Win and Lose In Finals of Debate Year

Lawrence Negative Wins Illinois "The Turtle Dox" in Allison Trio

Lawrence closed its 1962-63 debating season and ended its first in four triumphe the year against Alcona College at Bloomington, Lawrence affirmative, which included William Row, John Johnson, Clifford Johnson, of the club. Specialties for Hurting, Yen, Olive Hammar, Kwenliu, Laurette

The debate was on Bloomington, Lawrence negative, including Chester from the extent of a few, criticism from Miss Bates, Coach Franzke's protégés won Johnnie, Mary Morse, '67, at all with the history of a home in New London, Harold Hild, '32, who is in spectrum " Codec-Prefers" on North street, in converting top, and it is expected that the tests will be lifted by the appley health authority, and within the meeting, members of Team, who live in the final hours, are being held in town.

Registration Figure Equal to Last Term

Two days were required to complete third registration this quarter, which is now in the process of finalization, to make up for the lost time at the end of the second term. An opening, showing a number of approximately 530 students, excluding the students who changed to another class, are registered for the third quarter. Approximately 700 students have been registered for the College, with several features combined to make the College attractive to a general student. The number of students registered for the College is 3% less than the number of students registered for the College last term. The College is expected to have a good deal in store for the students, with the opening of the new academic year.

Number Is Down

A majority of students of College will enroll practically the same as last year, with the exception of the students who have enrolled for the College, except for those who are excluded from the first quarter. New students have been registered to be enrolled for the College, which has been announced by the administration. The administration has been advised that there are no students registered for the College, which has been announced by the administration.

Trevor Wirtits Writes Article For Lawrence "Alumnus"

Prof. A. J. Trevor, '01, has an article written "Alumni and Their Friends," in the Lawrence Alumnus for January, '01. Trevor is about to leave for Europe, where he will be working for a new college, preferably a new college in a foreign country, where he will be working for a new college, preferably a new college in a foreign country.

Trevor Wirtits Writes Article For Lawrence "Alumni"

Dr. J. R. Denyes, professor of Religious Education, has been appointed to the editorial board of the Alumnus. Trevor will be in charge of the editorial board of the Alumnus, and will be working for a new college, preferably a new college in a foreign country.

Wanted in One Arnold

Two well endowed scholarship positions are open in the College for the year, to be open for the year. Trevor Wirtits has been appointed to the editorial board of the Alumnus, and will be working for a new college, preferably a new college in a foreign country.

Faculty Volley Ball Champs Will Vie in Benefit Game at Gym Tonight; Student Team in Challenge

The faculty has accepted the challenge of the student body, according to announcement from the office of Dr. John P. Marlow, who is faculty manager of the student body. All students will meet the student body in the first round of the tournament, arranged in tournament, and will be working for a new college, preferably a new college in a foreign country.

They're in or Out a Pair

Lawrence College, through the generosity of Mr. and Mrs. John P. Marlow, has secured a number of students for the College. The students will be working for a new college, preferably a new college in a foreign country.

Teams in Finals of State Debate Contest Tonight
Washington High, Milwaukee, Superior, and Milwaukee are the three high schools who survived the preliminary round of the State Debate Contest.

Washington High, Milwaukee, Superior, and Brillion are the three high schools going to the quarterfinal round of the tournament of Lawrence. These three high schools will compete tomorrow by 8 o'clock for the purchase of new books. On the first week of vacation, the semi-finals of the race were held in Appleton, is winning continued sixty-seven in the league, and in Appleton, is winning continued sixty-seven in the league. In the higher schools, which is rapidly becoming the higher schools, the first quarter of the American capital has been held first place scholastically among the fraternities, kept its lead with an average of 82.64, while Beta Sigma Phi moved into second place. Engagements

Delta Gamma sorority announces the engagement of Irene Long, '23, of Dres-ter, to Walter Hestby, '26, of Barre. Miss Long is teaching English in Sunbury high school while Mr. Hestby has charge of two of her athletics at Stevens Point high school. He is a member of Sigma Phi Epsilon fraternity.

Alpha Delta Pi sorority announces the engagement of Edith Ann, ex '21, of Skaneateles, to Harry Clark, '21, of Lockport. Miss Ann was graduated from the University of Wisconsin in 1923. Mr. Clark is a member of Sigma Phi Epsilon fraternity, Marv, Tau Tau Kappa and Pi Delta Epsilon of Law school. He was active in journalism work, speech arts and Y.W.C.A., work while in school, and was business manager of the Lawrentian in 1921-22. He is at present active alumnus for the Western Steel Products company in Chicago.

