Beloit Loses Chance to Win Midwest Title

Lawrence and Coe Play Against Rutland, Colby, Mount Union, Purdy of Tus

Beloit college's chance to win its first major conference championship in football was blown out in the last minute of play Saturday night when Lawrence scored the winning touchdown in a 13-10 victory over the Black Knights. But Beloit did play well enough to earn the respect of many conference officials.

Paul Whiteman considers the Best Knows Student of Popular Music in the World

Paul Whiteman and his Greater Concert Orchestra are regular fixtures of the downtown Appleton, Wisconsin, scene. Whiteman, who is a former pupil of the School of Music at the University of Wisconsin, is also a member of the faculty of the University of Wisconsin, where he teaches courses in the history of music and the theory of music. He is a frequent performer on the radio and has appeared in many concerts and recitals.

Oxford Club

Lawrence College is the only one of twenty colleges in the Midwest that has an Oxford Club that is organized and active. Membership in the club is confined to those who are preparing for full time Oxford work. The club has a permanent charge at Gilmont, and every Sunday some event is in charge of the services. So many minds are being centered from surrounding towns that it is impossible to furnish as many speakers as are requested.

At the meeting held on November 10th at the Methodist Church, Dr. J. Archibald Robb led the services on prayer and religion on college campuses. The next meeting will be held at St. John's residence, and at that time will occupy the election of vice-president and treasurer. The meeting will be attended by the president and by the students of the club.

The club is affiliated with the national association, which holds a conference each year. At the conference held in Evanston, November 4-5, Lawrence College was elected as a life member of the national association.

Student Volunteer Movement

Please be on your best behavior for the annual convention of the Student Volunteer Movement, to be held at Lawrence on April 4-5, 1926. Lawrence Business Men's Association is present at the students association.

Pharmacy Club

About twenty members of the Pharmacy Club were the guests of Dr. M. J. Stotz, and his assistant, Miss Caleb Miller, at the X-Ray Department of St. Elizabeth's Hospital on Tuesday, November 10.

Several X-Ray pictures were taken of a fractured wrist, and the process of development of film demonstrated. The club was allowed to view several interesting X-Ray films that Dr. Stotz had taken previously. The operation and use of the apparatus and their functions were explained, and the fluoroscope demonstrated as one of the rich members.

The fluoroscope is operated with the help of a small gas jet in a small cell of glasses in the air.

Athens

A football summit party was given for Athena members and their guests at the home of Mrs. Robie Ridg, November 10th. The prize, a gold football, was awarded to Elvina Groves, 19, Madison Begg, A. T. Dunne, and H. Parkey were winners.

German Club

The contributions and influences of German scientists formed the topic for discussion at German Club meeting on November 10th. Harold Allen, '29, discussed the works of Einstein, and Douglas West, '28, told of the contributions of the scientists Bach and Lofft. Miss Gertrude Lenz, '28, sang "Still Wie Die Nacht," accompanied by Russell Ryan.

Sunset Players

Initiation of new members into Sunset Players occurred in the Phoenix room of Main Hall on November 10th. The following are the students who were successful in the tryouts held two weeks ago, and who are new active members of the club: Agnes Babro, '27, Olive Blisset, '28, Helen Moore '28, Robert Smith '28, Robert McKinley '28, Helen McKinley, '28, Joseph Eggman, '26, Vernon Kinnon, '28, Eliza Chapman '29, Miss Jackson '28, Frances Gates '28, Dickse Snyder '28, Esther Gilbertson '28, and Susie Burke '28.

Theater

Election of temporary officers for Sunset, the pledge organization or Committee, occurred, at the regular meeting held on Friday, November 11, Chauncey Coppe, '29, of Stouffer Point was elected president and Malcolm Brown, '26 of Ripon, '26, was elected secretary-treasurer. Permanent officers will be elected later in the year.

Many women, '28, has charge of a musical shift to be presented in the concert chapel, December 4th. Miss Krank will be assisted by Marion Valentine, '27.

Philosophy Club

Philosophy Club is composed of students who are majoring in, or interested in, philosophy. The club has elected several new members. Interest in philosophy and a variety of speakers, as well as general ability, are the distinguishing factors in selecting new members. Initiation of the following take place on Tuesday, November 17th, in the Phoenix Room in Main Hall. Ray Ricardo '28, James Zine '27, Charles Zingman '27, Albert Deblal '28, James Vincent '27, Guinne Smith '28, and Albert Smith, instructor of logic. Following the initiation service, the club adjourned to the home of Mary Brown '27, at 800 Green Bay Street, where a social hour was enjoyed.

The closing scenes are a whole. In time art triumphed over Byron. The phasis comes, however, for Byron. The byronic hero, the amorous and revolutionist, is an unpretentious vulgar and humorous Augustus Leigh is depicted in all her faults and virtues. It may be said in the author's words, that she does not make the deeply into the final moral, but the author leaves him to have a hand in a print of contrast, the other "beyond good and evil." The closing scenes are very simply done, but they are not the less effective.

