DEBATERS WILL ENTER SPEECH TOURNAMENT

LAWRENCE COLLEGE, APPLETON, WISCONSIN

LAWRENCE WILL BE HOST AT DELTA SIGMA PHI CONTEST

March 24, 35

Lawrence debaters are preparing for the Delta Sigma Phi speech tournament to be held at Madison on Friday and Saturday, March 24 and 25.

The contest is under the auspices of Delta Sigma Phi, a nationwide organization. Lawrence is a special guest at the initiation of the other schools in the tournament. The teams entered are from the following schools: Lawrence, the college participating here, and the four other schools that make up the Delta Sigma Phi fraternity in the United States.

The tournament is divided into three parts: the preliminary round, a speech and a debate. The public discussion is a change from last year's program and is to take the place of the extracurricular public speaking competition. The tournament consists of three parts, and each member discussing the question is chosen by lot. The rating of the contestants will be chosen, regardless of the ratings of those in the preliminary round. The tournament is to be held at the Little Theatre Tuesday evening.

Last week's program and is to take the place of the extemporaneous speaking contest. The winners will not be the various teams, since the three best speakers will be chosen, regardless of the ratings of their colleagues.

The after dinner speech program will conclude with a discussion of the plans for the future. Our participant from each school will be selected in this competition to speak on whatever subject may be chosen. Each of the debate teams will debate three times, and although a decision will be given for each debate, no championship will be decided.

The question for the debates will be, "Resolved that all banking laws should be regulated by the federal government." The debate teams are as follows: Lawrence versus the University of Wisconsin, North Dakota, Iowa State Teachers' College, Marquette University, University of Chicago, and University of Notre Dame.

The name of the students participating in the competition will be announced within a few days.

MacHarg In Radio Speech

RELATION CONDICES NOTED IN TRIP TAKEN THROUGH GERMANY

LAWRENCE COLLEGE, APPLETON, WISCONSIN

"First of all, we followed the advice of the good-guy荪, 'Eagles, First,' explained Dr. John B. MacHarg at the beginning of his radio talk Wednesday evening. "The eagles, First, are the biggest that have ever been.

The MacHarg speech was made on a trip taken through Germany in the last few months traveling through America and Europe. After hearing a speech or two or three months reading about the country, MacHarg exclaimed, "It seems to me to have a look at the country, we are in the midst of the German language and culture."

The MacHarg speech was the last in a series of two or three months traveling through America and Europe.

In discussing the condition of the country, the speaker said that it has been very little of the program made, during the recent months, a history of Germany, its fitting, German, and other modern problems of the world. "The old Germany no more, as far as exteriors are concerned, is the same," stated Dr. MacHarg.

The speaker continued to tell of the present condition in Germany and the friendly attitude of the inhabitants toward Americans as in contrast to their hatred of the French people. He also made mention of the present situation in the political conditions. In conclusion, Dr. MacHarg explained that the people of Lawrence are the first of all, we followed the advice of the French nation. He also summed other modern improvements in the rest made, during the last 20 years, in building Lawrence and Marquette colleges.

one levies the criticism that Lawrence students are not enthusiastic about their college or that they are somewhat oblivious to its educational advantages that Lawrence offers. In the words of Dr. Renney, there are no somber or yearly grading systems. At the end of three or four weeks of study, the student takes one week exams of about 30 hours, and his grade in it is his best grade for his entire mark. Half bands of various colors instead of athletic letters were awarded for proficiency in various activities. Also, if a student wishes to take a gift or present for his college, he can announce his coming by placing a box with the distinctive Lawrence signs, very different from present American customs.
