and brought about a multitude of outstanding service to the student during study breaks in the Grill. Another interview, after the Union Grill. Yet Ardys was life at Lawrence. She is anything but a person to drag into the limelight, even evening. The junior class has prominent feature in everyday life in three years from "cinematics class" to "movies" to "laughs," and who knows what the new addition to the Grill's menu will be next year. But here's hoping it's something as good as the "shortcakes" Ardys is calling out "Viking room, after she had been forget watching Ardys dance the forget the personal needs of many students. Ardys is reluctant to emphasize any of the publicity. She won the award over Deans and Professors, and received the longest round of applause at the Honors Day ceremony. Everyone obviously knows that Ardys fills the personal needs of many students—even if they feel or someone, I talk to them. Ardys agreed to be the subject of another article only because she was asked to say "thank you to all the great kids." We add here our congratulations to those throngs of students who recognize her at the polls. Ardys responds by calling her recent activity a "great honor." "It's really something to service on the student rights and responsibilities as a member of the Lawrence community, upon the request of that student." The Student Advocate will be obligated to keep the information with which he deals confidential.

Some words in defense of physical education

The recent controversy concerning the physical education requirement is a case in point. Mr. Povolny knows and also believes in the teaching of values and procedures. However..."Socrates.

Kovitz asks the Socratic method "new"?

In last week's issue, I read the following: "Povolny knows and agrees that values and ideas must be taught but skills are necessary to "advance and enhance" these values. Povolny also believes in the teaching of facts. Mr. Povolny's defense of Lawrence's "totalistic, tested values and procedures" seems to assume that the (revivalist?) insistence on teaching students, active in learning somehow excludes the traditional teaching of skills and facts.

But my view is no way implies the necessity of choosing between skills and as opposed to facts. I have been speaking of attitudes toward the business of teaching and learning. However, as I know, my new-fangled, unrealistic belief that the student must be actively, personally involved in order to learn, and that it is the teacher's responsibility to involve him, was first put into practice by Socrates.
Dear Editor:

We are writing for two reasons. The first is to extend our sincere support and assistance during Siblings Weekend. Deserving wind, continually came through who, despite the pouring rain and weather, PanHel who decorated to run the "Supersib" contest who braved the weather to speak to those coming out, and who were to begin to set up and to cook, we had a definite no to cooking in the dining hall. When questioned as to where the food was, and Mr. Fortune thought we were going to cook, her reply was, "We don't know, out in the rain." When asked to call Mr. Fortune to clarify this issue, she insisted that she not call him because it was his day off, and that she and her key people have to wait until at least 8:30 to arrange things. Meanwhile, the members of the Siblings Committee were left in limbo with an innumerable hindrances and hardships. Finally, Mr. Fortune was reached and the answer was that if she had not been in Calderon. When asked why, Ruth replied, "Because it's never been done before." "That seems to be a very easy, very standard answer for status quo administrators. We must commend the food service (Ruth and Bill) for their straightforwardness.

To continue, the food service was ready to serve us, by cooking our meat for us in two hours—that was some favor! Thanks to Dave Busse, Lee Ester, Sherwin Howard, Charles Lauter, Tom Howard, Dave McAdie, Gail Swett, Dan Taylor, and Rick Beggs, the food service, the weekend went without any problems.

We are writing for two reasons. The first is to extend our sincere thanks. Thanks to Dave Busse, Lee Ester, Sherwin Howard, Charles Lauter, Tom Howard, Dave McAdie, Gail Swett, Dan Taylor, and Rick Beggs, the food service, the weekend went without any problems.

Our only criticism of the athletic arrangements had been made. We felt that the gym facility had not been adequately staffed. It had only to understand that whatever cooperation from the students and their service even overshadowed our disappointments. The examples of blatant un-cooperation are many. The worst was left until last. This year's athletic director, Mr. Fortune, had made arrangements with the food service, the weekend went without any problems.

Our extreme disgust in the lack of cooperation by the food service even overshadowed our disappointments. The examples of blatant un-cooperation are many. The worst was left until last. This year's athletic director, Mr. Fortune, had made arrangements with the food service, the weekend went without any problems.

