Mike Powers. The final defensive back spot will be filled by either Dave Furek or Tim Roberts.

Frank, Hughes and Meyer, all members of last season's All-Midwest Conference second team, will serve as the Viking captains for 1976.

The Viking cross country team has just concluded their annual week long camp at Bjorklund, the university-owned estate in Door County. To cap the week the runners will run in the UW-Oshkosh four mile open on Saturday.

Coach Gene Davis, in his fourth season at the helm, is optimistic that the return of eight lettermen and some promising runners will enable the team to improve on last season's third place finish in the Midwest Conference meet. Heading the Viking runners is sophomore Jeff Hawley, who set the UJ six-mile record in track last season and captain John Chandler. Other lettermen are Jim Kluk, Gary Kohle, Kevin Metzelt, Mike Edmonds, Peter Hoover and Clint Kohls. Additions to the team are Bob Ippolito, who missed last year because of an injured leg; Jim Miller, an all-state performer from Grand Forks, N.D., who co-captained the state championship team; Randall Behm and Malcolm McDonald.

Jayvee Schedule

| Sept. 13 | St. Norbert College | 4:00 p.m.         |
| Sept. 20 | Carroll College     | 4:00 p.m.         |
| Oct. 4   | Lakeland College    | 4:00 p.m.         |

St. Norbert was led by Dave Cooperman, who ran for 115 yards in 17 carries and scored one TD. Jack Barzen scored one and Mike Medows added the third TD for the Knights who failed on three 3-point conversion attempts.

Mike Gostisha led Lawrence with 88 yards and 11 carries. Both teams used nearly all freshmen with a few newcomers also seeing limited action.

The lone casualty of the game was Viking tackle Dan Warrington, who injured a knee early in the game. The Vikings held a slim 209-203 edge in total yards and each team had 10 first downs.

Vike JV's slip past St. Norbert

Freshman Jim Petran passed for three touchdowns and Greg Jacobs kicked six points, including a 54-yard field goal, as the Viking Jayvees downed St. Norbert 17-6 on Monday at the Lawrence Bowl.

Petran connected on 6 of 13 passes for 104 yards and also rushed for 27 yards out of the Viking option offense. He had three other passes dropped two of which could have gone for long yardage.

Favorite target for Petran was 6-4 Paul Zahrlaff who caught three for 53 yards and two touchdowns. Freshman Tightend latched on to a 9-yard pass for the Vikings other TD.

Cross Country Schedule - 1976
