

## THE LAWRENTIAN

VOL. XLIII. No. 24

LAWRENCE COLLEGE, APPLETON, WIS.

Tuesday, February 23, 1926

Mary Reeve  
Is Elected  
Y. W. HeadBernice Porterfield, Gladys Jarrett,  
Gertrude Walton, Alice Diderich,  
Best Loved Girls

Mary Reeve, '27, Appleton, will lead the Lawrence Y.W.C.A. through its next year of activity. Miss Reeve was elected president last night at the annual colonial banquet of the association, at which 200 girls were present.

Other officers elected were: vice-president, Helen Davy; assistant treasurer, Mary Morton; secretary, Marian Russell.

Guests of honor at the banquet were the school's four "best loved girls," decided by vote taken a few days ago, but not announced until last night. Bernice Porterfield, Oconto, retiring president of the association, wore the wig and breeches of George Washington, signifying that her name stood highest upon the list of popular girls. Martha Washington was represented by Alice Diderich, Appleton; Dolly and James Madison were impersonated by Gladys Jarrett, Chicago, and Gertrude Walton, Marinette, respectively.

Among the speakers on the program at the banquet were Marjorie MacArthur, who spoke on "Youth," Mary Gregory, on "Womanhood," Helen Norris, on "Comradeship," and Gladys Jarrett, on "Associations." Miss Mary E. Denyes gave the report of the nominating committee.

A report of the work of the association showed that the Hamar House project, while entailing a great responsibility upon the group, had been very efficiently handled, the treasury now showing a creditable balance.

## Lawrence Denyes

## Addresses Y.M. Boys

Christianity is the only religion which can solve the dangerous industrial and economic problems which the Orient is facing. The religions of China, India and Japan are incapable of solving them. "Failure to solve these problems may lead to a great war." This is the opinion of Lawrence Denyes, the son of Dr. and Mrs. John R. Denyes, who spoke at the Y.M.C.A. meeting Sunday night. He urged "cooperation of the United States and the fast developing of oriental civilization, declaring that it is "for our own good" to cooperate.

He challenged the students to get a better understanding of those seemingly far off foreign countries.

**Orient Changes Rapidly**

A great change is taking place in the Orient, declared Mr. Denyes. He pictured the tremendous, rapid industrial development in such countries as India, China, Persia, and Japan, and said that this growth is accompanied with perplexing economic problems, a suspicion of Western civilization, and a dangerous Pan-Asiatic spirit. "The race question is a great issue," declared the speaker. There is a growing spirit of nationalism; there are many industrial evils. The opium traffic, inequitable customs duties, over-population in Japan, were some of the problems mentioned.

Mr. Denyes said that too many people feel that the Orient is too far away. He declared that the East and the D. S. are interdependent, that Asia's problems effect our progress, and that we must aid Asia in the solution of her economic problems by giving her genuine Christianity, and dealing with her in a diplomatic way.

Mr. Denyes is at present visiting with his parents, and plans on leaving for Chicago soon, where he will do Y.M.C.A. work. He is a graduate of Northwestern U. has studied law at the University of Minnesota, and has made a careful study of the economic conditions in Asia and the far East while traveling abroad.

Dean of Women Is  
Absent On Eastern Trip

Miss Twila Lytton, dean of women, left Appleton Thursday of last week to attend the meeting of deans of women which is being held in connection with the convention of the National Educational Association at Washington, D. C. This convention of the association is especially for educators interested in college work.

After the convention, Miss Lytton will spend several days in New York and will return to Appleton next Monday.

Y.W.C.A. Entertains  
In Chapel Friday

To arouse enthusiasm for their Colonial election banquet, the Y. W. entertained student chapel Friday, with a clever publicity stunt. The program consisted of dances, piano and vocal solos and a dialogue, describing the nature of the party. Those who participated were: Helen Moore, '28, Dorothy Viel, '28, Stella Clement, '29, Margaret Lea, '28, Irene Elkert, '29, Verona Wendtland, '26, Maxine Helmar, Elizabeth Thompson, Isabel Wilcox.

