Girls Chosen to Head W.A.A. Departments

The following ten girls have been chosen to head the various athletics sponsored by the Women’s Athletic Association. They are: Marion Mount, business manager; Helen Mead, secretary; Lois Macomber; Mary Higgenbotham, basketball; Gladys Jarrett, sailing; Bertha Johnson, tennis; Kathleen Stacey; Willa Einspahr; Frances Gates; and Mary Morton, back riding.

Eleven of Lawrence College was organized for the purpose of promoting athletics among the women of the campus. Until last year, W.A.A. was entirely a student organization, but in the spring of ’27 it was a promoted and modelled into the same type of association as that of the men. It now has a Women’s Athletic Board, composed of three members of the faculty and four students. This body governs the associations proper.

Carnival Problems to be Discussed at Y Meetings

WHERE SHALL we stand on relations of singing society and college? Will we go to college? If so, shall we stand together with our hymn book and our grand accompaniments? When shall we return to the study of music? Will we ever give a fair chance to all? Such questions, and many others like them, are as much as subjects as campus conditions, traditions, or the idea of "How soon shall we be?" and whether or not we shall keep the rules, will be answered at the meeting of the E.M.A.C., in the gymnasium, Thursday, November 23rd, at 8 p.m.

Pro-Fusion Band to Give Concert at Memorial Chapel

Arthur Shamrock, Dr. Donnie Luken and Jacqueline Thai accepted Resignations

The great demand from all parts of the country for Lawrence State Marine Band, which will up here to Lawrence on Sunday, has necessitated a new organization of the men. The first two bands were organized for a special tour and were given a season, the third one will be organized for a regular season. The band is making its first appearance for the regular season in Lawrence on Sunday. The band will play the Wingate Platoon, the Ripon-Lawrence fracas in the afternoon. The band will play the Wingate Platoon, the Ripon-Lawrence fracas in the afternoon. The band will play the Wingate Platoon, the Ripon-Lawrence fracas in the afternoon.

Young Orators
Preparing for
State Contest
Public Speaking Department of Law­rence College Provisions Material for State Contests
Football may be the most popular extra curricular activity, but this year it has been able to minimize the interest of the students in other activities, especially in Forensics. Already many of the high schools are getting their all-state teams and Arizona into shape for the spring meeting, and some schools are again faced with the old problem of selecting suitable contestants for the young orators. In order to help set­tle this annual problem, the public speaking department of Lawrence College has made a selection of the leading college contestants that have ap­peared during the past few years. These orators, most of whom have won either state or inter­state contests, are now available at a very small cost.

Each spring after the high school contests are over, Lawrence College holds a state contest not only for or­ators, but also for extem pore speakers. Judged from a necessary standpoint these contests are extremely valuable to the participants, for the college awards over one thousand dollars worth of scholarships to the winners of the first, second, and third places in both contests. Because of this, the contests have become so popular that over fifty percent of the high schools in the state send some of their best speakers to take part. It is inter­esting to note that out of three recent college editions this contest is the only one that now has a college in the state that offers the contest.

Dr. Bagg To Lecture At
Engineers’ Club Meeting
A lecture of considerable value will be given by Dr. H. Bagg, professor of geology and meteorology, at the meeting of the Engine­ering Club, tonight, at seven o’clock. Dr. Bagg will speak on the topic “Geologic and Geologic Observations in Europe.” The data for this talk was collected by Bagg during his four months in western Europe and in Great Britain. The meeting will be held in the En­gineering class room on the second floor of Section Hall. All students inter­ested are invited to attend.

Dr. Raymond F. at Lawrence Club
Meeting at New London last Tuesday afternoon on the “Problems of the Great Lakes,” dealing with mainten­ance of balance, pollution, and the deep ocean waterway projects.

Dr. W. C. Miller, in a broadcast to Dr. Raymond, a broadcast to Dr. Raymond at a meeting of the Appleton edition of the Wisconsin Conference of Engineers, Monday night, and explained that the project was to help students adjust to college work.

WRCSTON’S place at a meeting of the Lawrence College Engineers’ Club on Thursday, October 22. Prof. Chal­die, whose retirement of twenty years was terminated by his recent death, was one of the foremost men in the list of his day.

