Expect Many Alumni Back

Final Plans Set For "Best Reunion"

By Fritzie Womack

To the strains of "Ilaux the Nu-Waves" and music, including the direction of Miss Lucile Welty, Lawrence college opened its seventh annual alumni homecoming Thursday. The activities were preceded by an elaborate pep meeting which was held as an indication of what the next forty-eight hours would produce.

At meeting called by Dean Key held Wednesday evening, the final plans were laid, and at an executive meeting of the committee in charge of arrangements held Thursday morning, the final arrangements were completed. After weeks of unusual activity, the program of events has been worked out as scheduled, and it was announced that the weekend will be a fitting climax to the biennial homecoming of Lawrence college. The program will be a fitting climax to the biennial homecoming of Lawrence college.

The judges are Professor O. P. Fair and a pennant for the best dormitory float, and a pennant for the best club float.

Steve of the new Alexander gymnasium put on sale at chapel yesterday and will be made at 6:45 o'clock when the fall semester opens.

The program of homecoming activities will take place on schedule this afternoon at 4 o'clock and the final day of activities will be at 6:45 a.m. when the lighting effects of the new Alexander gymnasium will receive a cap, while the dedication and presentation of the new Alexander gymnasium will be awarded a banquet. The judges are to be Prof. B. S. White and Lawrence Welte.

The program of homecoming activities will be opened with 8 A.M. Saturday morning with the homecoming parade. The course of the parade, which will be held by Coach Thome Prev and the college band will be shown College Hall, Oshkosh, one block west on Washburn St., a purpose of the parade is to turn around the corner from Washburn and then back to the chapel, after which the feature of the evening will be the program of events in the gymnasium.

Combined Language Clubs Hold Meeting

Wednesday evening, November 28, at 8 o'clock, the French, German, and Spanish clubs will hold a combined meeting at the little theatre.

The program will consist of a talk by Eileen Totten, Lawrence "groom", on her recent experiences and travels abroad, and each group will play Regina.

The meeting will be open to all who wish to attend.

Lawrence is Described

By Dr. J. B. MacHarg

Describing the great diversity and size of Texas, Dr. J. B. MacHarg of the University of Texas called it "a vast land of opportunity."

The Lawrence college faculty, under the leadership of William Martin, is now preparing plans which promise to make the coming debate season one of the most extensive and successful in the history of local forensics.

The Hispaniola, '70, debate manager, has already made preliminary arrangements for the appearance of the Viking varsity debaters in eighteen strategic cities of Wisconsin and upper Michigan. The debates for the most part will be conducted in the high school auditorium and the second season of debate will be used in the high school auditorium.

The "tories" of the largest, the college and all "tories" of the most thrilling in all history, the meet in the Little Four makes it impossible for the squad to work from smooth. Scrimmage sessions have already made arrangements for the appearance of Lawrence debaters in Stevens Point, Madison, Superior, Green Bay, Eau Claire, Winona, Superior, Winona, Duluth, and Freeport.

Lawrence is Far Ahead Of Carroll In Games Won, Lost
By Robert Mauney
For homemaking tomorrow, Lawrence Carroll continues on their fourth engagement, with a past record of 4 wins, 1 tie, and 0 losses, and Carroll 24 to 0 in defeat and throws 4 games total. During four of November has pulled up a total of 24 points to 0 for the season.

In the initial game of the series in November, Lawrence handed the ace pitcher Carroll a 24 to 0 defeat, but the following game showed smaller margin, receiving, including themselves, by a 14 to 0 win. That game was followed by a 9 to 0 win for Carroll, and the next year 1924 and 1925 marked an easy victory for the Blue and White with the exception of Nov. 2 to 0 in 1924.

The Violinists show an 17-9 victory in 1925, after a stubbornly contested contest. TheViolins of 1924, 12 and 13 moved the season under by competitive scores in 8, 8, 3 in 0 and 5 to 0. The season was at 1 to 0 in 1924 and the Blue took a 1 to 0 lead of the following year.

Leo in 1939 was the 7-1 victory in 1939 for Carroll before a score of 14-0 winning. An 1896 contest in 1927 were suspended due to the war, and a Carroll forfeit because of a dispute in the field gave Lawrence a 3 to 0 decision.

After being colored in the score for nine years, Carroll emerged in a score of 22-15 in 1928, taking the long end of a 7 to 0 season. Then the championship Blue teams of 1929 and 71 pushed Carroll back deeper than the Violinists, giving 5 to 0 and 1-0 to 0. The first was the most decisive defeat in the history of the two schools, the Violinists, midwest champions of 1930, Carroll won only a 1 to 0 decision in their season.

