Blues Defeat Monmouth In Ragged Game

Lawrence, Wisconsin, defeated Monmouth last night by the score of 11 to 3 in a game that will go down in athletic history—a game in which 11 points were scored by the visitors. The game was composed of small, fast teams, and the result was an exciting, hard-fought contest.

Paul D. McConnel, of the Phi Kaps, rolled 200 in the new pattern of the bowling alley. The Phi Kaps and Delta Iotas, the teams with the highest averages, will come together in a head-to-head match this week. The Phi Kaps are leading the Delta Iotas in the annual competition.

The game started out in a lively manner, with both teams eager to win. The Monmouth team, despite its smaller size, put up a spirited fight. The game was marked by quick, crisp plays, and each team scored points in succession. The final score of 11 to 3 was the result of a well-fought game.

Lawrence won the game, but both teams deserve congratulations on a fine performance. The game was a good example of the type of play that makes for exciting and competitive matches in the future.

Lawrence students and faculty

For the first time in many years

cooperate with the grumpiness of

college people.

Students, what are you coming to

college for? If it is to get a well

rounded education, then you may

give a wonderful opportunity to

appraise yourself of this own

Beauty. We believe this group is in the

minority. If you are not so sure,

then you have to decide which

students to classify as “lumberjacks”;

or “jays” on account of the

majority of students may be

wrong.

Of course, we all know about

the students who are prone to err

in this matter. No one

wants to be associated with

such students, and when that sort of thing

happens, a conversation carried on in an

unfriendly manner is sure to result.

High Hopes For Second Victory Over Hilltoppers

On Saturday, February 20, the University of Minnesota Students' Literary Society will engage in the fourth Marathon-Laurence game of the last two years. The Laurencian made the trip to Minneapolis with an extension string of victories over the Minnesotans.

To say that the Hilltoppers are in the mood for a heartache is putting it mildly. Those who remember the supreme struggle led by the Laurencian in the second game of the series last season with the Minnesotans have an added incentive to try victory. Nothing would be more pleasing to the ears of some 4000 Hilltop students than to acclaim a victory over the Laurencian.

Over Hilltoppers

From the Madison Journal.

Mr. H. L. Johnson, Proponent.

On Saturday, February 20, the University Five will return to Madison with a string of victories under its belt and a grin on its face. Where the Laurencian lineup is no match for the Laurencian, only the prestige of previous wins to help them. Whether or not the intricate combinations of the Laurencian with the Laurencian can make a difference will not be known until the Laurencian has finished its preparation for a victory.

Leaders in Greek League Will Clash

There will be an exciting time in the Greek League on Tuesday afternoon when the Phi Kaps and the Sig Rho, leaders in the interfraternity basketball league, lock horns to determine who shall remain in the second seat of long champion. The Phi Kaps have gone through the season without a defeat, while the Sig Rho have turned only one defeat at the hands of the Phi Kaps. The Phi Kaps are in the third tie of II. Things early on are to be interesting when two teams with such records meet.

In the other games of the afternoon, the Phi Tau team will play the Phi Chi, the Delta Psi, the TKE Fraternity, and the Phi Chi will play the Sig Rho. The team that wins will be the third place winner by its place in the tournament.

Brokaw Boys Defeat Town Team Tuesday

The South Section maintained its supremacy over the other Sections when it defeated the Town Team by a decisive score of 26 to 11. The South Section boys lettered their program as Town Team and entered the first game of the tournament.

In the recent game against the St. Paul team, the South Section boys came to town with a team of 26 leading men, and the home team was able to defeat them by 16 points. The game was a thrilling one, with the St. Paul team making a great fight in the second half and the Town Team maintaining its lead throughout.

Tomorrow afternoon, if the weather permits, Laurencian will have the privilege of meeting the University Five in a game of basketball. It is expected that this game will be a closely contested match, and the Laurencian is looking forward to a spirited struggle.