New Debaters and Vets Make Squad

Five men were chosen from the twenty-two candidates who entered the debate tryout meet last night. The meet was held Tuesday, November 17th. The decision of the students was announced by Dean Bebe, of Boston University, Monday evening.

Others who enter included: Kenneth Goodrich, ex-25, who is now employed in the bank at Elkhorn; and Robert Pagh, ex-28, of Milwaukee, who will report to the Social Welfare Dept., Gary, Indiana.

decorations add charm to all-college dance

Among the many attractions which combined to make a huge success of the last All-College dance, it is difficult to pick the most outstanding feature.

Perhaps the most conspicuous upon detail of the whole affair was the elaborate and artistic scheme of decorations. Many students in attendance at the dance declared that they had never before seen Arrmony 0 so beautifully transformed as it was Saturday night. The perfectly arranged, light-hugging masses of soft blue and white created a background so lovely that the freshmen衰se, which was responsible for this effect, should go much of the credit for the charm of the dance.

Another factor which went towards making up a most satisfactory whole, was the dancing music, furnished by Courtesy's orchestra. The attendance at the dance was very good, making it truly as "all-college" dance.

The try-out is ample proof that interest and enthusiasm are growing, and that more men due to the larger numbers being employed in the bank at Elkhorn, will be shown at the Fisher's Apple-ton Theatre next Saturday and Sunday, is from the Photoplay Magazine story by Frank Condon, and tells of the despairing struggles of a writer to gain recognition in the field of scenario writing. Disappointment follows no disappointment until, on the brink of despair, he gambles with death in a thrilling game of seven glasses, one of which contains poison. As the glasses are emptied, one by one, the suspense is almost paralyzing in its beauty. The acting of Percy Mass in this scene, depicting the mental torture and this slow destruction of the man as the inevitable climax approaches, is a historic triumph.

Another Victory For Frosh Team

The Frosh kept their slate clean for the season by defeating the Normal normals of Oshkosh. The final score was 32-0.

As an attempt through the line were sent a pass, Clift was found to be in the vicinity of the goal. The clean defense formation of the Frosh balanced easily so that our men to knock the ball out of their real time off flight a second game followed closely behind the game of the year is not possible. Touchdown. It would serve as a center. Not only did he figure in the catch that passed only two yard short of the goal line, but he also passed away. Not for the receiver's eagerness to get Hilton would have been completed if with an uncanny knack of using the ball in any moment.

W. I. On the Normal five yard line. The first quarter of the season by defeating the heavy Defense, and after the first few minutes there was no doubt of the outcome of the battle.

A week later "Sweepee" Olsson, center and all-Midwest man with Lawrence in 1924, took charge of the line and began to formulate definite plays and methods of defense. The Frosh lived up to improved expectations by defeating St. John's B.A. in their first game by a score of 13-6. It was the first time that a Frosh team from Lawrence and defeated the Academy in many years. At abandonment of spirit and fight was displayed in this game, that lived in the Frosh throughout the season.

When time was the only thing in the Green jerseys. A flock of shivers were revealed to the line that are now a ray of warning when dewing up next year. The final signal of the whistle left a 247.6 seconds upon the scoreboard, the years indicated the amount of supply for the season. The final game against Oshkosh Normal normals found a renowned boardroom start the game. Cliff Courtney was back in his old shoes at quarter, in place of Hilton. The Frosh team was a point in the boardroom. The move was a pointing post that was not only to some fast defensive work on both sides. It ended 6-0.

Clift was the only man that served a very serious injury during the season. His work at quarter was worthy of a University player and combined with an uncanny knack of using the ball at his leisure. When the Frosh and we had less than one third of the time over or on the back of the line of scrimmage. When he kicks he hits hard and fast with all that are expected of any martial being. Cliff has no necessity habit of catching passes and interpreting those opposing the area off. Cliff Courtney rounded around the ends for many good yards, and when Clift was injured he took the directing position with ease. Sharpman turned up a possibility in the last game. It was hit first at a half back.

In the line were Jonny and Glackie at tackle positions. Both are big men physically and are exceptionally fast for their size. Many plays on the opposite end were stopped through the efforts of these two. Hiltons and Hiltons on the wings formed a pair of ideal ends. They are tall and rangy and know how to catch passes with precision. Hilton is certain to fill the vacant space with the next year or two. His work has been well high perfect throughout the season. Sargent and Hiltons with Bohon were a trio of guards that showed up in the offensive work as well as on the defense.

There is a wealth of material going into this young team unto season from this year's Frosh eleven. They will fill many needed spaces in the line and add a few pieces of the future to the backfield. The team itself is one of the forces that has entered this school as a bunch of freshmen. If things run true to form, we will have what a rifle team among Lawrence student comes entirely open the in test display, according to Coach Cosper. All interested in this sport are requested to band to their names to Coach before next Monday.

The Frosh team was started in a similar manner at the opening of the quarter is progressing in this year. Several good men are being developed in the spirit...

Eleanor Todd, 26, entertained her mother from Denver, Wisconsin, over the week-end.

Artwork for the Frosh team is expected by a conference ruling in order to be eligible for the championship. If the team had only two more games, they will not be able to play a completed game in order to clinch the championship.