W.A.A. Reports to Be  
Given To Miss Burrow

Girls who have W.A.A. credits for outside work in gym to hand in reports requested to put them in a box outside of Miss Burrow's office at the gym.

The heads of the different sports, who have, up to this time, received the reports directly from the students, will no longer do this. No reports, either for W.A.A. credit alone, or for gym credit, are to be handed to the heads of sports.

No credit will be given to any girl unless the following information is given:

1. Name of student.
2. Name of sport.
3. Specification as to whether student is taking gym or not.
4. Date of participation in sport.
5. Number of hours of participation.
6. Name of one person with whom student participated.

It is necessary to hand in reports for the different sports on separate sheets of paper. No credit will be given if there are reports of more than one activity on one sheet.

Ice-Men Win Second  
Victory Saturday

Lawrence Ice-men repeated Saturday and cleaned up the Menasha Rounders on their own rink, 6 to 3. The first period was featured by stellar guarding on the part of the collegians, Schini starring in front of the goal. The Menasha players had the edge in this period, but could not make their shots count.

After the first frame, the Menasha stick-wielders did not have a chance. Moore registered three counters for the Blue team, and Aderhold made it four. Menasha counted one.

The scoring in the last period was even, but the lead which Hutton's puck-chasers had piled up in the earlier period was enough to give the Lawrence skaters their second game from the Menasha pucksters.

## Speak at Church Supper

Several Lawrence students made short talks at church supper given by the men of the Congregation Church last Thursday evening. Ramona Fox, '28, Theodora Reeve, '29, Ward Wheeler, '29, and Harry Snyder, '27, expressed their points of view on the subject "What Christianity Means to Me."

Dean W. S. Naylor and Mrs. Naylor drove down to Milwaukee Friday, February 19, returning the next day.

Dr. J. R. Denyes, head of the department of religious education, occupied the pulpit at the First Methodist Episcopal Church last Sunday in the absence of Dr. Holmes.

Shattuck In  
Piano Recital  
Here Tonight

Recital of Famous American Pianist  
Is Last Number of Community Artist Series

Mr. Arthur Shattuck of Neenah will give a recital at Peabody Hall on Tuesday evening. His program will be as follows:

d'Albert Suite in D Minor  
Furcell Gavotte  
Bach Prelude  
Couperin Arlequin  
Rameau Gavotte and Variations  
Chopin Barcarolle  
2 Prelude  
Nocturne E Minor  
Valse Brillante  
Rachmaninoff Prelude B Minor  
d'Albert Scherzo  
Erick Satie Gnossienne  
Palmgren Bird Song  
Deodat de Severac  
Old French Music Box  
Liszt-Busoni Polonaise

Miss Lutz Injured  
In Fall Wednesday

Miss Florence Lutz, professor of public speaking, received rather serious injuries Wednesday as the result of a fall on the icy steps leading to the Lawrentian room. Miss Lutz has been unable to meet her classes and the date of her return is uncertain.

Miss Hazel Taylor, school nurse, has become a patient as the result of an illness which developed Friday. Helen Duncan, '28, graduate nurse, is taking care of some of Miss Taylor's duties.

The condition of people previously ill is much improved. Pearl Whistnant, '28, is gaining slowly, while Veda Blakeman, who was injured in a fall while tobogganing, is recuperating.

Additions to the list are Marjorie Parkinson, '29, who is confined to Ormsby annex with measles, Margaret Haisch, '28, and Clara Benkert, '29, both of whom are at St. Elizabeth's Hospital where they were operated on for appendicitis.

Former Con Student  
Singing in "The Miracle"

Lala Rosenzweig, conservatory student here last year, is singing a chorus part in "The Miracle," spectacle play now showing in Chicago. Miss Rosenzweig, a soprano, was selected by Morris Gest in competition with one-hundred people. There are six-hundred people in the play. The principals were in the New York cast, but the chorus was taken on in Chicago.

Miss Rosenzweig has been at Chicago ending the MacLean School of Dramatic Art. She was cast in the Lawrence play last year, and also had a part in the Sunset Players' presentation. She was a member of Cap and Bells, Conservatory dramatic society, and of Rho Beta Phi.