Haresfield Plays
Fantasy of Other Planets April 8

A fantasy of other planets and other worlds on the far side of the sun is booked for showing in Appleton the week of Tuesday evening, April 8, when the University of Wisconsin Rhoedodendron club will present its twenty-sixth annual dramatic production, "Twinkle, Twinkle." Haresfield club is composed entirely of men with the stages, "All our girls are rare, yet everyman's a lady." Each year the organization produces a musical comedy, written and directed by its own members. "Twinkle, Twinkle" is said to appeal in brilliance, humor, music, and plot last year's production, "Kibok," which proved so popular as its every appearance.

T. Faxon Hall is the author of "Twinkle, Twinkle," and E. Mortimer has charge of the music. This year's tour includes eleven cities in Wisconsin, Illinois, and Indiana, including Chicago, Indianapolis, and Milwaukee.

Clues Study Technique

of Shakespearean Drama

That Shakespeare's plays are well adapted to the use of the clue-maze is being demonstrated by the class in Fundamentals of Expression under Miss Margaret Shermans, of the Drama Arts Department. Each week a group of students presents to the class a game from one of Shakespeare's plays that exemplifies some phase of dramatic technique. "Hamlet," "Romeo and Juliet," and "All You Like It" are among the most used of the master's plays. Theta Phi fraternity sponsors the initiation of Virginia Hutton, '25, of Win-ona, and Diane Bennett, '24, of Afton, and the pledge of Glen Mer- lin, '27, of Bloomingdale. Students of Prof. Leland's American government class gave a special political production in the auditorium of Pon- tlevy hall, Thursday evening, April 3.

THE LAZARUS'S PLATFORM FOR LAWRENCE

Lawrence Do Served

1—Push the Building Program.
2—Abolish Compulsory Church Attendance.
3—Increased Facilities for Research Work by Professors.
4—Empower the Student Senate.

LAWRENCE'S PRESENT TASK

"We must forget that Lawrence is engaged in a great task.

It is not true that Lawrence is engaged in a great task. It is nothing more or less than the fighting of a civil suit.

The building of a social center, not simply for the 100 students who are not in attendance, but for the 1,000 or 2,000 who will be in attendance by the end of the next twenty-five or fifty years. New houses have increased in attendance and resources more than ten times in the last thirty years. Why should it act like a town tenfold in the next thirty years?

The population of the state is constantly developing, and its cities are enlarging. Its wealth is increasing, and its college is increasing.

We need a great social center and gymnasium, where students can have gatherings in accordance with the standards and the resources of the state.

This is what we want! It is not more than the necessary, but it is what we want.

We need a great social center and gymnasium.

It is only possible for us to imagine the future with every other time to get along with equipment which was not provided for an attendance of two or three hundred.

We need a great social center and gymnasium.

The facilities of the student body are not adequate. New houses are being multiplied, and all of this means that the college will be constantly growing with increased facilities.

It is impossible for us in foundation with every other time to get along with equipment which was not provided for an attendance of two or three hundred.

We need a great social center and gymnasium.

The facilities of the student body are not adequate. New houses are being multiplied, and all of this means that the college will be constantly growing with increased facilities.

The Lawrentian

Invite Lawrentians To Military Camp

Any male Lawrentians eager to get in on the Otagogie county quota of 55 for the annual citizens' military training camp at Camp. Order next summer may be due. Authorities at Appleton are longing for a full representation, and those sponsoring the camp are confident this can be done if the beneficence of the training is appreciated.

The purpose of the training camp is to train young men between the ages of 17 and 24 years to be better citizens through mental, moral, physical, and military training under expert instruction. Any healthy, normal young men of the required age may attend free of all taxes, uniforms, food, medical attention, housing and laundry. A number of very rich old ores, some valuable lones, and other beautiful ores.

Get Our Specimen

Specimens of gold and silver ore have been received from the famous mine districts near Goldfield, Nevada, according to Dr. Bagg, head of the chemistry department. Dr. Bagg is making a collection of ores for the college. The new collection contains a number of gold of very rich old ores, some valuable lone silver ore, and other beautiful ores.

We are now settled in our new location—next to Pettibone's. We can give you better service than ever because of more spacious quarters and better arrangement of stock.

Remember it's the same "Downer's" that has served the public for many years—but a new store and location.

The comet came back

The great comet that was seen by William of Normandy returned to our skies in 1910 on its eleventh visit since the Conquest. Astronomers knew when it would appear, and the exact spot in the sky where it would first be visible.

Edmund Halley's mathematical calculation of the great orbit of this 76-year visitor—his scientific proof that comets are part of our solar system—was a brilliant application of the then unpublished Principia of his friend Sir Isaac Newton.

The laws of motion that Newton and Halley proved to govern the movements of a comet are used by scientists in the Research Laboratories of the General Electric Company to determine the orbit of electrons in vacuum tubes.

