Every college man who enjoys singing and who knows the music for any part of the program should tryout for a tryout at the conservatory immediately. A good deal in the way of preparation is demanded of those taking the tryouts, and knowledge of music is not absolutely required. Plans for the glee club elections this year present a most enjoyable trip, probably extending over a period of six weeks.

On the Screen

That you believe in revolutionist? Whether you believe that departed spirits return to this earth reincarnated in other bodies or not, you will be closely interested in the treatment of this subject on the screen that is to be found in “The Vision,” which is showing Saturday at Fitchon Appleton Theatre.

It is the story of a spirit refindly wandering in space waiting to be joined by her lost love, whose reincarnated spirit is manifesting itself in the body of a living person. The two souls are finally united in the world wandering spirit at last finds peace. This film, however, is not at all novel, is the most finished and artistic photography is almost the same. We are even able to make of the Pheonix Appleton Theatre.

Shown on the same program is the latest feature comedy starring Douglas Fairbanks, Mary Pickford, and Richard Barthelmess. "The Fortune" is the name of this film.

Mr. and Mrs. Richard Yelone of Bridgeport have visited over here from the Fitchon Appleton Theatre.

Two New Men Report
For Cross Country; Outlook Very Good

Blues prospects for a winning cross country aggregation took a decided turn for the better this week when Captain Hal H. Hessel and Assistant Coach, Class of 1928, reported for practice. These two men, together with Parsons and Mosler, veteran of last year's invaders, and finishing, Bush, and Osmus are expected to carry the Blue and White around the three and a half mile field this year.

The Blues will make their debut in the home event October 30, when they meet the crew Marquette has, including Winkler, Big Four cross country champions and two mile speed merchant, Schmidt and Bonn, veterans with several years' experience, and Pfaffer and Ziemer, University of the Black and Orange cuneiform of last year.

The next scheduled meet in with North Central College (formerly Northwestern) of Naperville, Ill., November 6. Last year the Lawrence men were forced in the final to defeat the invaders, and it is expected that, with a team of experienced men, they will again furnish stiff opposition for Coach Christian's men.

Another meet is being arranged with Lake Forest, and it is probable that November 29 will be the date set for this event. The Lake Forest team was handed a neat defeat by the Blues a year ago when all five of Coach Denney's men crossed the tape ahead of the invaders.

The newly organized band will furnish stiff competition for Coach Bowers' men, who have a fighting* team of gridders. To prove to the Ripon team that a new Lawrence college is backing up its football interests, and at the same time will aid its winter program, the Blues will make their debut in this event.

Blues Weakened For
Ripon Homecoming

(Continued From Page 1)

As if Ripon's improvement were not enough an avalanche of injuries has swept through the Lawrence backfield. Barfield suffered an ankle sprain when he received a kick-off from several feet away. The next round will take place some time in November.

Meyersfield's band has been the source of much activity this week, and the Ripon referee appear to be in excellent form. The lineup will probably be the same as that which started the game with Ripon at center, Wansuck and Stroehland at guards, Connell and O'Callahan at tackles, Haller and Jessup at ends, Bloomer at quarterback, and Reiner at fullback.

About two hundred Blue runners will meet the Ripon team in the first round of the annual All-College tennis tournament. The newly organized band will furnish the old Lawrence spirit and help to place in the Blues team that a new Lawrence college is backing up a fighting team of gridirons.

Tennis Tournament

In spite of the inclement weather of the last week, play in the first round of the annual All-College tennis tournament has progressed rapid­ly. All but one match in the first round have been played and the sec­ond round will take place soon.

In the second round Hanks is to meet Mollin, and Pierce will battle Masner. For the lower bracket Krause defeated Bick­ley, Schnell defeated Banes, and Hanks defeated Yelles. The match be­tween Deon and Rossland has not yet been played, but the winner of that will meet Bick, while Krause and Schnell will come together in the second round.
