"DOMINO DOTS"

"DOMINO DOTS" FOR THE SALE OF MANUFACTURED GOODS?
The Shakespearean production, staged in concert form, was an artistic triumph. From its opening, when the Betas started with a whirl when the Betas started with a whirl, the performance was a delight. The costumes were rich, the acting was superb, and the overall presentation maintained at a high level of excellence through the entire production.

Much of the success of the production was due to the coordination of the cast and crew, who worked tirelessly throughout the performance. The opening scene, with its magical transformation, set the tone for the remainder of the show. The music, provided by Hank Johnston's orchestra and chaperones, added to the atmosphere, with music by Mrs. W. L. Clausen. The Delta Sigmas were unable to overtake the Delta Sigs, who scored a strong lead, and the entertainment was maintained throughout the performance.

The Delta Sigs opened their season with "Charley's Aunt," which was well-received. The cast and crew worked hard to bring this classic play to life, and the result was a successful production. The Delta Sigs were joined by the Delta Chi, who also performed, adding to the overall success of the evening.

The production was dedicated to the memory of MARUERITZ, who passed away during the performance. The Delta Sigs expressed their gratitude to MARUERITZ for his contributions to the performing arts.

The final moments of the show were marked by a touching moment when the Delta Sigs presented a bouquet of flowers to the Delta Chi, symbolizing the spirit of camaraderie and support that exists within the fraternity community.