Phi Kaps and D. I.s  
Tied in Dub League

**Standings**

	Won	Lost	Pct.
Phi Kappa Alpha	2	0	1.000
Delta Iota	2	0	1.000
Beta Sigma Phi	1	1	.500
Phi Kappa Tau	1	1	.500
Psi Chi Omega	0	2	.000
Delta Sigma Tau	0	2	.000

Phi Kaps and D. I.s are tied for first honors in the Greek dub league as a result of Saturday's games in the Alexander gymnasium. The Psi Chis forfeited their match to the Phi Kaps team, and the D. I.s romped on the Beta seconds 11 to 4. Delta Sigma Tau lost by one counter to the Phi Kappa Tau basketballers, the score being 12 to 10.

Dr. Sandborn  
Dies Suddenly  
On Saturday

Prominent Authority On X-ray;  
President of Radiologist Society Last Year

Dr. Manly J. Sandborn, '92, one of the foremost authorities on X-Ray in this country, died unexpectedly early Saturday morning at St. Elizabeth's hospital after an operation for appendicitis.

Dr. Sandborn had shown a great interest in X-Ray since its discovery in 1895. In 1915 he assisted in the organization of a national society of radiologists in Chicago, and as secretary of the organization increased its membership until it now numbers more than a thousand members, from every state in the union. Last year Dr. Sandborn was elected president of the society.

Dr. Sandborn is survived by his wife, his daughter Ruth and a son Lloyd, both of whom graduated from Lawrence. The funeral was held Monday afternoon at the Methodist Episcopal church, and interment was made in Riverside cemetery.

Requirements For  
Gym Work Will  
Be More Rigid

Continuous Two Year Course Will Be  
Required of All  
Students

Starting the third quarter, all who have not completed their physical education requirements, will be required to register for gym work. Hitherto, the taking of gym courses has been rather an individual affair. Those, who were carrying over sixteen hours, often did not even think of any necessity for trying to fulfill immediately the requirement in physical education of two year's work. Gym has been put off until the junior or senior year, and when, at last, the necessity of taking care of the requirements having come up, the student, anxious to get his sheepskin, petitions the faculty.

Hereafter, a continuous two years course will be required of every student, unless excused by the deans for such reasons as physical disability.

"Types One Should  
Marry" by Dr. Baker

"The reason we don't get along with people is because we don't understand them," said Dr. Earl L. Baker of Lawrence Conservatory in his talk on "Types One Should Marry" at the Y.W.C.A. meeting Sunday night. "If we learn to understand people we will like them." Dr. Baker discussed the alimentive, or fleshy, the thoracic, the muscular, the ossuous, or bony, and the mental types of persons. He pointed out the weaknesses of these types and a way in which to find out which type one should marry.

Dr. Baker urged the girls to sell their positive rather than their negative, since heredity is stronger than environment. He said that the real men and women of the universe have to be sought after and that God has given to each man and woman a chance to love someone.

Helen Diderich '27, presided and Pearl Felton, '28, presented a vocal solo, accompanied by Leona Palm-bach, '27.

Everett Jansen, ex-'29, left Saturday for his home in Menominee, Michigan, after discontinuing his studies.

John Kelley and William Verhage attended the "Miracle" now being given at the Auditorium in Chicago. Mr. Verhage also visited his parents, at Sheboygan, during the week end.

F. G. Moyle Will  
Address Press Club

F. G. Moyle, manager and secretary-treasurer of the Appleton Press, will speak at Press Club at eighty-thirty Thursday night. His subject will be "Opportunities For Journalists in Advertising." Mr. Moyle is a former student of Lawrence, and has been connected with publishing houses for a number of years.

The Appleton Press, printers of the Lawrentian, publish about fifteen fraternal, association and trade magazines, among them the Matrix of Theta Sigma Phi.

Ingler Addresses  
Young Men's Conference

"The Knighthood of Man" was the title of the message given by Professor F. M. Ingler Saturday night, before a crowd of 750 young men attending a Young Men's Conference at Ishpeming, Michigan. His discussion made vivid the facts and essentials concerning true living, and specifically outlined the qualifications of man, as a way to success. Achievement, by following basic principles of conduct, was also mentioned by Professor Ingler.

