TOWN AND GOWN ARE SEEN TOGETHER THAN THROUGH ADMINISTRATIVE ACTION.

MISS BETHURUM, has a place in college lore. She is the head of the Y.W.C.A. cabinet of the Y.W.C.A., having been selected for the position by implication. ‘See what we can do if we try,’ was the saying by implication.

They can stay for four years and get a college education, or they can stay for four years and get a law degree. Or they can stay for four years and get a law degree and a law degree in addition.

It is not necessary to go to a college or university to receive a college education.

THE TRUE WASHINGTON

Yesterday, a conversation speaker, in his brief review of the life of George Washington, brought home more strongly than ever one fact. It is the painful admission that American citizens, filled with patriotic love of country, know little or nothing of the true life and character of the one man, who more than any other, made it possible for the United States to become a great nation. And if American citizens knew but little of Washington, college students, with their latchets constantly tied to other things than the life of a man born 197 years ago, know less.

This sounds ridiculous, perhaps, but it is nevertheless true. From early American years this nation has been weaved a halo of secrecy around the head of Washington, adorning him blandly as an ideal, and making no effort to establish a sympathetic personal understanding with the "father of his country." Indeed, it is the custom to make him a saint rather than a man that makes Washington a popular hero only. Only in recent years has the effort to recreate the true Washington, and it is one of the tragedies of America that of the man to whom we owe most and about whom there is innumerable material, we have few "idi­cent" biographies. It is the patriotic duty of every college student to make an effort to know something of the true Washington so that really have a clear conception of what his country actually stands for, Inefficiency strikes at the core of our national

THE DEBT LOVED

Last night Lawrence women, assembled at an annual banquet, did honor to four of their number whom they had selected from the Senior class as the best loved. Next to the selection of May Queen the selection of as one of the best loved girls is one of the highest honors a woman can receive while in the campus. Election to honorary societies is based on recognized ability along technical lines, but as such are earned, but to be chosen as one of the best loved by her classmates and associates is a recognition of a woman, not for her intellectual or extra-curricular ability, but for herself as a trusted and admired friend. It is indeed an honor to be so anointed by a majority of the campus girls. The four girls so honored last night were not the only ones who were eligible for the honor, but for all around wholesomeness of character, service, and ability the four so selected are satisfactory specimens of the high type of Lawrence women.

The Lawrentian has devoted more space and attention to this event than has been accorded it in several years, it being felt that the attention was deserved. Such an honor is a singular one, and in keeping with its policy of fostering greater loyalty to Lawrence traditions, the Lawrentian is endeavoring to ridicule the election of the four best loved girls and the campus banquet in a place higher than it has held before. It is to be hoped that future editors will hold it there.

BULLETIN BOARD IS Erected In "Gym"

Coach A. C. Duney has erected in Alexander gymnasium a huge bulletin board, which will contain information, news items, and announcements concerning various sports on the campus.

Headings on the board include baseball, football, tennis, track and general sports. The purpose of the board is to enable all announcements and information to avoid necessity of having students enter the gymnasium every time they are in doubt about some sports event.

**Short Sport Spasms**

This is just too much. One long lost dreamshares than recapitulated from a severe ankle sprain with a high heart that forced him out of practice Tuesday afternoon.

To sum, loyal Lawrence. Good work in basketball these from the first which has permitted them for several weeks.

When we asked Coach Denney who he thought would start in the Oshkosh meet last Friday in a four and five meet which was considered unofficial o'clock.

George Schlagenhauf, '28, St. Croix Valley, in the first round of the Chicago Tribune Golden Gloves boxing tournament here tonight. Ellis opened the first round with a 9-1 win. The score at the end of the first round was 1-1, while the score at the end of the second round was 2-1, after the half of the bout, and in the final period they exchanged blows and punches.

Kermit Clark, also '29, finished second and one third place.

The delinquent collectible, who hails from Amana, stepped into an offensive role with the sound of the opening gong and never lost his advantage. Judge accredited him as a heavy favorite to show in the finals. Joe will have to win "two matches Friday night to make his way to the championship bout."

