Kinsman Addresses Minnesota Teachers
Dr. O. Kinsman addressed the Minnesota State teacher's association convention which was held in St. Paul last Thursday, Friday, and Saturday, in which he dealt with various subjects that concern the meetings of the various depar-ments of the convention.

Mr. Kinsman said at the theme he dis-cussed before a joint meeting of the honorary, constitutional, and citizenship de-partments. He addressed a meet-ing of the history department under the subject of "Teaching of History in Minnesota" and spoke in the other departments on the subject of "Citizenship." It was applied directly to their courses.

The convention went on record as ac-knowledging the chapters not to elect girls to form about two important amend-ments which were added to the constit-u tion. One was that each chapter shall have only one female member entitled to order. The second was that the local chapter must have at least five members, and five members must have been officially enrolled.

The third amendment was that only accredited small college shall be a member of the class that is active in the chemistry "L" was one of the best subjects in the class.

The convention adjourned last year and this year the precedent is being followed by the present class of 27.

Engagement

The engagement of Miss Iowa Fitzer to Mr. H. W. Eden was announced at a Sigma Alpha Theta sorority supper in the home of President Tuve, Tuesday evening at his home on 892 Winnebago street. A bountiful breakfast followed the supper, at which Russell Spoor was elected vice president in place of Harold Pearson who did not return to school, and Marie Miller elected secretary and treasurer in place of Evie Jarnet, who resigned.

Lawrence Self

Enjoyed Dinner

 Theta Sigma Phi and Pi Delta Epilson entertained the Lawrence staff and their friends at a dinner Friday evening, November 12, at Guild Hall. Miss Emily Backalot, alumna member of the chapter of Theta Sigma Phi and Professor and Mrs. Frank Clippinger were the speakers. About forty guests were present. Wine was furnished by D. E. Bowers, Sigma Phi, and Russell Spoor, Theta Sigma Phi, was the toastmaster. Some new features in the line of novelty dances proved to be the spice of the program. Punch was served to two little girls who wore "Lawrence" caps and aprons.

Gives Dinner For Faculty Member Weds

Dr. Samuel Plantz addressed the Y. M. C. A. and W. C. A. at a joint meeting last Friday night. He urged the men and women to participate in religious activities on the campus.

If we aim to grow into men and women of faith and spiritual power, we can do so only by keeping in touch with spiritual things, and by entering into the religious life of the college," declared President Plantz.

The speaker declared the first task too many people are so engrossed in social pleasures and secular interests that they have no time for spiritual activities. "Every power of man does things through woman," he said. "If you neglect the voice of your conscience and essentially, you will soon cease to function. The person who utterly neglects his relations to God and renders as form of Christian service will soon find that his spiritual reluctance will deny with him."

EXPLORING

Pleasure Island

Have you forgotten the way to Pleasure Island? It’s a land that children enter easily, at a moment’s notice. But most grown folks have lost the chart. Some of them even doubt that there is a Pleasure Island.

Here, in this storied box of chocolates—Whitman’s Pleasure Island Package—is proof that the glance of some of the contents of the box brings back the memories of the days when "we were children." The Whitman’s Pleasure Island helps you remember your childhood.

To the adult the Pleasure Island is a playground for the imagination. It can be enjoyed by those who have lost their childhood.

To the child it is a trip to a land of fantasy. A land where the imagination can take flight. A land of imagination and adventure.

Here, in this box of chocolates, you can find the pleasures of childhood.

The contents of the box are: A purple chocolate bar, a white chocolate bar, a milk chocolate bar, a dark chocolate bar, and a caramel bar.

Each of the bars is decorated with a different design, making it an attractive gift.

The box itself is made of a cardboard box, which is decorated with an illustration of a child’s toy boat. The box is closed with a "Pleasure Island" logo.

The Pleasure Island Package is a perfect gift for children and adults alike. It is a reminder of childhood memories, and a fun way to bring back those memories.

Whitman’s Pleasure Island Package is available at your local candy store or online at whiteman.com.

**Old Indian Relics Given To Museum**

An excellent collection of Indian relics has been added to the museum of the American history department, under Dr. Kellogg, through a gift by Burton Manson, '27.

This gift includes many interesting pieces, some of which are in an excellent state of preservation. The largest is a two-foot piece of wood, naturally flinted, probably used as a hammer or a club to "knock the head of man or beast," as Mr. Manson puts it. There is a collection of some twenty arrow heads, perfect in shape, which the donor did not pick up on the north east shore of Lake Winnebago. Another hand was picked up on the shore at Waverly beach. It is not clear what was found at that beach that once kept his eyes open.

That the site of this city was once the domain of the red man was proved by Mr. Manson, who has some excellent specimens of pottery in a Indian mound near the valley of the "Stone Flutes." The Mr. Manson found a flint drill, which is included in the collection.

The interesting historical collection of the department is rapidly growing in size and value through contributions such as Mr. Manson's.

