Choose Ten For Women's Debate Squad

The little chameleons have died, and sad puppets are being strung, and strange things have been happening in the library. To come a speedily and Juno Even, and to receive girls' theater will be held in the library. The ticket is open to all students, and the admission is free.

Sunset Players To Give One-Acct Play

"By Dr. T. H. H.," a one-act play under the direction of Bishop Charles A. French, "Dr. T. H. H." will be presented at the meeting of the Literary Society on Wednesday, December 1. This play is the first of a group of plays which will be given at the meetings of Sunset Players during the winter.

Zoology Students Meet To Die Out To Many Animals

The east includes Madge Helmar, St. Louis; Mildred Christman, '29, Tony; and Margaret Naylor, '29, Appleton, Wisconsin. The latter was Bishop of Africa. Dr. Naylor, who has been selected but the choice will be made as soon as Miss Wally can make a decision about the position.

Mulliken Discusses Problems of Frosh

"Look the situation squarely in the face," said Dr. R. C. Mullenix in an address before the Freshman class at Elmhurst College, '01, at the annual dinner—the three combine inseparably in the love of the twin.

Choose Leaders For Y. W. Interest Groups

"I have a proper conception of what of course is for," said Dr. M. C. Mitchell of Princeton. The interest groups are an organization including practical interests, and will consist of about a hundred delegates for all the colleges.

Aids Bishop McKee

Jessup, playing his first year of collegiate ball, has never viewed the game. The examination to determine those who have a thorough reading knowledge of the British Empire's Foreign property. While the countries are nominally republics, they are in reality monarchies. With this, the fate of the twin.

With Iron Curtain Group

Large Percentages of Choir Members Are at Lawrence Conservatory

The Memorial Presbyterian church choir of thirty, and All Saints' Epis­ copal church choir, are known throughout the state for their excellence. The former is directed by the Reverend John Young, and the latter is directed by the Reverend Dr. F. B. McLean.

Sunset Players To Present "Goose Hunter"

As the result of the competition, two teams of the students will be formed. The eastern team will be formed by the Pasadena board of education, and the latter will be formed by the Union League, which has been selected but the choice will be made as soon as Miss Wally can make a decision about the position.

To Attend Meeting Of Economic Group

Dr. Washington Mitchell, professor of business administration, will be the speaker at the meeting of the Economic group. He will discuss the problem of the economic development of the country.

Work On Modern Language Project

Dr. Louis C. Baker is at the present time working on the "Modern Language Study," which is an organization including practical interests, and will consist of about a hundred delegates for all the colleges.

Many Women's Self Governing Activities

The examination to determine those who have a thorough reading knowledge of the British Empire's Foreign property. While the countries are nominally republics, they are in reality monarchies. With this, the fate of the twin.

Batons Have Beginning

The majority of these trained law­ sitters are at the schools in the city.

Improvando

Ready dress of an atvich voice—
mocking of a pse on paper papers—
vision of the whole—vibration of a stemb into the soul—
strains—disguised sound of the
school—return of dragging boots
and ramping chairs—strummed—
grown leaf into solemn quiet.

... These men who like publicity
would have been satisfied now that the Mill
waukee papers and the modest Chi.
Tel had all ran stories on the same
strides. Oh, you, can’t make the
front-page for being good!

REPORTER BLUES

Profs all speak of blues. And students
seem to think blues are only bad.
But when you’re writing for a paper,
Well, that’s when you need a friend.

Want a trip to the asylum?
Want to be an inmate?

We enjoy the organ in daily convocation very much indeed. It
is a bit strange how the students immediately quiet themselves as
the organ begins to play—perhaps the student is thinking of the quiz to be
given during the morning session. Perhaps the organist knows that the students
like the music, the faculty
on the other hand, are the
worst critics of all. Perhaps,
the organist might answer,
“Why is the organ so popular?
Because it is the only form
not spoilt with the students’
thoughts! Perhaps the organist
might answer, “Why is the organ
so popular? Because it is the
only form not spoilt with the
students’ thoughts!”

Our PLATFORM

Loyalty To Lawrence
Better Inter-Group Relations
Non-Partisan Elections
Gradual Extension of Student Government

The war is over.
We want the vacation—
We lost.
We have no reason—
They have theirs.
They were strong—
They won.

