To Elect To All-College Club Offices

Nominees to Be Voted at an All-Private Friday, May 28; Final Elections Take Place May 29

Nominations for next year's All-College Club offices will be made by the nominating committee at a caucus held in the Lawrence room, Main Hall, 2:30 p.m., Monday, May 27, according to announcement of Norton Muster, 26, president.

It is impossible at the present time to give the personnel of the nominating committee, since the nominations and ballots have not yet been announced. Your choice of representatives, we have the non-ticket representatives, we have your choice of William Stiefel, 24.

Finally representatives on the committee is only a prelude to the announcement of the committee's work, 26, president.

Primary elections will be held during the chapel hour, Monday, May 24. The ballots will be placed in the chapel, 2:15 p.m., Monday, May 27. Ballots will be available for the voting; these ones will be exchanged at the„ the... of the Main Hall bulletin board.

The number of nominations from four in order to make a legal primary meeting. The ballots will be counted at a meeting of Student Senate.

Posts to Be Filled

The All-College Club officers are: President, Vice-President, Secretary, Treasurer. The nominating committee will consist of representatives from each class in the Student Senate and the Forum Board.

Three Chosen To Phi Beta Kappa

Miss Bennett, Dorothy Oren, and Waldo Rumley were the three members of the junior class invited to join the Phi Beta Kappa, honorary scholastic society. The Humanities, science, and social science students are chosen primarily on scholarship basis. In order to be elected to Phi Beta Kappa is the highest academic honor for freshmen.

Blue Grid Star Takes Unto Himself a Bride

All Lawrence was pleasantly sur¬
priised to see this in the unau¬
nounced meeting of the marriage of Donald Kinsey. Former Blue grid star at 
to Miss Rachel Logan, daugh¬
ter of Mr. and Mrs. Edward G. 
Logan, of Galena, III., which took 
place in the Illinois college on Sat¬
day, May 17, Kinsey, who is a 
number of Delta Beta, Toronto, 
was at Lawrence the first quarter and as an im¬
portant cog on Coach Howard "Old" 
Knight’s 1924 grid machine gave 
promise of future greatness in the 
backfield. Playing in his first in¬
ter-legate games, he was heralded 
by several critics as a backfielder, 
the best the Midwest conference has ever seen.

Blue grid baseball team played two games last week in their newly formed league, displaying great 
promise. Former Blue grid men formed the former Mid-west conference mark in the 
backfield, by a first foot when he jagged 25 yd. in.

Twinlight was the next by a score of 
46-14, largely as a result of the scoring of 
Chesney, Eilson, and Tracton. Chris¬
ter taken by Philp, and a score of 
the meet with four in his credit, 
followed by Gribble and Leary, 13 and 
Kotal was high scorer for Lawrence 
with a first in the 220 yd. dash and two 
seconds in the 100 yd. dash and the 
high jump. Bingle was the short 
man by throwing in two foot four 
and a half, an equal to his season’s mark, 19", 
7.5 sec. Bingle was a pretty race in the 
100 yd. run, winning it in the splendid 
time of 10.1 sec. Gribble outdistanced the 
Crimson hotel in the specialty, the 
220 yd. low hurdles. Coach Denny’s 
new John who was against Phineas 
line, which included several selected 
by the three prominent Crimson athletes.

The showing of the Blue and White was against the strong Rips were 
very encouraging to Coach Denny, and all expect outsiders are looking for¬
ward with confidence to the state meet 
next week at Chicago. Rips being a 
a dangerous commodity for state 
meet in the strong showing of the Law¬
rence team is expected to eat large in¬
roads into Beverly’s ranks.

Last Week’s Results

St. 1, Phi Eta Phi 5 (field);
Beta 7, Theta 6;
Beta 2 3 5.

Close and exciting features of the 
three games played in the intercollegiate 
backfield circuit last week. Failure of the Phi Eta Phi to appear on the field 
with nine men last Thursday afternoon 
gave the Phi’s 5 their second victory by 
a 14-0 final score.

The Beta’s made their first appear¬
ance in the league against the Theta’s 
last Friday afternoon and showed form by coming up by winning 7 to 6 in the 
final. Secretly, they were going to the 
Beta’s in the early stages of the game 
realized that 2 might win a 5-4 lead by the fifth inning but the Beta came back in third half of the 5th inning 
with a second run, a sufficient number to win the game. From the fifth inning 
the whole game was a pitcher’s duel between Holt and Betta, for the Theta’s 
and Givens, for the Beta’s. Pressure by a home run in the third inning to 
start the scoring for the Beta’s. The Theta’s passed right half up until the 
2nd inning. Betta, Betta, and Leary in the 2nd inning. Betta, 3 runs in 2nd.

Beta Phi Delta Phi 7; Phi Eta Phi win a close game from the Beta’s last Saturday afternoon. Both teams played good ball. Batters 
and fielding on both sides was excellent. Beta’s had the edge, 5 to 4.

Betts 4, Theta 3; Phi Eta Phi and Theta’s play a pitch-pitch game that 
resulted 5-4. Little Leary 3 runs in two straight sets by scores 
18-17 and 19-18.

"I can't insure until I get out of debt."

Sometimes debt is for an education. The honest man wants to pay it as soon as possible. If he continues to live he will pay it. But maybe the end will come too soon and then the creditor is never paid. Debt means obligation—the obligation to carry insurance until the debt is paid.

Webster Will Head
Episcopal Society

Episcopal students at Lawrence organized Sunday evening in a meeting at all men's parish hall, and elected Herbert Webster, '27, of Plymouth, as president of the new group. Morel Hammond, '27, of Appleton, was elected vice-president, and Winfield West, '27, of Manteo, secretary-treasurer.

The organization will be known as the Episcopal Student's Club, taking its name and program from similar organizations in other schools, as reported by Alvin Hackworth, '24, who recently attended a national convention of Episcopal students in Illinois.

The business meeting, Sunday, was preceded by an informal supper. The group plans to hold a dinner party prior to commencement exercises.

Two papers were read at the meeting of the Geological Engineers club last Thursday evening. The subjects discussed were "Recent Developments in Mining" by Russell Fisher, and "Some Geological Literature" by Thomas O'connor. Both papers were very well done and proved to be of great interest to the club.

Good to the Last
Drop

Romence lies within the circle of your cup of Snider's coffee. That fragrant aroma breathes of Araby and distant sun-wrapped lands where the finest coffee is grown.

There are visions of the great ships breasting foamy miles to bring the treasure home. There's the long, long quest for the exact blending of these fine coffees to create the flavor that is Good to the Last Drop.
