In one of the most exciting track meets ever staged between two Big Four colleges, Lawrence turned out Couching Doffing's crimson bears, 70.3 to 60.2 in a heap of the Viking men and the apparently well-balanced squad.

While the Vikings were taking the measures of the redman, Carroll, running-up to the Denneymen the last two years in the annual Big Four track meet, soundly trounced Beloit 90 to 48. Carroll, this season, is looking for one of the strongest track and field teams in years.

The Pioneer choughled up sports in the broad jump and 440 yard dash as well as winning first in the 100 yard dash, but the 230 yard high hurdles and the half mile run.

Two good javelin throwers were brought to the fore Saturday in Cunkowski and Lawrence and a result of their efforts in their respective events, Lawrence put off the better bear lions with a distance of 131 ft., while the Lawrence athlete tossed the wood 171 to win over Beloit, Big Four and Midwest records.

And now for a look at the tenismen. The Lawrence racketeers marked up a 6 to 2 win over Oshkosh State Teachers. An enthusiastic band of students watched the matches, which were played on the campus courts, and were rewarded by having a forehand line of play. Coach Clipper's men will be busy from now until June in one of the heaviest courts, and were rewarded by seeing the broad jump and 440 yard dash as well as winning first in the 100 yard dash, but the 230 yard high hurdles and the half mile run.

**Lawrence Tennis Team Takes Oshkosh By 6 To 2 Count**

By Hollese Roberts

The Lawrence tennis team celebrated its initial appearance of the season Thursday afternoon by scoring a decisive victory over the tenis team of the Oshkosh State Teachers College. The matches were played on the local courts in the morning and afternoon before a fair sized throng of the supporters of the blue and white. In the eight matches played, made up of six singles and two doubles, the Vikings emerged victorious in six. One doubles match and one singles match was lost by the locals. In their victories, the locals showed complete superiority over their opponents, whereas the games lost were by narrow margins.

In the singles, Barnes, after a shaky start, took the measure of McCutcheon, 8-5 and 6-4. Barnes' victory served, coupled with his superior returns were too much for his Oshkosh opponent. Three matches were necessary to decide the battle between Strange and Johnson, with the former finally coming out on top. The scores were 6-2, 5-7, and 7-5. Pleasant suffered a defeat at the hands of Robinson. Robinson piled up his margin of victory with a match score of 6-2, 7-5. While Pleasant was falling behind, Robinson, Parker was taking a victory one set at a time, coupled with the inability of the 7000 crowd to return the ball with consistency, earned for the local players.

Klauser had little difficulty in disposing of Cort 6-4 and 6-4. Parker and Klauser were creating the count at the same time on another court, however, and therefore were defeating Eberhardt and Braden. The final counts in this engagement were 6-2 and 6-2.

Eberhardt and Klauser comprised the committee in charge of the arrangements for the tournament, and through their efforts 17 members of the Lawrence club were able to compete in the Wisconsin tourney.

Next Sunday, the club goes to Chilton to meet the club there in another need play match.

**Lawrence Wise ‘Fools’ To Have Wisdom Tested In Series Of Exams This Week**

Sophomore, derived from the Greek sophos, meaning wise, and means, meaning foolish. And this week Lawyer's estimable “who fools” are to have their wisdom tested, and perhaps their foolishness extracted, in a series of Carnegie examinations covering everything a sophomor is expected to know at his stage of advancement in an educational process.

What foolishness has not been pumped out of these during the last two months of campus capers will probably be paddled, for are they soon to become members of that incomparable junior class, initiate me to the goal of senior superiority? And like any fretful child, they have to be coaxed into submitting themselves to the mental surgical operation by promises of a reward for gentlemanly and ladylike behavior.

Exception from final examinations was the only thing that tickled their greyish gray. To many it is sufficient. To others it is useless, and to a few it is only halfway measure at best.

Mr. and Mrs. E. C. Schauer of Neenah attended the music festival.
