VOI. LVII, NO. 7
LAWRENCE COLLEGE,
APPLETON

DEDICATION OF NEW BUILDING
SET FOR NOV. 4

GIFT TO BE USED FOR LANDSCAPING
By Dr. William J. Collins, Chairman

Joint announcement of an additional $10,000 gift from Louis Miller Alexander, the brother of the late Dr. William J. Collins, for the purchase of staff furniture and fixtures, to be used in laying out the grounds at the new Alexander gymnasium, and the chore of the late Dr. H. E. Johnston, in student convocation on Wednesday, October 28, 1929. This $1000 gift from Mr. Alexander, trustee of the college since 1914, has been issued as the final installment of a series of gifts, the first of which was in 1921, in the amount of $10,000. The total cost of the new gymnasium, which will be in the middle west, is estimated at $250,000, of which cost $50,000 will be raised by the gift program.

The work of landscaping and fountain construction will be the responsibility of Mr. Ely, the official of Ely, Buckhead, Chicago landscape architect. A feature of the work is the continuation of the drive from Johnston Hall, a continuation of the drive, forming a junction with a wide sidewalk from the rear of the new building. It is estimated that this approach will cut the distance from main campus by half a mile.

Brown's Gymnasium, which is the existing building, will be razed at the corner of South St., front for a wide semi-circle, and then extended, as designed, as the main entrance to the new building. The work on the grass grounds will also include the moving a new quadrangle.

Eaton Halls, a new key being inserted about 20 feet distant from the east wall of the building.

The new building will be a key new project.

Cannon President

Rex Cannon, '21, was elected president of Blue Key, the national secret fraternity, at a meeting held at the Theta Phi fraternity house Wednesday night. He succeeds Jerry Gal- \nch, '20, last year's vice-president. Niskar was acting in the place of William Heisman, '20, who did not return to school in the fall.

The service organization passed a resolution calling for a meeting of the Student senate in sponsoring the New Democracy movement on campus. The meeting will be held in a few weeks, according to past-president Shackle.

Cannon, '21, was chosen secretary, to succeed Cannon.

Sunset Selects Five
For Technical Staff

Selection of five students for the finest players on the team, which is concerned with the technical features of play production, was made by student convocation Wednesday by Jack Wilkins, '21, president of the team.

Charles Passmore, '18, Chicago, will represent the Beta Sigma Phi fraternity house.

Alexander gymnast will be a beautiful standing tribute to the man, whose name is it, and the students. After making it possible for Lawrence college to build one of the finest gymnasiums in the country. Now, thinking about one half of the total cost of the structure, he has again come forward and offered an additional ten thousand dollars, which will be used in laying out the grounds.

The latest gift to the gymnasium fund raises Mr. Alexander's total donation to $195,000, which is an enormous amount of money for any one person to give away. Any college man can realize that. But, only a Lawrence man can realize what this gymnasium will mean to the college, to himself, and to his friends.

Pep Meeting Tonight
There will be a football pep meeting for the Northwestern game in the chapel tonight.

This announcement should prove satisfactory to the majority of the student body. We wanted pep meetings and now we are going to get them—every Friday night. Friday night is a better time for pep meetings than Friday morning, anyway.

It is hoped that all those who were given over to criticism last week, because of the lack of a pep meeting before the Marquette game, will come tonight and support the students. The people are asked not to use the gymnasium, the finest in the country, for social purposes.

Dr. Wriston Explains First Fencing Drills
To Begin Monday
The first fencing practice for girls will be held next Monday at 7:30 P.M. in the gymnasium, with Helen Ziegel as the instructor.

Mrs. Mills, instructor in physical education, announced Wednesday that supplements may take fencing for credit this year, and report for two practices a week. Those who wish to sell their services will know by Monday, Ziegel.

Newman Club To Meet Next Sunday
The first general social meeting of the Newman club, Catholic student association, will be held Sunday at 4:30 p.m. in the Catholic Home located at 200 W. Washington street. Lunch and entertainment are scheduled. This is the second meeting of the organization this year, a reception for freshmen having been given on September 14. Meetings will be held biweekly every second Sunday.