On Sunday morning, he spoke at the Ishpeming Methodist church on the "Lost Legacy," which was full of suggestions as to the type of cooperation which should prevail between parents and teachers. In the afternoon, he delivered an address to the men and young men of the community.

44 Girls Pass Rifle  
Test In Sighting

Forty-four girls passed the last rifle test in sighting, given in the basement of the Armory last Wednesday afternoon. This is the first year that Lawrence College has had a Rifle Club, and the enthusiasm among the girls along this line is sufficient reason to believe that the club will be a great success this year.

The guns and ammunition have been ordered and are now on their way. When they arrive, the Rifle Club will practice every week, and later, medals will be offered for distinguished marksmanship.

Practices will be announced on the W.A.A. bulletin board in Main Hall.

Discusses Washington  
In Monday Chapel

Strength of character, rather than great generalship or political ability, was the power that made Washington the able leader and loved president of our forefather, said Dr. John MacHarg in chapel Monday. In summing up the life of the great leader, Dr. MacHarg stressed three characteristics, namely, strength of character, absence of mean ambition, and a desire to serve his country.

Of the early boyhood life of Washington we know very little, said Dr. MacHarg, except what may be gleaned from Pastor Weem's works. His education, except in mathematical subjects, was comparatively meagre, and statements which he made in later life reveal that this was a constant source of annoyance to him.

He was painstakingly careful and loved order and decorum, giving the smaller niceties of detail careful attention. The management of his Philadelphia home he would entrust to no one, and insisted on supervising his menage personally. One notes that he even controlled the purse of his wealthy wife.

To a Virginian gentleman, slaves were a social necessity, but this sort of bondage grieved Washington greatly, and he provided that at his death, all the slaves in the Washington household should be freed.

Fourth Blue  
Victory Over  
Hilltop Five

Marquette Team Fails To Avenge  
Former Defeats, Game  
Ends, 16-13

A small but loyal group of Lawrence alumni and students helped cheer the Blue men to their fourth straight victory over the Marquette Blue and Gold at Milwaukee on Saturday night. Comments on the game by all Milwaukee writers proved it to be one of the best and hardest fought of the season.

The Dennyites entered the game with all odds in favor of their opponents. Advance publicity indicated a certain victory for the Hilltoppers.

## First Half

Heideman started the scoring with a free throw early in the game. While the Blue men were getting accustomed to the strange floor the Hilltoppers ran up seven points to one more of their opponents.

At this point Grove was put into the game in place of Johnson. Two minutes later the Denny defense was running to perfection and the Murray aggregation was held to two more during the half. Briesse started a rally with a pretty shot from mid-court. Heideman made two free shots and seconds later emulated Capt. Briesse by a shot from the right side of the floor. Marquette fouled Snooks again and as he lined up for the try the timer's gun barked out the end of the half. Heideman neatly dropped the shot through the basket leaving the whiteclads in the lead, 10-9.

## Second Half

The second half was clearly Lawrence's all the way through. Pete romped down the floor and sank two long ones before the Blue and Gold got another basket which left the score at 14-12. Constant fighting for five minutes found the score still the same; then Grove looped one from near the middle, bringing the total to 16. The defense of both teams worked to near perfection. Herte counted one more free throw for Marquette and that ended the scoring for the game.

Briesse and Grove exhibited some flashy work at the guard posts. Heideman's ability to count the free tries and his defensive play throughout the game classed him as one of the best forwards on the floor from either team.

Demolish continued his aggressive tactics as in the previous encounter at the Armory. Herte played a good game for the Hilltoppers also.

## The BILLBOARD

Feb. 23—7:00 p.m. Physics Club, Science Hall.

7:30 p.m. Trinity Club, Initiation, Hamar House.

Feb. 25—7:30 p.m. Cosmopolitan Club, Hamar House.

8:30 p.m. Press Club Meeting, Lawrentian Office.

