The frosh track squad was overcome by the pressure of events in their efforts Saturday to repeal the Hughes High school hash-cake, and the final count of 77 and 46 left the Viking2ings on the mat in their first meet of the season. The whole team was out to show off their capabilities and the frosh track squads proved themselves more than satisfied with the performance of the victory team.

Kotal Sends Candidates Into Field

Lawrence, Kansas, Saturday, April 25

Eichmeyer of Lawrence was made high point man of the meet with 15 points to his credit. Longhorns, the second team, scored second honors in point ranking; and Romanoff from Belvedere of Shawano for third place, each coming through with two long jumps.

In commenting on the outcome Saturday's meet, Coach A. C. Romanoff, said, "This spring's frosh squad is the best we have had in the last two or three years. The men look well on the track, and the distance and field events are strong. The team was only an indication of the squad's strength, and the real test will come next Saturday when they compete with the varsity team.""

Kotal, coach of the Grays, talked with much enthusiasm about his team and the meet. "I was very much pleased," said Coach Eddie Kotal, "especially because the team showed good knowledge of fundamentals and played the way which Coach Romanoff has taught them in the last two years."

When questioned whether he thought the team would be ready to handle Magnesiana one week and a half after school starts in the fall, he explained that it was too early as yet to make any predictions because every thing depends on how things go in the next few weeks. "But, the spirit, the desire, the will, the pride that the boys put into spring practice will carry us to the end and it is carried out in our full training. I hope to have a winning ball club on the field. "Another thing which impressed me very much, replied Eddie, "was the way that both backfields fought through the line.""

Coach Romanoff smiled and said, "Wait until next year."

"There were some real flashes of football in that game—each team showed some real blocking, tackling and running, but at other times it was just another football game," Eddie said.
