In spite of March 21 being the first day of spring, we must still come about our daily work, going to and from classes, eating and spending our time in college life, as it is impossible to be delighted with the first day of spring while it is only a month away from winter. Some of the students are looking forward to the spring weather and sunlight, while others are waiting for the colder days to be over. The weather seems to be changing every day, and it is difficult to tell what to expect. Some students are planning on outside activities, such as picnics and sports, while others are preparing for the warm weather by buying summer clothing. The spring weather is a relief after the cold winter months, and it is a time for renewal and new beginnings. It is important to enjoy the beauty of nature and to appreciate the changes that occur during this time of the year. TheLawrentian, March 19, 1930.
Swimming Title Is
Taken by Cinkosky

Steve W. Cinkosky, Mukwonago, a freshman, was crowned Lawrence col-
lege swimming champion for 1926. Cinkosky took first in three of the six events for a
total of 42 points. He swam an amazing 800-yard free-style race in 3:33.9; 20-yard breaststroke
in 23.3 sec. and 20-yard backstroke—Cinkosky, 20.7 sec. Cinkosky is a member of the
Mukwonago High School swimming team and is a noted athlete in the all campus meet.

Campus Diving Meet
April 3

April third will be the day when the campus swimmers will attempt to
show their skills in the annual campus diving meet to be held at the
"F-3" pool. The event is scheduled to begin at 2:30 in the afternoon.
Cuban and Gator barb are present the most formidable foes for the pro-
úmerous of the women. Cuban lost last year's competition which in-
cluded some star divers in Milwaukee and Wisco, both of whom have left college. Adelheid's dive from
his home town shows up well in the meets, but he has lacked the diversity of dives that Cuban gives in his repri-
sentation. "Hatch," a good threat to Cuban's supremacy, and he looks upon us as a probable winner, as Adelheid's is the only other possibility in bar for the title that is known as the "F-3" title.
Four divers will be required along with four more reserves. The re-
sumed are: front plonge, front flip, back flip, and handstand.
The mystics are up to the "underwater diving" condition of the
viewers; they will be judged from a standpoint of difficulty and grace.

Briese At Guard
On Midwest Team

At the close of the past conference basketball season, Cornell College of
Mount Vernon, Io., selected two Midwest teams. They played Lawrence at one of the guard posi-
tions for the first All-Midwest team. Tom Cott and two other guards along with Brice make up the first
team. Brice is represented with two on the second team with Ripper,Carlson, and Hanlin in the other
squad with two on the team.

R. J. Johnson, former Backford high
school tail, was a unanimous choice
for a first team guard position. He was
one of the best men in the con-
ference and with Brice would
make a wonderful pair of guards.

THE LAWRENTIAN
Mr. Milton Kaumheimer and Mr. Passmore were members of the class of 1915 and are members of Beta Sigma Phi fraternity. Mr. Passmore was graduated from Lawrence last Saturday night.

Miss Sophie Anne Bachofen entertained the active members of Beta Mu Phi Epsilon at a meeting at Hainar House at 5:00 p.m. on Tuesday, April 6th, the Biology club will entertain the new members at a meeting at Homer House at 7:00 p.m.

Miss Taylor Again On Duty As School Nurse

Miss Hazel Taylor, school nurse, has returned to resume her duties after being away in Milwaukee for three weeks because of illness. Under her care are Miss Lee Abbott, Miss Helen Brown, and Miss Anna Goodwin, the latter being a student of Beta Sigma Phi fraternity.

Miss Bailey Leaves

Miss Frances W. Bailey, University of Wisconsin library student, has returned to resume her duties as pretty as you've seen. $1.39, something very fine. Worn with a tie, they catch everyone's eye. $1.19, things by helping popularize Merode Shorties, athletic style knit undies, made for the modern girl. At the Fair Store for $1.50.

Miss Bailey was entertained for the past week, continued her month of practice work and will be again able to admit to the needs of Bay girls by the first of next week. And Miss Taylor again presented M. A. W. N. Taylor, who is ill at her rooms.

Miss Bailey was assisted by Mr. Lee Hotchkiss, recent graduate of Bay team. He gave lectures at the Chapel Wednesday and Thursday nights, and will deliver another one tonight.

A Certain Freshman,

Upon being told that the curriculum at Lawrence was being revamped, asked: “Who vamped it the first time?”

Beauty Contests

aren’t particularly desirable, according to our unimportant opinion. However, Miss Fay Lankster, last year’s “Miss America,” has done at least one important thing by helping popularize Merode Shorties. Merode Shorties are athletic style knit undies, made for the modern girl. At the Fair Store for $1.50.

Your Kid Brother—It’s safest to be in his good graces. He’d appreciate one of the Twixtus toys at $1.25. And maybe, if he were particularly appreciative, he might let you have an entertaining ten minutes with this fascinating toy. Yes, your young sister would like one, also. We pack for mailing, and pay the post.