Feb. 26—Alpha Delta Pi bridge party. German Club, 742 W. Prospect.

Feb. 27—W.S.G.A. Semi-Formal.

Mar. 2—7:30 p.m. Trinity Club, Hamar House.

Mar. 5—Cornell-Lawrence Debate at Conservatory.

Mar. 16—Phi Beta Kappa Banquet.

April 2, 3, 4—Student Volunteers' Convention.

April 12—Pullman-Lawrence Debate, at Conservatory.

April 13—8:00 p.m. Glee Club Home Concert.

Feb. 25—Dr. John R. Denyes will speak at Y.M.C.A. meeting at 7 o'clock.

## Tormentors' Notice

Tormentors, entire chorus, both men and women, will meet tonight at 7 o'clock in the Phoenix room, fourth floor Main Hall.

### Contributors' Column

I'd like to emit the following cry for justice and reform. This is the time when all who have crammed want to know how they came out. Now is the time for the harassed probationer to find out whether he can join a fraternity, for the delinquent to learn if he can stay in school. Yet, just try and learn your grades; just try and find out if you got by.

This is what I learned when I tried! Six weeks' grades should have been handed in at the dean's office on Feb. 13. On Feb. 20, there were still twelve of the venerable faculty who had handed in none or only a part of their grades. But just let the student get in his economics collateral or that analytical summary of Schiller a day late. I ask for more consistency.

How shall the poor sponge be rewarded for even his poor sponging efforts. Shall he even sponge in vain? Sponge.

To "Teach" The Students  
The faculty this past week, through its Discipline Committee, has been continuing its efforts to "teach" the students at Lawrence. This time they are "teaching" the student body that they mean business, that they have a backbone instead of jelly where a backbone should be. To many it appears they have exhibited bone in the head instead of in their back.

For if the faculty, as it professes, desires the fullest cooperation of students, such a decision as that of last week has not only cancelled all gains made in that direction, but has made future cooperation decidedly difficult, if not impossible. In the face of such an attitude as the Committee showed what possible advantage can the student-body gain by any cooperation? Such a policy must lead inevitably to that type of "cooperation" which the subjects of an autocracy show toward their rulers.

The decision to which reference is being made, it has been stated openly, was admittedly to "make a case." Such a confession obviously implies that little consideration was given to the merits of the case or that any attempt was made to fit the penalty to the offense. The individual was sacrificed to give the Committee an opportunity to wield the "Big Stick." How, may we ask, can the Discipline Committee ever expect to gain the respect of the student-body by any such gross injustice?

Again, may we ask, how can the true purposes of Lawrence ever be served under such a policy which believes in dropping every student upon the first indication of a straying from the straight path? Is the world a better place to teach him and lead him to the right? How can such a policy help the student? How can it ever make Lawrence of any service to the community?

J. L. B.

Misplaced Criticism  
The atmosphere has been charged with a few rather high powered volts of sudden student and faculty sentiments on various subjects within the last week, and chief among them seems to be the appliance of particular rules. Yes, one rule in particular has had quite a fling and through it the

question of a chaperone's business has been quite freely discussed. Occasionally, since groups are required to conform to the college standards with respect to the number, official positions, etc., of chaperones, we come across a few who accept the responsibility wholeheartedly. Unless the whole social order of the campus is a farce such a chaperone deserves much commendation. More frequently we come across the chaperone who, being more desirous of student approval than of upholding the social order for which he votes in the meeting which decides what that order shall be, ignores the situation before him and returns his official card to the Dean of Women stamping his approval upon the propriety of the party. Such was the case at a particular formal dance last spring when students present at the time were proclaimed their surprise that a faculty member could be so willingly blind. He may have been a good sport for them at the time, but if that's the kind of sportsmanship sponsored by chaperones it is not at all strange that we find the present sportsmanship manifested by students when one conscientious chaperone comes across with the goods. If we are willing to look at the situation fairly, if we wish to criticize, and that's our privilege, then why not criticize the thing in question—not the chaperone, but the rule which is causing all the disturbance.

