BLUES BOW TO LAKE FOREST IN 12-0 GAME

Bad BreaksGive Illinois Team Hard Fought League Victory

Although they displayed a drive that was almost equal to that shown in the Marquette game on October 1st, the Blue and Black lost to the Lake Forest Vikings by 12-0 Saturday afternoon. The game gave the team is first defeat at Lake Forest Saturday afternoon, but the loss is being taken in stride.

Victory In First Period

Lake Forest took its victory march in the middle of the first period. Taking the ball in the Blue and Black 40-yard line, and led by Martyn's brilliant offensive play, Bob and Red called down the field and crossed the goal line in the first point about midway between the goal line and the other goal line. Lawrence gave the game 0x0, and during the game IxI, Lawrence made a comeback, but the nerves of the Blue and Black were more than started, Burkh plunged over the goal line.

ROADHOUSES OR THE HOMECOMING DANCE?

In an attempt to make the 1927 homecoming the best of its kind ever staged at Lawrence College, a group of committees has been working for weeks, lining up the main events on the program, and preparing a gala celebration for the returning alumni. The usual plea for student support has already been issued, and the usual homecoming functions are being arranged. There will be a parade, customary for such an event, a football game without which no homecoming would be complete, and a dance to climax the eventful weekend.

Although there are innovations on the program the greatest changes appear to lie in the magnitude of the various events. The parade is to be large, the preparations for the game indicate a greater attendance and floor show of school loyalty, and the dance, it is said, will also exceed the attempts of previous years.

Student support for the big parade, and the slick Fleetweek procession is assured. Student participation in activities at the football field Saturday afternoon is to be expected. But the entire homecoming program may fail by the wayside if student attendance at the homecoming dance is not forthcoming. A good showing of Lawrence Wiscassarians at any or all of the county's several roadhouses would give the school and its reputation for loyalty a serious black eye.

CHAMPIONSHIP HOPES

Get Heavy Jolt In Week End Battles

Four Teams Now Tied For Lead In Midwest Football Race

Old Mass Spectacle, all But Football Deja, received a second jolting kick as the breath, Saturday, when another of sports Bottled championship hopes over the landscape. Four big games, wherein Expansion was dumped on their respective ears, have thrown the football situation into a hopeless tangle.

In spite of the anticipated outcomes in several games, there were no upsets of any degree to either the Midwest or Wisconsin-Illinois leagues over the weekend. Friday afternoon, Cornell college tramped Ripes, 10 to 7, to go into a technical lead in the Midwest conference, and Deja fell before Kent in Wisconsin's first conference start of the league campaign, 10 to 7. Four teams, Rome, Madison, Tus, and Carlin, are on top of the heap with 1,000 per cent, while Cornell has won two games for the same average, one half of a game ahead of the pack. Lake Forest climbed into a tie with Deja and Ripes for the first position in the "Little Five" by toppling Lawrence, 12 to 6.

Upset In Big Ten

The biggest upset of the day occurred in the Big Ten, when Illinois turned the tables on Northwestern, 7 to 6. Illinois also pulled a little confidence boost from Stanford, 12 to 10, while Minnesota trimmed Ohio State, 21 to 6, and Michigan handed Iowa, 38 to 0.

The "Little Five" also spilled a little dope in either the Midwest or Wisconsin-Illinois leagues over the weekend.