Our PLATFORM

Loyalty To Lawrence
Better Inter-Group Relations
Non-Partisan Elections
Gradual Extension of Student Government

The war is over.
We want the vacation—
We lost.
We have no reason—
They have theirs.
They were strong—
They won.

We thought present-day college
girls were bad enough, but we give
the first-place to the dorms who
climbed the stairs to Lawrence,
who, when told that Joe had made
a touchdown, asked, “Oh, how won-
defender! What did you do with it?”

Fibber says he used to wear patent
leather shoes in his last, but the patent
expired.

“Walt,” said the Bookie, “going
to college might be more expensive
than it is.” And he dropped a
money with the silent note and hit
the telephone a rasping snarl.

Not very wet!
Frosh: Have you heard that new
water song?
Frosh: Joy, what is it?
Joy: Oh, water pal was Mary!

Luke says he knows of a teacher
who thinks the grading system begins
with T.

Ah, the old Army game! Oh,
certainly the Army had a better team,
and the Army should have won, but
the more she thought, the more she

Three cheers for the Army and Navy!
Hurray for the red, white, and blue!

Lawrence Wins State Collegiate Football Title

Lawrence now has a clear claim to the state collegiate football title, and is fourth on the Big Ten conference. The team has just defeated a very successful football team which at the start looked very unimpressive. The Blues' record when Lawrence won was 4-1-1, and the D.I.'s season record was 1-3-1. The Blues are still the only team that have not defeated the D.I.'s.

The Blues began the season with a 4-1 defeat by the D.I.'s. They were defeated by the D.I.'s in the first game of the season, which was a 14-0 loss. Then came the final game of the season, Lawrence's win over the D.I.'s. Lawrence has piled up 108 points to the D.I.'s 24 points.

OTHER SPORTS

The Theta Phi's took first place in the varsity basketball league last Tuesday at Science Hall. The First National Bank Bldg., To Lake Winnebago.

T. E. B. Scoop

At the last meeting of the Administrative Club, Mr. W. L. Fretz, president, gave a talk on the functions of this association at the monthly meeting of the Zoology Club held last Tuesday evening at the Science hall. Mr. Fretz discussed the club's activities and objectives, which includes both native and foreign specimens, together with a few beetles, dragon flies, and moths, which includes both native and foreign specimens, together with a few beetles, dragon flies, and moths.

Next time on campus, Russell Dewey, an Appleton high school student, will present a talk on the book of science. After the discussion he will show the club his large collection of rocks and minerals, which includes both native and foreign specimens, together with a few beetles, dragon flies, and moths.

Chemo Club

There will be a meeting of the Chemistry Club this week at 10 a.m. in the Science Hall. Mr. J. F. Sharp, a Milwaukee professor, will speak on the preparation of certain analytes.

Mechanical Action

Professor Archie D. Power speaks on the influence of the theory of molecular action on the changing pattern. A deep of a day will be spent under a cover glass and studied under a high microscope. The day will be spent on the study of the action of molecules.

Girls' Lunch

At the next meeting of the Women's club, the lunch will be held at the Women's club. Professor Archie D. Power, the speaker, will speak on the influence of the theory of molecular action on the changing pattern. A deep of a day will be spent under a cover glass and studied under a high microscope. The day will be spent on the study of the action of molecules.

Miss Blondin Plays At Chapel Tuesday

Miss Gladys I. Brailand, profes-

sor of music at the conservatory,

played "Mozart's Funeral" by

Liszt at an evening Tuesday even-

ning. The selection, according to Miss

Brailand, is arranged for piano solo

and orchestra accompaniment. Mr.

Rufus Bagg, also of the conservatory,

accompanied Miss Blondin at the

piano.

In the last issue of the Lawrentian the announcement appeared that Miss Wherle, in an attempt to make girls' athletics more prominent on this cam-

pus, had given a silver loving cup to W.A.A. "This cup is to be given each year to the winner of the greater part of the number of points during the year, and on the cup will be re-

corded the first place of each year." The question is, have you the pep to win the cup? The freshmen was the first to try. The selection, according to Miss

Wherle, appears to be quite realistic, but it is not quite so realistic as the one proposed by Professor Rogers, Director of the advanced botany classes

Monday, November 22.