And if you would criticize a rule, my friend, criticize it when criticism is due—namely, at the time when the rule is made, not at the time when it becomes extremely unsavory because it happens to light on the lesser of the offenders of the institution. It takes practice to avoid some of our rules, and it is quite evident that some have had plenty of practice; but practice or no practice, that is not the point—remember the rule did not specify even though you might think it should have done so, and if you would criticize, start there.

### Contest For Church Slogan Still Open

There is only one week left in which to submit a slogan for the consideration of the judges in awarding the prize for the trite advertising phrase for the new Methodist Church in Appleton. A large number of catchy phrases have been submitted but there is still a large opportunity to get the prize of \$5.00 which is to be given for the most valuable suggestion of the policy and opportunity which this new institution should mean to Lawrence College and Appleton.

A few minutes will bring to the mind a number of interesting and catchy 'pithograms' which will be deserving of the consideration of the committee of judges. The idea will be the means of getting those extra few dollars which have been needed to meet those extra expenses. All slogans should be submitted to Dr. Holmes at the Methodist Church or given to Fred Trezise who will see that the material is presented to the committee judging the merits and value of the suggestions.

### OBITUARY

The final interment of Student Self Government was held Wednesday afternoon. The services were held at the offices of Lawrence College, with the officers of the college in charge. More or less honorary pallbearers were members of the faculty. The chief mourners were the student body of the school, but owing to the sudden decrease, only a few were present at the last rites. Burial was at Riverside Cemetery.

Listerine used as a mouth-wash will prevent that objectionable breath-odor, halitosis, etc.

### THE TELEPHONE BOOTH

You busy tonight? (Oh, damn, dating with some other man, I suppose.) Oh, no, I thought if you were free perhaps I ought to come around. We'd see a show or something. (Well, now I'll go to Terrace with the other boys. Another man will have the joys of being with you.) Tomorrow night then? Now tonight I'll sleep at ease. So long..... 1646, please.

Filbert.

# LAWRENTIAN SPORTS

## Dennymen To Battle Ripon Team Friday

With an eye on the possibility of another Midwest crown, the Blue and White Dennymen will attempt to sink Davy Jones and four other Redmen to a place far beneath the waves, on Friday night. The Riponites will battle the Lawrence whiteclads on the Armory court, and it will be a battle royal with both teams fighting for a possible claim to the title.

Ripon was able to top the long end of a 24-21 score against the Monmouth aggregation that met inglorious defeat at the hands of the Lawrentians last Thursday. With this comparison and the added advantage of playing on the home floor kept in mind, we can give Captain Briese and his sailors a slight edge. Ripon's whole attack this season has been centered around a slim phantom who is the aforementioned Davy Jones. As Davy goes, so the Redmen go and if this Jones person can be stopped, the victory is practically certain.

Lawrence lost a hard fought battle to Ripon earlier in the season by a scant four points. At that time the defeat seemed to wreck all hopes for the title. Since then the remaining Midwest colleges have complicated matters in such a way that no team has a clear record. Cornell still leads the list by virtue of the fact that it has played more conference games than either Lawrence or Ripon. If Cornell should obligingly lose another and should the Dennymen vanquish both Ripon and Beloit—well, use your own judgment. We cannot promise anything. Coe College has a slight edge over the Wisconsin ranks also, but its schedule for the remaining weeks includes some hard knocks, particularly the Cornell quint.

## Frosh Defeated By Neenah H. S. Team

After having been held to a 19 to 10 score during the first half of their game with Neenah High School last Friday evening the frosh basketballers came back seeking revenge and all but defeated their opponents in the last moments of the game. The final score was 32 to 30 in favor of Neenah, but had the game lasted a few more minutes a different story would undoubtedly have been told.

The high school boys played a strong five-man defense game, and the frosh had to try their luck with long shots. The first half of the game went to Neenah in all departments of the game, while the second half was so much in favor of the frosh that it seemed as if a different team were playing. Dreher and Jones came into their own in the last half of the game and sank basket after basket. Portz was a constant menace to the Neenah boys with his long shots.

The players and points made by each follow: Forwards: Jones, 10, and Dreher, 7; Center, Hauke, 2; and Guards: Portz, 9, and Hillman, 2.

