The Coe Kohawks started the year with what looked to be a big winning team. Their hopes were high when their defeat at the hands of Wisconsin-Platteville, left them in the last game. This defeat showed the party in the third run of the year. In speaking of the legal profession, Mr. Cary explained that the manner in which one went about it was very important.

SOCIETY BRAND COLLEGE CLOTHES are strictly that. Cut according to ideas of college men, made up in the fabrics they require. They’re the real thing. The single breasted Top Coat is the one college men have chosen for spring, the one they’ve told us they want. A real good selection is here now—come and see them.

Top Coat—Price Range
$30 to $50

Knapp Felt Hats
YOU’LL like the new Knapp Felt Hats. They’re different. The styles are distinctive. It’s the favored brand at all big universities. The DOBBS too, is mighty popular with particular college men.
Prices $7.50 to $15

Knapp Felt Caps
are recognized by college men as the only real style cap of America. They cost more and they’re worth it too.
Priced $3.50 to $5.00

COLLEGE MEN have decided the cut of the clothes we offer to college men. The makers (Society Brand) consulted the preferences of the leading universities before they made a single college garment. The result is what you might expect. The cut that college men want, insist on, and wear.
Society Brands are priced
$40 to $75
Other good makes $35. and up

Little Five Track Tourney Will Be Held Here in June

Lawrence Men Win In Last Year’s Meet By Wide Margin

The Little Five Colleges will invade Appleton on May 22 for the track title this year. Little Five track will be held on the big track at Appleton on May 22 to vie for the 31st title which the conference has awarded to Cornell last time that all the schools in the conference will compete for the Little Five Track title this year. Lake Forest, a school with a large number of athletic activities, is in for a banner track year. With each school possessing such a wealth of material we are all waiting to wit much competition.

Peter Reid

His long strides have been the four of more than one game this sea son. He is one of the most persistent runners on the team, and probably the highest among the quartet of the conference. Reid has one more year to go.

Most notable among his performances is his work in the Marquette game at Milwaukee, the Ripon game at home, and the last Carroll game.

Play's Last Game

On May 13 the Lawrence "l" will play their third annual tourney on the River Valley Track meet. All schools of the conference will compete for the laurels at Wittering athletic field on that day. Last year's meet was won by Menasha. Reports tend to play up the strong possibilities of the conference contenders again this year. Sheldon is the chief of a group of prominent athletes. However, there are two dark horses in the crowd this year. The first is the Lawrence team, not to be overlooked in favoring the outcome. It is possible that the slim team is probably the weak spot on paper arguments. The team has not sent full entries to the track meet.

Ten of the fourteen rounds held last year before the promising young athletes began to show the type of track work in the high schools is improving.

The next two years will be held in the new athletic field which is large enough to accommodate all the future meets. The field house is modern and ready for use. The field itself has a specially constructed drain system ready for use. The field house is modern and ready for use.

**Blesses Qualified To Meet Big Ten Teams**

As a result of the new rule adopted here recently which makes it impossible for freshmen to play on varsity teams, Lawrence will be fully qualified to meet such teams. So far as schools in intercollegiate athletics, basketball games of both football and basketball between the Blue and Whites and the Big Ten Schools have been barred. But it has been impossible for Lawrence to compare its scholastic merits with those of the Big Ten schools. Now that Lawrence has adopted the same rules, the Blue and White will be equal and the possible games will be on a par with the Big Ten teams.

20 defeat. Band starred for Carroll by making nine baskets. Carroll chalked up six points of his in the fast half, while the Lawrentians netted up with their characteristic drive up on the right side in the second half. The Carroll lead, however, was small.

Scoring under the two defenses of the teams, the team journeyed down to Marquette and after one of the most sensational exhibitions of basketball came out on top with a 30 to 15 win. Verbruggen with his anxious eye put the Lawrentians into a fast half lead of 6 to 5 when he stationed for counters from both the field and the free throw line. After winning the second half each a couple of baskets that gave his team a secure lead which they held for the rest of the game.

The Blues finally come into their own against Ripon and Carroll teams, after both rather hectic contests, the teams were subjected to defeat by the home crowd. In the Ripon game Speros, Heideman, and Gunther played a great game at forward, between Beine and Sabin and Johnson, the highly tested Zeno was held to two solitary baskets, the rest of the team mates also being able to hold tight. The same offensive and defensive offense was launched against Carroll with the same result, giving the Blues a women's record of 12 wins and two defeats.

The round gave them second place in the Wisconsin Intercollegiate Conference and the tie for the championship to the Midwest with Carroll.

Despite the exceedingly hard competition, the team was able to repeat last year's feat of capturing the