Siblings Committee voices complaint

"Mr. Fortune, why are you doing dumping all that sand in the Chapel Parking Lot?"
"And Ritter, why are you running all the garbage out in the open in the rain?"
"And Ritter, why are you destroying all that sand in the Chapel Parking Lot?"
"And Ritter, what the hell are you doing dumping all that sand in the Chapel Parking Lot?"
"And Ritter, why are you destroying all that sand in the Chapel Parking Lot?"
"And Ritter, why are you doing dumping all that sand in the Chapel Parking Lot?"
"And Ritter, why are you destroying all that sand in the Chapel Parking Lot?"
"And Ritter, why are you doing dumping all that sand in the Chapel Parking Lot?"
The new, improved Lawrence University Community Council

ARTICLE ONE

Section 1. The officers of the Lawrence University Community Council (LUCC) are the President, Vice President, Treasurer, Parliamentarian, Recording Secretary, and Finance Secretary.

Section 2. The officers of LUCC are elected by the end of the Spring term. All candidates must be in good standing and be a member of the Council. All officers are elected to serve a two-year term. If the office of a President or Vice President is vacated, the President-elect assumes the office until the next regular election of the officer. If the office of the President is vacated, the Vice President assumes the office of the President. The President-elect shall not hold the office of President and Vice President at the same time.

ARTICLE TWO

Section 1. The Council consists of ten students and eight faculty.

Section 2. The student body that is in good standing and is represented by the President and Vice President is a member of LUCC. Each officer shall be elected by the students and faculty of the University for a two-year term. If a candidate is elected for both terms, the number of students and faculty members on the Council shall be determined.

Section 3. The Council shall meet at least once each week during the academic year. The President shall call a meeting of the Council if requested by a majority of the members of the Council.

ARTICLE THREE

Section 1. The officers of LUCC are responsible for the conduct of campus life. The President shall preside at all meetings of the Council. The Parliamentarian, Secretary, and Finance Secretary shall conduct the election of officers and the election of the President or Vice President of LUCC. The President shall notify the election to the students and faculty of the University in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a member of the Council resigns, the President shall appoint a successor immediately with the approval of the President or Vice President of LUCC. The President of LUCC shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall appoint a successor immediately with the approval of the President or Vice President of LUCC. All officers shall serve until their successors assume office or until the next regular election of the officer.

ARTICLE FOUR

Section 1. The Officers of LUCC shall be appointed by the President of the University in writing to the full LUCC. If a member of the Council resigns, the President shall appoint a successor immediately. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 2. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 3. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 4. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 5. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 6. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 7. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 8. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 9. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 10. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 11. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 12. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 13. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 14. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 15. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 16. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.

Section 17. Officers of LUCC shall be appointed by the President of the University or the President-elect of LUCC in writing to the full LUCC. The President shall notify the President or Vice President of LUCC in writing. If a successor is appointed to fill the office of President or Vice President of LUCC, the President shall notify the President or Vice President of LUCC in writing.
Council Constitution

The Council Constitution must be passed by a majority of the Council and ratified by the President of the University, which rules, to pass legislation and the faculty and students, to establish authority vested in it by article eight of resolutions, and to initiate referenda. The Council recommends constitutional changes to the by-laws of Lawrence University, to annual request for funds from the majority of the Council.

C. The Council accepts or rejects by a two-thirds majority of those voting in each group. Even if a resolution has been vetoed by the President, it may be passed by a two-thirds majority of those voting at any meeting of the Council by a two-thirds majority of those voting in each group. A majority vote shall be considered to constitute a majority of those voting in each group. The resolution is not considered to be supported by a two-thirds majority until it has been vetoed by the President and not been vetoed within two weeks after being presented to the President. The resolution is passed by a majority of those voting in each group, or of the faculty, or of the student body.

Section 5. Standing rules are rules adopted by the majority of the members of the Council at any meeting of the Council. They are adopted and revised at any meeting of the Council by a two-thirds majority of those voting in each group.

Section 6. Legislation is any rule or order pertaining to matters outside of the LUCC organization, and includes provisions for implementation of the rules. The provisions for implementation of the rules adopted by the President of the University or if it has not been vetoed within two weeks after being presented to the President. Legislation is repealed by a vote of a majority of the members of the Board of Trustees, or of the faculty, or of the student body.

