Celebrating 100 Years

In 2018 all lighting in Memorial Chapel was updated to LED. Spray foam insulation with an R-value of R40 was added to the attic. The savings associated with these projects are estimated to be more than 105,000 kilowatt hours and \$10,000 per year. Project funded in part by the LUCC Environmental Sustainability Fund.

Post-graduation plans: My plans following Lawrence are still undecided, but I plan on taking a year or two to gain experience working in the biotechnology industry before going to grad school.

Favorite Symphonic Band memory: I think this last performance with *The Fly* and *Magnolia Star* was one of my favorites. I also really enjoyed getting to perform Aakash Mittal's piece, *Samay Raga for Wind Ensemble*, last term.

Fantasy graduation gift: My dream graduation gift would be a hug from grandparents. 😊 (They are going to be at this performance.)

Sarah Schweickart

Instrument: Clarinet

Major/degree: B.A. in Chemistry and a minor in Environmental Studies.

Hometown: Loveland, Colorado

Post-graduation plans: I will be doing air-sampling research in schools nearby large banana plantations in Costa Rica. I will analyze the spread of fungicides that are sprayed on the banana plants and measure the amount of chemicals that young children are exposed to.

Favorite Symphonic Band memory: My favorite memory from Symphonic Band was when I ran into Professor Arau on one of my first days at Lawrence. Arau was my band director during my freshman year of high school, so he was very excited to see me. He brought me into a room with all of the music professors and freshman music majors and interrupted the entire meeting to tell everyone that I was his former, and now current, student. I was very embarrassed but entertained as everyone in the room looked at us as if they could care less.

Fantasy graduation gift: My fantasy graduation gift would be a trip to Spain with my two brothers and all of our significant others.

Claudia Simmons

Instrument: Clarinet

Major/degree: B.A. in Economics and minors in French and Environmental Studies

Hometown: Albuquerque, New Mexico

Post-graduation plans: Internship at Sandia National Laboratories in Albuquerque

Favorite Symphonic Band memory: That time we were rehearsing a piece for the first time and one by one, every single member of the band got lost and dropped out so that we ended up with total silence, and then everyone just cracked up.

Fantasy graduation gift: At least one Australian shepherd puppy

Amanda Thomas

Instrument: Percussion

Major/degree: B.A. in Biology

Hometown: Peshigo, Wisconsin

Post-graduation plans: Gap year, then grad school for a Master's degree in biology

Favorite Symphonic Band memory: Karl Painter punching the tam-tam when he couldn't find a mallet fast enough.

Fantasy graduation gift: Self-tuning wineglasses!