Vernon Hall, 22-year-old, spent the week end at the Phi Kappa Tau fraternity house.

THE LAWRENTIAN PLATFORM
1. Greater expression of student loyalty to institutions and traditions of the college.
2. Fair and impartial presentation of news and opinions relating to campus problems and activities.
3. The construction of a more dignified plan of opening the fraternity "rushing" season.

Big Four Freshman Material Is Promising

Frid ay, Oct ober 11, 1929
THE LAWRENTIAN

More than 100 Yearlings Out for Practice

- Former High School Stars Work with Big Four Laugh Squad

Fresh from high school grid tri­umphs, more than 100 promising all­stars are providing football instruction from Big Four freshmen football coaches. The freshmen, under the tutelage of their former grid coaches, are providing years of valuable practice to that portion of the Lawrentian footballers who are too young to practice against the varsity squad. A game of 10 on 10 against the coaches will be the order of the afternoon.

In Big Four ranks, the freshman stars are grouped as follows:

0

Fresh from high school grid triumphs, two of the most promising all-stars are providing early practice material for the Big Four freshmen. The two former grid stars are:

- Former Notre Dame star is the freshman coach. Prominent in Elgin, basketball, and baseball, the former player has been a valuable scoring touch against the varsity squad. The freshman fullback, who is expected to take the torch of backfield leadership, is also expected to be a valuable man on the varsity squad.

- Former Wisconsin high school star is also being used in practice. The former star is expected to be a valuable addition to the varsity squad.

- Former East Chicago star is also being used in practice. The former star is expected to be a valuable addition to the varsity squad.

Greek Teams In Tennis Tournament

D. L. Delta Sigma and Phi Tau Take First Matches in Fraternity Contest

Intercollegiate tennis athletes got away to an early start Monday with six Greek teams meeting tennis courts. The Delta Sigma cleaned with the Betcs, the D. L. 1's were up­poled by the Phi Chi's, and the Phi Tau cleaned with the Thirta Plin.

The Delta Sigma pair, Colbert and Nolt, carried honor to the bacon after taking two close sets, 6-4 and 7-5, from Rubon and Hand. The D. L. Phi Chi set-up was even more closely contested. The D. L. 1's carried the set a total of 8-6 and 8-1, with the Phi Chi's coming out on top.

The biggest story of the afternoon was the Phi Tau victory over last year's champion, the Theta Plin. With Bank's service and Hall's consistent return, the Theta Plin managed to take straight sets, 7-5 and 6-3, from Strange and Tans of Theta Plin. At no time, however, was the Theta Plin team out of the game.

Frosh Girls Have Only Complete Hockey Team

With the hockey tournament only a little more than two weeks away, the frosh girls are practicing regularly, is the only class to have a full team so far. Since a new W. A. A. ruling places a class in participating in a tournament without a complete team, it is possible that the freshmen may be able to take part. Including today's practice, there are 11 more practices periods before match play begins.

"It is all right for you to 'take your time', but be careful that you are not taking the game seriously, which may be worth something."
-C. O.
Fifty-Five Men Are Selected For Preliminary Glee Club Ensemble

Tryouts for the Lawrence men's glee club have been completed and the preliminary membership, composed of 55 men, began rehearsals on Wednesday afternoon, at the conservatory. Dean Carl J. Waterman, director of the group, announced that eliminations will be made from certain sections before definite organization can be carried out.

This group has been selected from nearly 100 candidates who tried out with Dean Waterman last week. The ensemble will take part in the concerts to be given by the Schola Cantorum during this season and will make the annual tour of the Chis which will take place in the spring. The itinerary includes the larger cities of central and southern Wisconsin and Illinois, where concerts are given. A manager for the organization has not yet been selected.

Dean Waterman At Stevens Point Meeting

Dr. Carl J. Waterman, dean of the Lawrence conservatory, is attending the Central District Convention of the State Teachers Association which is being held at Stevens Point today. This morning he directed the choir of the organization, and this afternoon he will be the speaker at the music section.