## Campus Sports

The final all-college boxing try-outs are to be held the first week in March in order to give basket ball men a chance to prepare themselves. These try-outs will determine which men are eligible for the intra-mural medal competition in the different weights. A husky crew of athletes has been turning out for boxing during the last month and the finals in boxing are going to be worth seeing.

The finals in the Brokaw Hall wrestling contest are to be held March 25 at 7:30 p.m. Any men who have had any wrestling experience whatsoever are urged to come out to uphold the honor of their section as well as engage in a healthy sport.

The finals in the all-college free-throwing contest are to be staged in Alexander Gymnasium next Saturday afternoon. Three medals are given in this competition for first, second, and third places respectively. Basketball men who are on the varsity squad are barred from this competition so that anybody with any ability along this line at all has a chance to win a medal.

### Brokaw Sports

The South Section boys are leading in the race for the athletic supremacy of Brokaw Hall with a total of 267½ points, while the North Section boys are in second place with 155 points. Center Section is in third place with 80 points, while the Town Boys bring up the rear with 30 points.

The points won by each section and the sport in which they were won follow:

	Playground Volley Ball	Foul-Throwing
South	110	47½
North	10	85
Center	60	10
Town	10	10

In basketball the percentages of the different sections are:

	Game Won	Game Lost	Pct.
South	8	2	.800
North	5	5	.500
Town	4	6	.400
Center	3	7	.300

## Phi Kap Machine's Victorious Over Sig Ep. Quintet

### Standings

	Won	Lost	Pct.
Phi Kappa Alpha	6	0	1.000
Beta Sigma Phi	4	1	.800
Sigma Phi Epsilon	4	2	.666
Delta Iota	4	2	.666
Phi Kappa Tau	3	3	.500
Delta Sigma Tau	2	3	.400
Psi Chi Omega	1	5	.166
Theta Phi	0	6	.000

The Phi Kap machine led by Hilton, by defeating the Sig Ep quint 13 to 6 Saturday afternoon in the Alexander Gymnasium, won undisputed right to the head of the Lawrence Interfraternity Basketball league. The only team now standing in the way of the leaders for the championship is the Beta five, which will meet Hilton's gang next Saturday.

The Phi Kaps rolled up a 10 to 3 lead in the first frame, and although the Beyer's Sig Eps held them to 3 points in the last half and netted three points themselves, the College avenue crew could not turn the tide.

Only three games were played Saturday, the Beta-Delta Sig combat being postponed on the request of the Betas until Wednesday. Phi Taus nosed out the Psi Chi engers 10 to 8.

## All W.A.A. Notices Are Posted in Main Hall

All W.A.A. notices and any notices pertaining to women's sports will be found on the W.A.A. Board, which is in Main Hall, just inside the North door.

All girls interested in sports or announcements of practices are requested to watch the bulletin board, because often this is the only means of notifying students.

In a very slow game that should have been a walk-away for the winners except that they could not make their shots count. Theta Phis retained their position in the cellar by being trounced by the Delta Iota team, 26 to 9. Hipke, D. I. center, showed form by shooting through the rafters and netting a basket.

If the Betas are able to turn the tide next Saturday in the finals of the series, there will be a tie for both first and second honors in the Greek league. Otherwise, it looks as if there will be a triple tie for second position, with the Phi Kaps as champion.

## CLUBS

## MRS. TREVER ENTERTAINS

Mrs. A. A. Trever entertained about 15 members and friends of Athena Literary Society on Friday, February 19th. Following a luncheon, Miss Catherine Lightbody, '26, read a play, "Just Neighborly," by Alexander Dean, who is an assistant professor of dramatic art at Northwestern University. Gertrude Lanzer, '28, sang three solos: "My Laddie," by Thayer, "Her Rose," by Coombs, and "Like the Rosebud," by La Forge.

Mrs. E. E. Emme, Mrs. J. H. Farley, Mrs. Rufus Bagg, and Miss Aimee Baker, patronesses of the society, and Mrs. A. G. Meeting, Miss Ada Meyer, and Mrs. J. H. Evans were guests.