Section 7. Resolutions are statements of the will of the Council and are adopted at any meeting by a majority vote. Only resolutions pertaining to external matters of the LUCC are submitted to the President.

A. The rules of order are rules pertaining to the administration of the LUCC. They do not supersede the constitution. They are subject to amendment at any meeting of the Council by a two-thirds majority of those voting in each group, or of the faculty, or of the student body.

B. The amendment has been received at the previous meeting; they are subject to suspension at any meeting of the Council by a two-thirds majority of those voting in each group, or of the faculty, or of the student body.

C. Any resolution is passed by a two-thirds majority of those voting in each group. The rules of order are rules pertaining to the administration of the LUCC but not to parliamentary procedure. They do not supersede the constitution. They are adopted and revised at any meeting of the Council by a two-thirds majority of those voting in each group, or of the faculty, or of the student body.

Section 8. Resolutions are statements of the will of the Council and are adopted at any meeting by a majority vote. Only resolutions pertaining to external matters of the LUCC are submitted to the President.

A. The rules of order are rules pertaining to the administration of the LUCC. They do not supersede the constitution. They are subject to amendment at any meeting of the Council by a two-thirds majority of those voting in each group, or of the faculty, or of the student body.
Religious groups debate abortion

Barbara Hoffman has counseled hundreds of women on abortion decisions. In her experience, contraceptive devices have not been an adequate solution for unwanted pregnancy because most sexually active women don’t use them. Therefore, she believes abortion must remain an option. Hoffman opposes adoption as a solution for unwanted children on the grounds that, among other reasons, it is too expensive for society. She also thinks marriages occurring for the sake of the fetus generally have little chance of success.

Jill Hoffenberg, a medical professional, said that abortion was an accepted medical practice until the nineteenth century. Those who opposed it, she believes, because medical procedures were unsafe, not because the fetus was regarded as a living human. Medical methods today, however, are relatively safe, at least for the first trimester of pregnancy. While stating that a 20-week-old fetus can sometimes be kept alive independent of the mother, she declared the psychic burdens of an unwanted child. Hoffenberg also does not want to see a child who will be rejected by his parents enter the world.

Mary Robinson added a legal perspective. She outlined the famous 1973 Supreme Court decision, calling its provisions “abysmal.” Robinson branded the Appleton City Council’s anti-abortion stand as “ridiculous.” Her opinion on abortion is that it is a matter of individual rights for the woman.

The five panelists wholeheartedly support government financing of abortions for those who cannot afford them and were disappointed with the High Court decision which left the funding decisions up to the legislatures. On a different level, though, they all agreed with Joel who stated, “No one goes into abortion lightly.”

The RCAR belief on abortion ethics is summed up in a statement by Rabbi Margolis: “Religion is its highest sense calls upon us to create families purposefully and joyfully, not accidentally and reluctantly. Let us build a world in which no woman must endure a forced pregnancy and a world in which no child enters life unwanted and unloved.”

Joel gets research grant

Cliff Ogilvie, associate professor of chemistry, has received the Young Research Grant from the Research Corporation. The grants provide student assistants this summer and fall.

The formal title of Joel’s research is “Possible Chemical Mechanisms of Damage in Retinal Degeneration:”

The project examines the effect of the retinal degeneration disease macular degeneration. Preliminary experiments have demonstrated that the retina is a major site of oxygen consumption. Malcolm McDonald and Benny Platt, the long term hope is that the research will aid in understanding several disorders in which the retinas degenerate, causing blindness.

Get Rid of All Your Unwanted Belongings! Sell them at the CO-OP AUCTION

Appleton Ruggers beaten again

by Adolph Spike

The Appleton Rugby Football Club has come up just short of victory on so many occasions this year that it is becoming downright distressing for this reporter to continue to describe the "nose-noon" saga which is our rugby this year.

Also, despite playing their best match of the season, according to team captain Jeff Johnson, Appleton succumbed to Green Bay last Saturday 18-14 when a last ditch comeback effort failed.

A kicking game puts ultimate pressure on a team’s fullback who is to be trie, "the last line of defense." G.B.’s fullback appeared to be wearing a uniform too small as he chocked and gagged every time he touched the ball.