Homemaking Crowd to See Fight Between Well-Matched Elevens

Lawrence homemaking is apt to be forgoing a Lawrence-Hamline football game and those of the all-star and college stars who rule the buffet scene two years ago by the Marquette-Ripon game, as chances that the homemaking crowd will be turned aside by the pair on the Lawrence schedule. In the fall of 1922, such games were a part of the Homemaking program, and it is a fairly contested battle the Hamline squad with that fellow, will also bear considerable trouble at Hamline last year. M'Coy, a test as he was injured when he hit a man to get away. However, he may be developed so that he will probably use him to fill one of the end positions. "Champ" is a fine placed running back with a hard-hitting line plunger, and a fast, tricky runner. He would be hard to find a better combination of men with their abilities than that which exists in Eason and Bottcher, both of whom are on this year's Blue and White squad.

"Champ" Bottcher

No backfield is complete without a hard-hitting line plunger, and a fast, tricky runner. It would be hard to find a better combination of men with their abilities than that which exists in Eason and Bottcher, both of whom are on this year's Blue and White squad.

In the dope-spilling contest Saturday, Beloit, Knox and Carleton feasted. Cornell clipped to beat Beloit by two touchdowns, were given the score of their team when Beloit made them the mark for a 3:2 contest. Carleton, however, cleared the Midwest conference with a straight win, will probably be given the unchallenged claim she contention in a tie with Lawrence or Knox instead of getting the conference on the committee. Knox含量, out of the score by winning by a score of 31, 7, holding the Wisconsin team to a 7-7 tie, was helpful before the Knox aggr...ation to account of injuries. Dope, clipped to be on a par with Beloit, whitewashed the Paul Piper to the in 3:14. Beloit, regarded now as the weakest team in the Midwest conference, will stand up against Law...year is their third conference game of the season.

The Lawrenceian's basketball schedule is the best of any underwritten by a blue and white team in the history of the school, until two years ago Lawrence had a schedule of eight games each year. If the team comes through as is expected, Lawrence will be among the leaders in both the Little Five and the Midwest Conference. The MEMPHIS College

The team Lawrence played on the Iowa trip last year and all playing at Appleton this year, but a trip has been planned into Illinois, the Lawrenceians playing three games there. Seven Midwest Conference games have been arranged, and besides this several other games have been scheduled. Undoubtedly the feature game of this season will be the tilt against the Marquette University squad on the Hilltoppers ever have a first class team.

Only three of last four men have been lost. Coke is indispensable because of the new nine semester rule, while Christopher, last year's captain, is now teaching Newspapers High School. "Red" Miller is now attending West Virginia, where he is out for basketball. Lawrence still recall that coach Dusy's team last year was fast, and that all players playing third in the Midwest Conference. With Keal, Eisen, Holstein, and Beine, who are now playing football, and Atwood, Collings, Hogan, Heister, Davis, Gentry, Clark, and Reiby, now out for basket...nt, Dusy has the nucleus of a promising team. All these men are experienced players and are also familiar with Dusy's style of play.

Last year eighteen opponents were played, but this year a hard schedule of seven games has already been arranged. If the team comes through as is expected, Lawrence will be among the leaders in both the Little Five and the Midwest Conference. The Lawrenceian's basketball schedule is the best of any underwritten by a blue and white team in the history of the school, until two years ago Lawrence had a schedule of eight games each year. Last year eighteen opponents were played, but this year a hard schedule of seven games has already been arranged. If the team comes through as is expected, Lawrence will be among the leaders in both the Little Five and the Midwest Conference. The team Lawrence played on the Iowa trip last year and all playing at Appleton this year, but a trip has been planned into Illinois, the Lawrenceians playing three games there. Seven Midwest Conference games have been arranged, and besides this several other games have been scheduled. Undoubtedly the feature game of this season will be the tilt against the Marquette University squad on the Hilltoppers ever have a first class team.

Only three of last four men have been lost. Coke is indispensable because of the new nine semester rule, while Christopher, last year's captain, is now teaching Newspapers High School. "Red" Miller is now attending West Virginia, where he is out for basketball. Lawrence still recall that coach Dusy's team last year was fast, and that all players playing third in the Midwest Conference. With Keal, Eisen, Holstein, and Beine, who are now playing football, and Atwood, Collings, Hogan, Heister, Davis, Gentry, Clark, and Reiby, now out for basket...nt, Dusy has the nucleus of a promising team. All these men are experienced players and are also familiar with Dusy's style of play.

The sixtieth freshmen who flunked the ordinary examinations held by the Eng-lish department recently, will be used as the basis for practice material for the students in teachers’ English class. At present the failures are being used for a weekly ‘quiz’ quiz, which meets in Mr. Hannon’s room, No. 1, Main Hall, every Monday night from twelve to eight o’clock. Individual training of the freshmen will probably be done by prospective teachers, later in the quarter.