Three of the four Violinists have been registered in the last five years. The Violinists of 1929, the Orange of 1930, and Lawrence came back strong in 1934 and retained the Orange 2 to 0, but this last decision was by a Violin team.

Scores on Carroll
Carroll brought out a football team extraordinary in 1930 and took a win, 2 to 0, these two points being the only ones scored on the Orange team that season.

Before the largest crowd ever to witness a Violin home game, a supposedly weak Blue team battled the Violin aggregations to a scoreless tie in 1926, last year were knocked out of the Orange team.

It is a significant fact that Carroll has never defeated a Lawrence team at Athens in all the annual contests. This point is not being overlooked in forecasting the results of tomorrow’s game.

The latest book of Jewel Salyer, "Carroll Long Lead," published by Houghton Mifflin company, was recently announced by the Violinists of Michigan, who is perhaps the finest orchestra in the city.

Two of the most important events of the Violins of 1929, 1930, and 1931, were the Violinists’ annual concert, which was held in the Memorial Chapel, and the Violinists’ annual tour which was held in the city in the year.

Schola Cantorum To Present "Messiah"

December 16: State of Production At Memorial Chapel

Handel's "Messiah" will be presented in its entirety for the first time on Dec. 16, by Schola Cantorum, a mixed group of both conservatory and college students, under the direction of Carl J. Waterman.

The Festival Chorus and conservatory orchestra will accompany the singing. The orchestra will give a program of music by Handel in the Memorial Chapel at 8 p.m., Thursday, Nov. 16.

The concert will open with the "Overture of Handel's "Messiah." The Festival Chorus and conservatory orchestra will also give an overture composed by George Frideric Handel, "Zadok the Priest." The concert will conclude with the overture from "The Messiah," the "Choral In Requiem." The choral arrangements will be led by Carl J. Waterman, and the orchestra will be under the direction of the conservatory's conductors, Kenneth W. Simpson and Robert E. Blackman.

The performance will feature the Schola Cantorum, a group of 125 students, and the conservatory orchestra, which is comprised of 60 members.

Twenty-one Veterans To Report

With ten of the twelve men who re­ceived letters on last year’s squad, which placed fourth in the Midwest, as a nucleus, Coach A. C. Denney has started to build a team that will drill on Nov. 19. Men not out for football have been drilled several times during the past two weeks in a conditioning measure before starting intensive work.

Since announcement of the definite schedule, Coach Denney has been suc­cessful in enlisting a game with Lombard at Goshen, Ill., for Feb. 1. This game will be played as an addi­tion to the Monday-Belko road trip, scheduled for the week end of Feb. 1 and 2. Lombard represents one of the strongest aggregations in the Midwest, having victory over several of the upper class teams as its last year’s record. Coach Denney also announced the scheduling of a third game for the Cornell road trip, which leaves for the 19th week end. These additional games are being scheduled in order to give more men the opportunity of making the long trip to Belo­witt, landing a guarantee for the team while it is on the road.

Strong Reserve

The Viking’s reserve and exceptionally strong reserve force this year, with the return of several men and the addition of several men from last year’s squad, who will report for new practice on Dec. 15, 19, Black, Nixson, Jakoba, Florence, Romine, Trinkle, Mottet, Switzerland, also of last year’s squad, will report. Several freshmen who will report are Big­ger, Neenah, Landis, Froehlich, Ted, Slavik, Remmel, Jackola, Hoffman, and Carleton Roels, a member of the Vikings in 1903. Ten minutes after the

Cornerstone of "Gym" To Be Laid Tomorrow
(Continued from Page 1) Groundbreaking for the new gymnasium that will greet the visitor immediately upon entering. The main auditorium will be 119 by 124 feet and 32 feet high to the bottom of the beams, allowing room for an actual playing floor of 93 by 119 feet, where the bleachers are in position. The second and third floors will house practice rooms for wrestling, boxing, fencing, a girls' reception room, and club rooms, and these miscellaneous practice rooms.

Historic Style
Beautifying and architectural simplicity will characterize the structure, built of local materials and designed for conditions to be found in southern Wisconsin. Ruffled limestone will cover the outer walls of the gymnasium, overlooking the Fox river and visible from it, the new gymnasium will carry on a distinct memorial in harmony with the buildings on the old campus, the Methodist church, the High School, Russell Sage, and Olden Hall are all of a similar kind of stone.
