Miss Arthurshagen Makes Securities Survey

The total number of chapters in the twenty National Fraternities and sororities is now 995, according to a survey made by Miss Etha Arthurshagen, assistant professor of Economics.

Sixteen societies have granted new chapters during the past March. 4672 in the Delta Psi Upsilon, Alpha Mu Sigma, Sigma Kappa, Delta Sigma Theta, Alpha Omicron Pi, Delta Zeta, Alpha Chi Omega, Phi Mu, Alpha Alpha Theta, Pi Omega, and Kappa Delta granted one chapter each. Zeta Tau Alpha, Alpha Omicron Pi, and Alpha Delta Phi granted two each. Pi Beta Phi and Alpha Xi Delta granted three each, and Beta Phi Epsilon granted one each.

Arthurshagen's report concludes: "The first survey to be held in a given state is probably Kappa Alpha Theta. It was not until 1901 that Alpha Phi, Phi Mu, and Sigma Kappa were founded in Wisconsin.

Miss Arthurshagen, in her report on the new chapters, says: "The Alpha Omicron Pi chapter at the University of Wisconsin was the first to be organized in Wisconsin. It was founded in 1901, and continues to be active to this day."

Miss Mabel Bowers, instructor in Economics, is the new member of the Economics department of Pratt Institute.

An innovation in the week's activities will be a performance by the Mount Olive Lutheran church, Sunday afternoon at three o'clock.