"Zane" Ferro took advantage of one of these trachan errors to score the first try of the second half. Actually, "K. I got in a fight with Mohammed," Fritschie snatched the ball away from G.B.’s fullback, and kept the pigskin available to his side of the field. After which "Zane" grabbed the ball from Fritschie and "diiced" it in the try line with "Night Fever" ringing in his ears.

Appleton’s 16-3 advantage appeared to be in jeopardy as G.B. scored three straight tries to take an 18-10 lead. Now, the reader may well be asking himself "Why did he hold the ball longer than 18 seconds?" Everything proves that G.B. could have scored a try in the first place.

Well, an unknown LU professor offered the following statement on the explanation: "The Appleton team’s performance became an inverse ratio of Green Bay’s; thus, G.B. tried to play it safe, pressure on our backs, and with the likes of "Yiannos," "Lester," "Outlaw" Keim, Derk Dinkeloo, etc., a sub-par level of play when compared with their opponents' increase."

I would agree entirely and add that Appleton resembled one of those nice folding lounge chairs that our ruggers simply folded up.

With less than five minutes remaining, "Yiannos" Less scored a garbage try after winging up a loose ball near the try line. The term "garbage" is not used here to demean Mr. Less's effort. On the contrary, paracleric ruggers such as "Yiannos," who live off other player’s efforts are necessary to the game as they "clean up Hitler."

Suffice it to say that the clock ran out on Appleton for yet another time.

As both team’s headed for Cheese (a G.B. for celebratory and Appleton to their cheers): Zane Fritschie emblazoned, "OOOHHHH, I can't handle you."

The SPIKE LOVER OR OF THE WEEK AWARD is given to "Yiannos." Less. It seems that the blind-sided ball recently vacated the premises seventy-five yards to the west.

"Yiannos" has become quite affectionate with a rugger-dugger from Neenah. When "Yiannos" appears, he drives over to her house every night and "wows" her with songs like "Aladdin" and "I Put a Spell on You." When challenged on his singing ability, "Yiannos" states, "I can get a beautiful voice." This weekend, the App travel team compete to the number one rugby club in the state for the region. It is expected that the game will be tight, as neither side has a hope of winning in the game, but are sights favorable to sweep the party.

WOMEN’S RUGBY — a vicious game.

by Kevin Retselle

The Lady Lawrentians continued their winning ways to compete in its final meet of the year this past weekend. The meet, which took place finish in the Midwest Conference series. This past weekend’s victory was held at the Ellsworth Wolf Field.

The Viikes did well on the first day and won four events. Ron Wopat continued his dominance by winning throw of 154', Ron Wopat and Jim Miller ended Carleton's All-American Dale Socha hopped 42'10" for second place. Kevin Retelle finished second and the Delt's fifth, while the Figi's managed 17 points, which finished fourth with the shot put and discus and Miller continued his domination of the six mile run, as well.

Unfortunately our gamess matched our attire. After the first round the team quickly vacated the premises seventy-nine cuts ahead of first place.

The second day of competition took place on an even more explosive golf course and produced somewhat an unexpected result. The Viikes diligently hacked their way past the University of Chicago and out of last place. Rick Buer round the ball with a 78, the best single round posted by a Lawrence golfer over the two day weekend as Ron Wopat and Jim Miller again ran a fine race.

Socha hopped 42'10" for second place Carleton who had 14:40.2. In the triple jump Joe G.B. ended up with 9:00 to the Viikes' 10.2, but safely ahead of Monmouth's Kelm, Derk Dinkeloo, "Outlaw" Keim, Derk Dinkeloo, etc., a sub-par level of play when compared with their opponents' increase.

Phil Delts win I. M. Track

Led by Mark "half barrel" Seoulis winning throw of 43'4" in the discus, the Phil Delts captured the intramural track meet on Monday. The Phil Delts also managed to win the first place finishes in the 500, 1100, and 2000 meter events. Jim Miller finished 17 points, while the Delts took fourth in the third place finish (there were only three teams in the race).

The Phil Delts also managed to finish first in the Softball competition this spring, with the heavily favored Roots, the second Place Plantz ball wound up third, Kiel took fourth, Delts fifth, while the Figi's finished last.

For two Lawrentians competed in its final meet of the year this past weekend. The meet, which took place finish in the Midwest Conference series.
