 quite a storm of criticism, much of thought he had been treated unfairly. any drinking which was brought to committee have proceeded in the case, and in the fourth one, which followed it a few days later, otherwise than this punishment. Then a third—and drinking was the offence, has raised particularly favored student, and thus actual facts have not been made as merely to clear up those facts that work out a perfectly satisfactory method of procedure that will cover " cond offence, or for the third? And would it be the second actual offense, or the third? And would the report be the signal for a punishment?

* The Committee's Colman was reestablished in those ever-making the semi-wordly "last" lane.

Tell J. E. B. never to lend the next as article like that "Teaching the Students." We can't expect to be so reasonable.

Now that interfraternity bowling and basketball is in every way, what is going on our campus? Someone get out and make lists of enthusiastic for matches or tension games at a cost in the median, or something equally exciting.

At this time of the year, we might pull this one. First Father: "Are you going to send your son to a Christian college?" Second Father (who had coal and chipped): "I'd see him dead first."

This weather map is too hard to spend our time in work, and away, we throw your projects and we are within the usual ex- action of any kind. LUKE WARM.

THE LAWRENTIAN

Basketballs Game Held By Lack Of Ice

The scheduled hockey game between the Whitewater city team and the Lawre-

tians was called off Wed-

nesday morning because of the lack of

ice in which to play. If the weather

prevails, this game will prob-

ably be played sometime af-

fternoon as an Appleton rink.

A possible game has also been ar-

ranged with the Appleton city
team.

This game is to be played some suit-

able afternoon of this week. The ex-

pected weather conditions make it im-

possible to set a fixed date for a

hard game in the section of the

country where no artificial ice

can be found, and where the conditions of

the ice depends solely upon the whims of the

weather.

Sky Base Nat Win

Due to a misunderstanding between the Atlantic Board and the amateur

league, the International Sky Base was not

run on Saturday morning.

Weather conditions permitting, the

game will undoubtedly be held some

other Saturday in the near future.

Before, Lents Wisconsin; audience,

Stoutfield, Marquette.

In the prelim, the Lawrence fresh

stumped to the Vocational school quiet, in the 11-11, Coach "Puck" Sylvan-

ter's winners of the green played a

hard game, and the score was as even

11-11 all the last few minutes of play

when Coach Martin's warriors

delivered with a free throw and a

dribble to take the game. Duane Grove,

center, was high scorer with three

points, the center two, the right guard two, and

the left guard one.
