The 1932 Ariel was distributed Friday with the usual exalted rush for first copies. Each year sees the line form to the right when the yearbook is issued, and each year there are formed those little clusters of students around the fortunate person who has been among the first to reserve his book. Exclamations as this and that to be effective or whether they regard it as merely a collection of honorary positions for rival social groups to contend for may be short-lived talks.

The financial report of the alumni housekeeping corporation, read at the banquet, showed the mortgages on the local chapter house have been cleared up and Sigma Phi Epsilon is the first fraternity on the Lawrence campus to own its home in toto.

Coats

One of the sportiest little coats we have ever seen. Yet, it can be worn to a decided advantage by every young woman. The wide COACHMAN collar...the double breasted effect...the belt with an attractive buckle, and new raglan sleeves are the outstanding details. Two clever pockets set on a jaunty angle. The lining is of a fine silk crepe, in the new EGGSHLL color. Sizes 14 to 20. Fashionables have accorded this style an overwhelming welcome.

You'll like them very much at $16.50.
Friday afternoon, to inaugurate the relaying array of four triumphs. Just before the Lawrence schedule.

Led in scoring by Bud Marston, who showed his hands to the field in the hurdles, the high jump, and the broad jump, the Vikings got off to a lead that the Tutors could not quite overcome, and the最后 one in the line widened the Blue and White margin to 38 points.

Paul Fischl started Denney's hopes on the road to victory when he steamed ahead of Eichmeyer of Lawrence and won the 100-yard dash in 10.6, and returned a short time later in the 220 to Eichmeyer and Fitzgerald to the tape with a narrow margin. Marston's showing in the distance events gives promise of finishing on top.

The Greek baseball schedule for the coming week. This year's golf for Lawrence's Four Championship squad, and, as the results indicate, has shown considerable improvement in the last week. This year's golf for Lawrence's squad will constitute in the final which are to be held at the Green Lake Golf Course, May 23, 1931. Should Lawrence win there, it will quite possibly win and carry the spirit of victory to the Big Four Conference.

WILLIAM G. KELLER, O. D.

A veteran Lawrence athlete had returned to the Alma Mater. He was shown about the campus and taken to the Alumni Gymnasium.

"Swell place, isn't it?" he said, looking around for the different places, an old team mate, perhaps.

"Hello, Bill," he said, and motioned to the supply window.

"Hello," Bill answered, and turned to the supply window.
