Alice Aldrich Elected Head Of W.S.G.A.

Kathryn Hubgard Selected As Vice President; Clara Schon for Secretary

Alice Aldrich, '30, Magill, Manhattan, has been chosen president of the Women's Student government association at the college. She will hold her office for one year, but is not to sit in her new position before the fall semester, as she will be on the summer roll at the University of Minnesota, winner of the Hyde Memorial oratorical contest at that university.

Mrs. Aldrich, since the beginning of her junior year, has been assistant English instructor for one hour each day in dual debates on the conscription of aliens. She conquered her hearers—as they always do.”

The freshmen debate was won by the affirmative, 5 to 1. Spanish students won the debate with 5 to 1, while the American students won with 5 to 1. The next debate will be held in the same place, in the same room, at the same time, next Monday, March 26.

Cruise College Defeated By 2-1

Margaret W. Johnson Elected President

In its first decision of the year, the Cruise collegeNegative Motors defeated west negative Motors, 2 to 1, at Cross college, Chicago, and Illinois Wesleyan University, on March 15. At Chicago, these judges gave the victory to the West college by a split decision, while the Wesleyan university gave the decision to the West college.

Margaret W. Johnson, '29, Sawyer, who succeeds Kathryn Hubgard, '29, was elected president of the organization. It was then decided to continue the same team that has been doing so for the past three years. The four qualifications for election to the team are as follows: (1) interest in the team; (2) ability to analyze and discuss the arguments of the negative team; (3) knowledge of arguments and counter-arguments; (4) quick thinking and quick action.

The selection of suitable councilors is given to another activity of the organization. The main body of the constitution has been adopted by the student convention. The four qualifications for election to the team are as follows: (1) interest in the team; (2) ability to analyze and discuss the arguments of the negative team; (3) knowledge of arguments and counter-arguments; (4) quick thinking and quick action.

The Cruise college Negative Motors will engage in vigorous debate, meeting Marquette and Cincinnati in a new series of dual debates on the conscription of aliens.

Frosh Have Clear Record For Season

Under the new plan of freshman basketball coaching that was started this year by A. C. Denney, basketball director, the Blue frosh eagers played a schedule of ten games, coming through the fall with a clean slate of ten wins. The record is started at the end of each season.

Kansha Dropped

The first game of the season was with the strong Kansha high five. Kansha, rated as one of the strongest high school teams in the state, put up a real battle in their first tilt which ended with the Blues as tops by a 15 to 6 count. In the last half, however, the "Kansha" showed their skill, and altered Biggers and ability to sell through for baskets after other efforts. The last count was 19 to 9.

The Kansha game was followed by two tilts with the leading industrial league teams of the city. In the first of these, the Freshmen found the United Paper company by a score of 21 to 15. The Fox River Paper company furnished the opposition in the best game, which followed the short contests between neighbors. Several of the teams were absent, and the game was hardy won by a score of 18 to 15. Biggers accounted for the greater part of the points in the United Paper game on the first ball, and took it in the face of a 24 to 8 count.

In the next game the Blue young-timers traveled to Oshkosh where they met the Freshmen Reds. The game started with an Oshkosh lead, but was dropped a long shot on the first play, but was all the scoring accounted for by Oshkosh in the entire half. The Blues offense was working like a charm, and the holdfast Oshkosh defense was unable to stop it. The final count was 33 to 13, and Coach Briese was given a thorough foundation in the Denney style of basketball.

Briers Elected Honorary Captain

Hayward Biggers, Ripon, Ill., king of the freshman edge squad of the new coaching personnel, was chosen honorary captain of the squad by the right assistant from Fisher night. The position is one to which no member of the Freshman squad is elected at the end of each season.

Biggers is regarded by coaches and officials as one of the strongest of freshman freshmen players developed in recent years at Lawrence. He was a constant worry to opposing guards during the entire season. Despite his being a marked man in every game he was able to work through and find the squad is scoring in most of the games.

Biggers was also chosen captain of the all-fraternity first team by Coach Briese.

Girls' Varsity Bowling Team Is Announced

The girls' varsity bowling team chosen by the W.A.A. bowling manager and the four class managers was announced at a banquet at Owosso hall Wednesday evening.

Members of the varsity team are Mildred Felker, '29, who headed 102 for the highest score of the tournament; Dorothy Krum, '31, who made 98 in a practice game, the highest score of the season; Irene Palter, '29, high scorer for her class; Katherine Ruman, '30, and Margaret Strasser, '30, both of whom headed high scores consistently all during the season as well as in the tournament.

In what was probably the best game played by Coach Briese's boys all year, the Blues fresh four stormed on by a count of 20 to 15. The Blue fresh were never to be derailed, and led at the half by a margin of 14 points. In the last game of the season the Freshmen crossed the finish before a 27 to 15 drive. Led all the attack in this game, breaking the season in a good floor performance.

The Blue team this year has been coached by Harold "Peter" Briese, former Viking leader and star. Under his coaching the bowling team was given a thorough foundation in the Denney style of basketball.