## GERMAN CLUB

The German club will meet at the home of Herbert Weber, '28, 742 W. Prospect Street at 7:30, Friday, February 26.

## PAUL HERVIEU

Grace Hannagan, '26, discussed the life and works of Paul Hervieu, the French tragedian who is noted for his misanthropic tendencies, at the meeting of the English club on Monday, February 22. Hervieu was chosen as representative of the French school, and Miss Hannagan read his play, "In Chains."

## INITIATION

Delta Chi Theta, honorary chemical fraternity, announces the initiation of Irvin Kersten, '26, on Thursday, February 18th.

## LUTHERANS MEET

On Sunday afternoon the newly organized Lutheran club met for its third social hour at the Trinity Lutheran church. Miss Lorene Frederickson, '28, played a piano solo, and Miss Esther Gilbertson, '29, gave a reading.

## TOWN AND GOWN

Town and Gown club will meet at the home of Mrs. G. C. Cast, 927 Franklin St., on Wednesday, February 24th. Miss Edna Wiegand will present a paper on Otis Skinner's "Footlights and Spotlights."

## "THE CHRIST OF THE INDIAN ROAD"

The Study of missions that is being carried on by the Students Volunteers was continued on Saturday night by Miss Ruth Parkinson, '29. The group is making a special study of Stanley Jones' newly published "Christ of the Indian Road," a book dealing with missionary work in India.

## X-RAY TUBES

The Physics Club will hold its regular meeting Tuesday evening at seven o'clock in the Physics lecture room. Lloyd Root, '29, is to speak on the subject "X-Ray tubes and the apparatus necessary to operate them." In this discussion the different forms and uses of X-Ray tubes will be demonstrated.

The various methods of producing the high-tension electric current which is necessary for the production of X-Rays will be discussed and illustrated by means of a large induction coil capable of giving a sixteen-inch spark. Other very interesting demonstrations will be given using a fluorescent screen. Everyone is urged to attend.

## SOCIETY

## Sororities Pledge, Initiate

Sigma Alpha Iota, honorary musical sorority, announces the pledging of Mary Reeves, '29, of Wausau on Saturday, February 20.

The initiation of Helen Upham, '29, of Marshfield, and Grace Smith, '29, of Montfort, by Kappa Delta sorority on Friday, February 19, was followed by a formal dinner party at the Candle Glow Team Room. An appropriate reading by Lucille Smith, '29, and music furnished entertainment. Miss Ellen Tutton and Miss Mary Bennett, '25, were guests.

## Fraternity Parties

That this week-end was propitious for fraternity social functions is shown by the fact that Delta Sigs, Phi Kaps, and Phi Taus gave parties. Approximately twenty-five couples attended the house party given by Delta Sigma Tau, Friday evening, February 19, for which Hank Johnson's Campus Serenaders furnished the music for dancing, and which Miss Mary Bennett and Mr. Elbert Smith chaperoned. Foster Ralsler, '25, who is principal of Freedom High School, was a guest.

At the Phi Kappa Alpha house party, which was also given Friday evening, February 19, Dr. and Mrs. Louis Youtz were chaperones. The Klein Harmony Kings Orchestra played, and Judson Clark, '25, was a guest.

On Saturday evening, February 20, Phi Kappa Tau alumni gave a George Washington party in the French Room of the Conway Hotel. Music for dancing was furnished by the Blue Melody Boys, and Miss Mary Bennett and Mr. Elbert Smith chaperoned the party.

## On The Screen

In "Just Suppose," the Inspiration picture released through First National, which is showing at the Elite theatre today and tomorrow, Richard Barthelmess plays the part of a dashing young Prince who visits America and, of course, moves in the most select social circles. In filming this picture, every effort was made to secure an authentic atmosphere both in the settings and in the types of players used in the supporting roles.

Lois Moran has the leading feminine role in support of Barthelmess. Others in the cast include Geoffrey Kerr, Henry Vibart, Harry Short, Bijou Fernandez and Prince Roknedine, who will make his initial bow in this photoplay.
