A young pledge from a neighboring sorority is told to "cut loose" by his active mother. She (coyly): I've been told I'm sweet! He: Well, look around and see if you can see the nickel I just dropped.

The new idea right now is the Point System, worked out by a group of W.S.G.A. girls. According to Edith Reeve, chairman of the committee, the plan is still tentative. There are certain things in this world of ours which serve to entertain, to amuse, to amuse, to amuse. Among these are sports, and the committee asks for constructive criticism. Is the evaluation of our students by the Point System—systematically, at the referee—is obviously a high school stunt, and should be discarded, like shooting spitballs or throwing blackboard erasers. The spirit of sportsmanship, and custom has led opposing teams to entertain the audience and a useless waste of energy, energy which might be expended in good cheating.

From Scrapy Blues

Second Half Lawrence Rally Falls to Close Gap On One Bound

starting their second half rally too late, Lawrence college had their fourth straight conference game to Coe college Saturday night to 24 to 20. Lawrence made a three point overtake before the end of the first half and from there on they were never threatened until just before the end of the game. The Coe college team was a smooth, well coached aggregation composed of crack shots. They were lead by Captain Tuttle, Lambs and Hibbard who did most of the scoring for the Kohawks.

The Lawrence play was ragged at times and it seemed that the Blues were playing the man rather than the ball. Twelve personal fouls were committed by the Lawrence team, Greve and Betts both being put out of the game on four personal fouls.

Put Lawrence, Stad and Hibberson, inserted late in the game, did most of the scoring, scored all of Lawrence’s points during the first half which ended 10 to 8 in favor of Coe.

Lawrence took the lead back on a short shot and one free throw on a foul. The big moment came with more free throws during the half. Basket by Hibbard and Lambs put Coe in the lead a little later.

In the second half, Hibbard was in at guard. Fifty seconds before the end of the game, Hillman put them in the lead 24-20 with a basket to even the count. The half ended 6-4 in favor of the Blues.

In the second half, the Blues were called on both teams for roughing. In the second half the Blues were dropped the first two games to the Betas and fell to 2-10 in the Conference League. The Phi Taus with a basket from mid-floor, thereby putting them in the lead even. Behling and Valentine carried the game on the shelf.

The picture's as great as the book. A photograph with enough free throw shots makes the difference between winners and losers.

Phi Taus had a really good game with Phi Taus staging a rally in the closing minutes, evening up the game by the score of 83. In the second half the Blues were weak and the Phi Taus went on to win.

In a very close contested game of the inter-fraternity basketball league the Theta defeated the Phi Taus 14-8 Saturday afternoon at the Alexander gym. The first half was very hard fought with numerous fouls being called on both teams for roughing. The half ended 4-4 in favor of the North Street boys.

In the second half the Blues were weakened by the absence of Macdonald and Lorrer who were taken out on personal fouls soon after the half had begun, and the Phi Taus were able to run up enough baskets to win the game. The Betas had plenty of chances to shoot, but were off style and few of the shots fell true.

In a well played game of basketball the D.I.'s defeated the Sig Kaps 14-8 Tuesday afternoon at an inter-fraternity league game. The game started well for the D.I.'s taking the lead on a basket by Mitchell, but the Sig Kaps came right back and scored a basket to even the count. The D.I.'s took the lead the first half and 5-2 for the D.I.'s. In the second half both teams missed numerous "easy" shots along with enough free throw shots to win any basketball game. Earnestly did the best playing for the winners, and Bierhorst played best for the Sig Kaps.

The Phi Taus and the Phi Kaps had a real game with the Phi Taus staging a rally in the closing minutes, evening up the game by the score of 83. In the second half the Blues were weak and the Phi Taus went on to win.

The Betas made a clean sweep of their series with the Sig Eps, sliding into third position in the league standings, but one more set of games for each fraternity remaining on the schedule will virtually decide the pennant. Phi Kaps, D.I.'s, and Phi Taus swept the alleys the Sigs will tie the Phi Kaps and the Phi Taus will cop this week are: Mackenzie 47, Kittle 46, Broughton 43.

Phi Kaps won their 15th straight game for an .833 record for the second highest in the state. The Phi Kaps are 15-3 and will get a chance at the Conference championship this Saturday night.

Lymer read a paper on "The Origins of the Solar System," at the meeting of Trinity club Friday evening at Hamar House. Supper will be served, and a program is to be given.

Catherine Maclean, 29, Lester Sayes, 27, Franklin Olin, 28, and Olive Kentzel, 28, were initiated into Delta Chi Theta at the meeting Thursday at 4:45 o'clock in the chemistry lecture room of Science Hall. Mr. Millington is to give a talk.

Delta Phi Epsilon Formal Dance given at the Phi Epsilon formal dance given at the Valley Inn, Neenah, Saturday evening. She was accompanied by Professor John R. MacBain for his freshman history class, Friday evening in Mac Hall. Prizes were awarded for various accomplishments.

The Jacket Frock Is Smart in Flat Crepe

The jacket frocks are first choices for daytime wear. There are so many pretty versions of it, but one of the most popular is the two-piece frock in flat crepe, usually in two colors. Very tailored in its simplicity.
