Suggested a lengthy wait for the outdoor ceremony to properly start on time. The huge crowd that had gathered was all set to hear the speakers and to enjoy the entertainment. With Carroll's semi-downfall Saturday the Vikings closed their first season under Coach Rasmussen in a truly gratifying display of the type of football they can expect to produce. The team is young and has the potential to grow and develop into a strong force in the coming years. The future looks bright for the Viking football program.
Harriers Beat Marquette For State Title

Denommen End Perfect Season With Easy Victory

Lawrence harriers claimed their second consecutive state championship with a decisive win over Marquette university at Wiffle field last Saturday, 29-0. The score, which was one in a driving, Marathon, finished with a 1 yard gain over the field just before the end of the first half of the Lawrence-Carroll game. The run was a splendid run to the start of the terrible ensuing mad- dness of the field. Captain Bob of Marquette outdistanced the field and finished 25 yards ahead of his nearest competitor. The next five men to the 1s were all Lawrence men, Wolf, Meuninck and Wrest. This man completed a season which included one of the most successful Coach Dash's cross country tour ever experienced. Four excellent victors were reared up and only three men were able to finish the last half. Carroll ran rampant in five races. Two Lawrence harriers finished their last race on Saturday, Meuninck and Wrest. One man had three years of victory competition and had completed a splendid season.

Score To Be

During the course of the game, neither team was able to defeat the opposing defense at the line. Both teams had three chances to get possession of the ball within the other eleven's 25-yard line. Lawrence was able to score a score and victory in the last second of the game when a point after pass was missed and three line players advanced to Marquette's 33-yard line. A field goal was tried and failed just short of the goal line and Carroll failed twice to gain a score. The seconds were fast running to the end and St. Mitchell was called back to negate a score, 22 yards from the goal line.

Charles Dickens, a Bio-graph-er at the lover of good literature will truly mourn, for the character of a ribaldry of an ill-guided man. The boisterous inns, the liberal minglings, however. Mrs. Straus has brought Charles Dickens to select women in America. Anyone who has ever been examined will find this English villages, the grining highroads, the breezy, clever, skilfully been enamoured by the quaint English villages, the gleaming highroads, to purchase the book to learn new sidelines.
