Students in Second Of Faculty Recitals

The second of the series of faculty recitals will take place on Tuesday evening at 8 o'clock in the library. There will be performances on the piano by Byron Stroupe, 27, and Charles Fisher, 21, and on the violin by Carl Engler, 27. Also, a number of the faculty will be present to give an informal recital.

Writers Interpret First President's Farwell Address

Speaks To Minnesota Daughters Of The American Revolution

That Washington's famous farewell address was a per- formance for the foreginers as well as for the American audience. The speech was a masterpiece of oratory, as the world was contented by the power and wisdom of the American people, and the world was amazed by the fact that a man who had once been a simple farmer could rise to such a position and speak with such authority.

The world has been much impressed by Washington's address, and the American people have been much impressed by the oratory of the first president of the United States. The speech was a masterpiece of oratory, as the world was contented by the power and wisdom of the American people, and the world was amazed by the fact that a man who had once been a simple farmer could rise to such a position and speak with such authority.

Second Half Rally Wins For Ripon By Seven Point Margin

Ripon Foul To Misses Early Free and Falls Game To W. C. Change

After taking an early lead which they held most of the first half, Christian College's basketball team freshman for the last half and dropped their second game of the tourney, 19-10. Lawrence made only one field goal and four free throws during the final period while Ripon gained 14 points.

At the opening of the game, Lawrence displayed the best basketball they have shown this year and within two minutes had a 5 to 0 lead. The Ripon team, however, was able to get possession of the ball and scored two points on free throws, one being from Bade, Lawrence, and the other from Lipman, Ripon.

Until the opening of the second half, Lawrence held the advantage, but at the opening of the second half, a well-coordinated team worked to score against the Ripon defense. Lawrence led 16 to 10 during the first few minutes of the second half, and they held until late in the second half, when the Ripon players played a great game and tied the score. The score remained tied during the second half, and the final whistle blew at the end of the second half. Lawrence made another short shot, and just as the final whistle blew, Briese made his third field goal during the second half, giving the Blues a 12-point lead.

The American history department

In Summer At U. S. C.

Professor Otho P. Fairfield, professor in art history and appreciation, has received an appointment to teach this summer at the University of Southern California.

Professor and Mrs. Fairfield intend to take this summer vacation and will be at Southern California in 1927, when he attains the Panama-Pacific Exposition of that year.

Miss Fechner Kemp, librarian at Columbia University, has been appointed to teach art history and appreciation at the University of Southern California.

The Phi Eta and the Phi Psi who played the opening game of interfraternity basketball Thursday afternoon with the Phi Tri coming out on top, 18 to 7. The Delta Eta's, Deschamps and Williams, scored 7 and 1 points respectively.

During the first half, a neck and neck tussle all the way up through the last half of the game, the Delta Eta took the lead for a few seconds in the second half, and then the Phi Tri took the lead again, bringing the score to 12-18 in favor of the Phi Tri. The Delta Eta's made another short shot in three minutes to bring the score to 12-20 in favor of the Phi Tri, and they held until late in the second half, when the Phi Tri's feature man, Schommer, played his usual stellar game and scored the Blues only field goal during the second half.

This victory leaves the Psi Chi, the only team which has not won a game, as the Phi Taus outclassed them this year, and a lot of credit is due to Coach Christoph's basketball coaching and to the Phi Tri team. They have shown this year, and it may be said, as compared with any ordinary game. The work of the Phi Tri team was outstanding; they scored four baskets and two free throws. The Phi Psi team, however, showed only four baskets during the first few minutes, giving them a 6-1 lead, which they held until late in the second half, when the Phi Tri won the game, bringing the score to 6-5 in favor of the Phi Tri.

The Phi Tri and the Sig Eps both secured the game by making three baskets and two free throws in the last few minutes of the game.

The Phi Tri and the Sig Eps both scored the first basket of the game, and the Phi Tri came out on top, 18 to 10. The Delta Eta's, Deschamps and Williams, scored 7 and 1 points respectively.

During the second half of the game, the Delta Eta's, Deschamps and Williams, scored 7 and 1 points respectively.

During the final minutes, Ripon practically cinched the Psi Chi conference title.

Seven Point Margin