There have been streaks of touch back and forth in school, but these have been small enough to make up the different records as has been seen here during the past few weeks.

**To Hold Meet In "Y" Pool**

Vikings Seek Revenge On Crackers

Lawrence college swimming team, under the direction of Coach Joe Trebilcock, will make its first home appearance from Friday night in the "Y" pool.

The meet will be held at 7 p.m. Friday at the "Y" pool, the water of which will be conditioned and heated. No meets have been held here during the season.

**Loose Ends**

Again the weekend has flown by. Men have been out in quantity, but some have not been able to get the work done. Most of those who were out did not have a lot of free time.

Things have been quiet lately. Elevens have been trimmed down to the minimum, and the home gymnasium is empty. There are about 10 programs scheduled for the coming week, but none are of any importance.

The Phi Taus and Phi Kaps clashed in one of the closest games seen in Lawrence history, the former accounting for the loss of the Phi Kaps, tying the latter for second place honors. The Sig Eps and Psi Chias also win in a tie for second place honors. The Delta Sigs walked off with the laurels in a tie for second place honors. The winning team was the Sig Eps, who took the meet in a tie for second place honors.

Chicago, February 29—(Special)—Ellis K. Jones, Lawrence college boxing, substituted for an easy six and three against Bobby of Berkeley in the second and one third place. As a result of the Greek boxing games on Saturday, the Phi Taus are still with a perfect record, while the D.L.'s, Big Eps, and Phi Chis are in a tie for second place honors. The Theta Phi Keglers are following these teams with a split for victory and leadership.

The "Hallmark Self-Instructor" is a marvel. I have bought other books, but this one is the best I have ever seen. In fact, I have not seen anything comparable.

If you are one of the students who has never been able to locate the five, I am sure you will be surprised. This book has been written for college men both east and west, and is a new one. It has been written by me, and is a great work.
Ernestine Johnson, '30, engineer, from the staff of Dunn Clark & Purcell, will be present at an indi-
vidual send-off on Monday evening, Feb. 29, at 8:30 o'clock.

This is Miss Johnson's year on the campus, and since her matricu-
lation at the conservatory in the fall of 1929 she has been a promising fi-
gure in campus music circles and her career has been marked by increasing musical suc-
cess. During the current year she has appeared as soloist with the 10th Field Artillery band, and she has been in demand both as a soloist and in dual combinations with men's service clubs, and private ban-
quets and dinners are Appleton and adj-
acent cities. Her training has been com-
pleted under Carl Z. Wasmuth, dean of the conservatory.

She will present an interesting and varied program including French, German, Italian, and English groups. Everett Roadhouse, '29, will assist at the piano. Miss Johnson is affiliated with the local chapter of Sigma Alpha Eta.

Maesch Will Play Twilight Recital

Second Series of Appleton Service Held This Afternoon

LaVahn Maesch, organist, will play the twilight organ recital at the Uni-
versity, this afternoon. It will be the second number of the series of recitals. Maesch will present the following pro-
gram:

1. Concert Overture in F by Saint-Saens
2. In Moonlight by Kinder, Prelude by Halvamann, Oppenheim by Ga-
stens, Toccatina by Merone
3. Impromptu by Schumann, Theme by Bach, Theme by Beethoven, 
Dance of the Candy Fairy and Afternoon Song by Robert Pearsall
4. Marseillaise, Schirachs

Professor Francis will play the organ for the services on March 1, and Chris Bierman will present a program in April. The last number of the series will be given by a trio composed of Perry Pulllau, violin, Joe Elvehjem, tuba, and LaVahn Maesch, organ.

Recital Made Musical Evening for Students

An interesting recital, which showed keen musical intelligence and dis-
cipline, was presented by Miss Ellin, '30, from the studio of Missers. Carl Z. Wasmuth and Robert Boellman, at convocation Wednesday.

The program consisted of songs from Handel, Mozart, Schubert, Schumann, and other great masters. Miss Ellin's voice is rich and full-bodied and her control is remarkable. She has a natural gift for interpretation and her recital was received with enthusiasm by the audience.