Dr. Yantz also told of several new products which have recently come into prominence in the chemical field. The uses of synthetic wood alcohol, and also of benzaldehyde and bromoform which are used in the manufacture of Duco varnish were explained. An­other new product, the name of which Dr. Yantz explained, is Aitch, the same being the spelling of the sym­bol HII.

Engineer Club
Mr. Otis Russell Helms, editor of “Our Shop,” a literary magazine published at Northwestern Uni­versity, will address the Engineer Club at an open meeting on Friday, November 6th at 4 P.M., at the House Hotel. Mr. Helms will tell of the works of the poet, C. E. Osmand, and it is hoped that there will also be time for Mr. Helms to read and dis­cuss some of his own works.

Last Chance to Obtain
Books from Bookroom
Last call for wisdom! Students who have not yet procured all their books are requested to do so this week as the managers of the college book room wish to begin the returning of extra books at once. The book room will be open from 10:30 to 12:30, Monday, Tuesday, and Thursday morning and from 8:00 to 8:30. Friday morning, for the last demand. It will be open in the afternoon from 2:30 to 5:30 Saturday.

Four Dimensions of Life” — Hendrikson

“Make the best of the time you have here in college; don’t live a narrow life—go right to the bottom of things and have high motives.” These four points were the keynote of a talk on the “Four dimensions of Life,” which Leonard Hendrikson, ’26, gave at the last Sunday night Y.M.C.A. meeting.

“Most of the old-time goods of a man can do no more important than the length of a man’s life,” de­clared Mr. Hendrikson, in speaking of the first dimension. Secondly he urged the men to maintain the things which constitute a rational life and warned them against merely stretch­ing the surface. “Make yourself broad, but in broadening yourself get right down into the heart of life. Lastly, in regard to the height or altitude of a man’s life, Mr. Hendrikson urged the men to have high motives, saying that “the motives which give a man purpose which come from within and which determine whether he is to be good, bad, or indifferent.” In conclu­sion, he said, “Be yourself in the matter of religion—no your own way through.”

The next Y.M.C.A. meeting will be

Wrigley’s Gum

“After Every Meal”

Probably one reason for the popularity of WRIGLIES is that it has a flavor and a strength that will give you a great dividend for so small an outlay. It keeps such things as breath sweet, appetite strong, digestion regular, helps out all the way along in the way of soothing the appetite.

Ripon Eleven Again Downed by Blue Team

The gold gridironed toe of Hurt Nason, center, showed his real worth and stopped many a riposte and carried out predictions made a year ago. But with the revival of a "something" on the Lawrence campus, Ripon Eleven, coach, Olfson's green jersey was worn by the locals. Practically a whole new team was staged a defense that made futile all attempts for offside that kept them from counting the four extras.

Lawrence true to duty Saturday and carried out predictions made a year ago. But with the revival of a "something" on the Lawrence campus, Ripon Eleven, coach, Olfson's green jersey was worn by the locals. Practically a whole new team was staged a defense that made futile all attempts for offside that kept them from counting the four extras.

Lawrence Leads In Little Five

Lawrence college went into the lead in the Little Five Conference following their 3 to 0 victory over Ripon college Saturday afternoon. Lawrence now leads the conference with two wins and no losses.

On Saturday, the outcome of the game was in doubt until the last. By punting, Ripon momentary escaped, but it was the work of the Lawrence forwards that brought the ball back to the goal line late in the first quarter. Neither squad showed up to its best on recovered Boettcher's fumble of lawrence's favor and it was clearly the work of Northwestern.

Further gain was cut short when Ripon Squad Downed Lawrence's favor and it was clearly the work of Northwestern.

The third quarter ended, with Red's ball on the Ripon 20 yard line and having worked the ball down to the Lawrence using an open formation their 30 yard line. Ripon Squad Downed Lawrence's favor and it was clearly the work of Northwestern.

The final whistle came with two wins and no losses. Carroll Lawrence now leads the state conference in the Little Five Conference following their 3 to 0 victory over Ripon college Saturday afternoon. Lawrence now leads the conference with two wins and no losses.
