Successor Of Dr. Plantz To Be Appointed
Dr. William S. Naylor To Take Charge Of College Affairs Temporarily

Recommencements for a President of Lawrence College, where period of thirty years in office is recorded, to be held on December 31st.

Dr. William S. Naylor, president of Lawrence since 1920, was elected to succeed Dr. Plantz, who has served the college for thirty years.

The new secretary is planning to devote much of his time to the morning mail and morning mail of college affairs through the agency of the college office.

Dr. Naylor is named as the successor of Dr. Plantz, whose death leaves a vacancy in the community that it will be difficult to fill. The students have lost a friend who was always for them.

"Retire, Not Yet."—Sands Bag King

"Sands Bag King" said Lt. Com. John Philip, former star of the New York stage, when questioned by a Lawrence reporter, "I don't say any. I'm too young to retire. I'll be conducting so long as the people want it. I've been retired from the stage for years and I'm still going strong." He has been in the music business for sixteen years and has made thousands of records for friends with just such moments as he was expecting to give in Appleton. Perhaps one of the greatest ribbons ever paid to a singer was "The March King," given by Dr. Leonard Sorkin, director of the Philadelphia Symphony Orchestra. In part it said, "He has something in his voice that is different from that of any other singer I have ever heard. Some of that magic voice which stands supreme as the symbol of the red-bloodedness of the United States in general."

LITTLE FIVE
Catin's Men Out To Defeat Beloit
Blue Western Dominated in Average Unsuccessful Test of '23
Beloit and Lawrence will reopen their football season tonight at the University end of the little town of Beloit when both teams will meet in the little five conference and a game that will mark the end of the season. Last year the Lawrence defeat was recorded in Beloit and the first time in ten years the field victories. But this year, with the return of Coach McCutcheon, the Cowmen will go into the fall determined to uphold Catin's old record of never having endured a Lawrence victory.

Bob Westwood
After a lay off of three weeks the Lawrence men are not to be given their best but the long grid with as many games is as the title is resounding. Then, too, Catin has been forced to deal the injury to Stacey, the ball carrier, and the best of them. Start is a big problem. Tommy lost a dangerous man with the ball, for the defence has no assurance that they will be予以 immediate under fire. Coach Mills is not used as well either, and he will be forced to send a crippled squad out to uphold the honors of his squad.

Plan Inter-Class Basketball Games

Senior-Fresh and Junior-Senior Games Monday

The first game of the year will be held Monday night and the Junior-Senior games will be played and Monday afternoon in the gymnasium. The Senior boys will play the Frosh, and the Junior will play the Soph at 1:00. The Freshman team this year is the best team they have had in years, and although that was a hard one to repeat, they have now come of some hard opposition from the Junior and Senior. Not much is known of the Freshmen—they are the dark horses of the tournament.

Varsity Players Coach Ten

Playing these things in mind, Coach Denney has approved the members of the different classes—Erie and Ash Rock coaches; Redmond, high coach; Reddon, Majors, juniors and Collegiate, heads. Ten games are to be held each night for the above teams, and the games are to be played in the gymnasium and that everyone can be accommodated.

The schedule of games is as follows:

Tuesday—Fresh vs. Juniors; Seniors vs. Sophs.

Wednesday—Seniors vs. Juniors; Sophs vs. Freshmen.

The success of the Frosh is in the capital of the Varsity, the idea of the tournament being to discover the best material in school, and thus to have these men try out for the varsity at the close of the tournament.

Women's Athletic Board Alters Laws

A change of requirements for women's athletic work was the feature of a meeting of the women's athletic board in the office of Miss Lora Miller, Monday evening, November 11th, at which the constitution of the association was revised. According to the present resolution the name of the organization shall remain the same; the purpose shall be to receive greater status and obedience in women's sports and to promote the good health of women generally; the officers shall be that of president, which is to be filled by a woman faculty member; vice-president, to be filled by a student; and secretary, whose student representative shall be required; secretary, whose student representative shall be required; and the treasurer, whose treasurer shall be required; the board shall meet two meetings each quarter.

Change "L" Requirements

Complete lists have been compiled at the present time but the required number of credits shall be completed for students within a year. The completed by two years past, the goal for all students shall be 36.5 points; second, L's shall be given to students who are not proficient; third, girls playing as regulars on the other teams shall be awarded 20 points.

The constitution is to be permanent and it is hoped that it will never all the needs of the association. The board has spent a good deal of time revising the constitution in an attempt to set a high standard in women's athletic work. The two members of the board are Miss Charlotte Custer, Miss Helen Louise Kenny, Miss Marie Logan Miller, Miss Aimee Tuttle, and Miss Edith Arnett, '26.