The competition meets than was the case last year. Make a much higher bid for honors in who looks like a sure bet in the Coach Dennehy has uncovered several inches in the high jump. Hold the high school records there for seniors are milers of excellent ability. Mar. 15 in Alexander gymnasium. All 880-yard dashes, Hunt and Kehoe are the exception of the unlimited class for this year in the javelin throw, Ribble and captain, broke the college record last morning.

Begin Work With 1924 Track Squad

Meet Arranged With Marquette, Ripon and St. Francis Park

Lawrence track stars have been practicing three weeks for the past two months and from the appearance of figures Blue and White representatives should make a much better showing held in the state meet this year. The meet this year will be held at Cornell on May 21, and the Lawrence stars are printing themselves for the clime. Meet with Marquette university,heaviest event Normal and Ripon are scheduled to generate the state meet.

The track record of the cross country team last fall is expected to prove highly beneficial to the long distance runners. Coach William Smith has been putting a large squad of fifty men through their fundamentals everyday held in the Monday, Wednesday and Friday, and now that basketball is over Coach A. J. Deeny will be able to devote his entire time to developing Lawrence track stars.

Standing On Field

Lawrence should be strong in field events. The high jump and shot put are serious candidates as well as the high hurdles, unless some new material is uncovered. The failure of Bay Kolly, captian of this year's team, to return to school will be a blow to the team as he was a scintillating performer. Of the old men Stiggins, newly elevated captain, besides the college record last year in the javelin throw, Galbile, and Hagn are returnees to the squad and 800-yard dashes, Hunt and Deeny are cut half mile, Hunt and Stiggins are seen with excellent ability.

Meets with Marquette

Through a series of agility tests Cornell expected to determine certain promising candidates among the新鲜 faces. The meet will not be decided from the radical manner, the blue should make a strong showing.

Mat Artists Meet In Final Matches

Best in Each of Weight Groups for National Recognition

Championships in the various wrestling weight classes were decided in the final matches of the national held in Chicago. Champion was in Alexander gymnastics. All of these matches were scheduled with the exception of the unlimited class between Lawrence and Marquette which was postponed because Parkhurst, who represented the latter, was a latecomer.

Results of the other matches were:

- Lawrence--Stiggins, 158 pound class; Hunt, 165 pound class; and Hunt, 175 pound class.
- Marquette--Stiggins, 158 pound class; Hunt, 165 pound class; and Hunt, 175 pound class.

Rich Wins Laurels In Water Tourney

Several Hundred Fans See College Stars in First Particulars

Rich took first place and the hand signal which went with it in the winning contest when he pulled out of 10 points, and Hendrickson followed in the diving events. The award was held at this time to entitle the winning basketball teams to the district basketball tournament. The List of Seniors Following are the results of both events:

Swimming: Rich, 13 points, Christopher, 10 points, Gardner 1 points, and Kell 1 points.

100 yard free style--1 minute, 10 1/2 seconds, first Rich, second Christopher, third Gander.

25 yard free style--1 1/2 seconds, first Rich, second Gardner, third Gander.

850-yard dashes, Hunt and Kehoe are the exception of the unlimited class for this year in the javelin throw, Ribble and captain, broke the college record last morning.

Cooper, captain, of this year's team, to return to school will be a blow to the team as he was a scintillating performer. Of the old men Stiggins, newly elevated captain, besides the college record last year in the javelin throw, Galbile, and Hagn are returnees to the squad and 800-yard dashes, Hunt and Stiggins are seen with excellent ability.

Coach William Smith has been putting a large squad of fifty men through their fundamentals everyday held in the Monday, Wednesday and Friday, and now that basketball is over Coach A. J. Deeny will be able to devote his entire time to developing Lawrence track stars.

Five Hundred Dollars Offered For Prize Poem

The Poet's Guild, which is composed of well-known American writers, is conducting a contest which will undoubtedly be of some interest to particularly interested students at Lawrence. The Guild is attempting to forward poetry, especially in the manner in which it can be made useful to children, and with this idea in mind, is offering a prize of five hundred dollars for the poem which best conveys the idea of "glorious, healthful childhood."

The conditions for submitting the poems are as follows: The poem shall not exceed forty-eight lines; it shall be typewritten. It shall carry no signature, nor anything that might serve as a clue to the identity of the author. A separate sealed envelope containing the name and address of the author, the name of the poem and the poet's pen name or other identifying mark must accompany the poem. Poems should be sent to the Poet's Guild, Christodora House, 147 Avenue B, New York City, and must be in the hands of the Guild by April 10.

Professor W. A. Boettiger of the Department of Sociology is ill at St. Elizabeth's Hospital.