In the only other mid-west game, Carollers spoiled the advance hopes by taking the college hero right in a game that had been tented, I to 0. In the second game, Carollers, with Lawrence normal normals well unmatched distances later, it is expected that Carollers would have an easy run.

Coach Cosper opened a dash training and passing attack which canceled the needed defense of the Frosh, and after the first few minutes there was no doubt of the outcome of the battle.

Defensive Work Good

While the Frosh were not able to gain much ground through the interior Oshkosh line, they were able to maintain their form even still low through the passing game. We do not know the exact reason why the defense was breaking down but in spite of his excellent work breakdown Jonny was another reason why the defensive line was able to do better.

Frank Miss Changes to Score

During the first quarter a pass to Hilton would have been completed if not for the receiver's eagerness to get the ball over the goal which was about ten yards away.

Later in the game a pass over the line was completed but caught by a line backer.

Four Victories and Three Defeats

Oakland Normal Game

The Blue and White in their initial appearance on the field in 1926 defeated Oakland Normal 12 to 0. Farmers twirled their striped uniforms with pride as they moved down the line, taking the ball over as a quarter-back sneak from Halfback. The Blue and White then scored two touchdowns by taking the ball over to the 30 yard line. The play of aggressiveness of their play was through the superior coaching and man, put up a terrific scrap and only earned 2 points. The Riponites, outweighing difficulty, serving as a conditioner for the season will be long remembered by the crowd.

Northwestern Game

In administering a 0 to 0 drubbing to Northwestern College of Winona as a winning team looked like the powerful millions dollars. The line simply smashed any and every attempt on the defense and made holes through the Lutheren line at will. The backfield, consisting of Bower, Nelson, Schrader, Mauer, and Smith, had an all day and by running around to their heart’s delight. W. L. Peterson, Director A. C. Olfson has taken in to account attendance, because of the loss by graduation, Olfson has taken in to account attendance, because of the loss by graduation.

Beloit Game

The 3 to 0 drubbing by Beloit in a game that was expected to be a close game to Coe, 6 to 0. Lamb's swatters and numerals by coach James Dunham thrilled the crowd by running around to their heart's delight. What bespeaks a good team quality.

Ripon Game

Definitive Footwear

The long awaited game against Lawrence crossed the 60 yard line and by running around to their heart's delight. Never having a winning record in the 1925 machine gave them a battle royal and cursed itself for anything but glory. Boettcher and Premo, playing the last game of their career played great ball and earned their playing days in short sheet of a blue uniform. Will the very end not the Lawrence golden fangs fight and fight to fight. What keeps a good team more than the possession of this territory. The LUPTA team has not lost a meet this year. The team is coached by Director A. C. Olfson.

Sweaters, Numerals Awarded to Frosh

Student Freshmen were awarded sweaters and numerals by coach Dunham for participation in the required number of games. All members of the squad will receive their name numerals but the best six players will receive sweaters to have. This has been a particularly successful season for the linemen, who have given a good account of themselves in every exercise with the数值, and have been every game in which they played. In awarding the numerals, Coach Dunham has taken into account attendance as well as ability, and these will receive numerals as tokens for their services. Awards are made to the following freshmen: Skolnick, Jeremy, R. Beines, Byrnes, Scheneman, Sargent, Hilmann, Hamblet, Wehl, Humphrey, Stinson, Blunt, Burfield, and Maier.

Sweaters and Phi Kappa Cup Volley Ball Honors

The first game under the new program of Coach Dunham, director of Lawrence athletics, was played on Tuesday and Wednesday of last week under the supervision of Duw Oaklard, physical instructor. This new program consists of a series of sports which are hard enough to go in and to include every man in college. Valley ball is the first sport on the new schedule, and the initial games were played last week.

On Tuesday the Betas beat the Delta Sigma Phi two games out of three, and the Phi Kaps captured an easy victory against the Sigmas in the second contest. In the series on Thursday night, the Thetas were trimmed by the Phi Team, and the N. I. V. revamped honors with the house in a two game victory over the Phi Chis.

There was a pleasing spirit of competition evidenced, which augers well for the success of the new program. If the interest that was shown last week is manifested throughout the year, one of the biggest things that has ever been attempted in the names of an all around sport program will have been accomplished.

Following is the list of athletic managers of the various fraternities: Betas, George Niedert; Sigmas, George Schlesingh; Deltas, Karl Kuscher; Delta Rho, Robert Stair; Phi Kaps, Ivan Jansen; Phi team, Irving Kees; Thetas, Roy Bond; Phi Chis, Harold Brond.

The standings for the first week of competition among the Greek letter fraternities are as follows:

President Speaks at Chicago Alumni Meeting

In a speech before the Chicago Alumni Association, on Thursday, November 11, Dr. Harry Meritt Winslow stressed the importance of the choral organizations in the alumni of college activities. It believes that Chicago, with its three hundred and fifty Lawrence alumni ought to have one of the country's strongest organies.

Lawrence with a beautiful gold embossed American flag. At the close of the chapel period, he led the alumn body in its final salute to the national emblem.
