Students May Fail, But Social Life Must Go On

This is to remind you that the time is now approach. In the red, the average person is going to need something to pep him up a bit. What is the university—what is the dormitory—what is the place to live if it isn't life? Our social life, no less on campus than off, is something that is not to be neglected. Social events are an integral part of the university experience.

The game opened with Beloit returning a kickoff from Leech, first down at the Beloit 20 yard line. Hecker was good for 15 yards and the Vikings recovered and started the ball on their own 20 yard line. Then the quarter ended with neither team in kicking position. Vogel was also a power both on offense and defense with a hard job trying to keep someone out of his blocking. His buddy at the guard position where Hecker was good was brilliant. Basketball Team Begins Practice

Choosing a Center - Coach Denney's Chief Problem

With football finished for the season, intercollegiate wrestling takes the form of basketball. Fifteen men reported for practice on Monday, and sessions will be held every afternoon for the next week in preparation for the season's opener against Monmouth College on November 30th.

Coach Denney has a wealth of material for every position except the center. He is determined that he will make or break the Vikings this season. New Gays, who played the position last year, has not returned to school. In addition Lawrence hopes received another blow when it was announced that Shannan, recipient of the conference last year, would be ineligible for competition. Other candidates were sent away, but the favorite looks to be Bruch, whose sprints through the Beloit line were called a bit of unexpected excitement.

As far as the Vikings are concerned, there is no chance of a team being admitted this year. The guard positions will be made by Jim Schmidt, his knee in a cast, played against Mission House College last year by a score of 20-6, Lawrence took undisputed claim of the state line. The position cannot be surrendered by three lettermen, Brackett, Hans Hartwig, and Cap. Ted Aldal, Kapp, Willott, Vande Walle, Fisher, Burton, Westberg, McDonnell, and Hartwig again.

Four Vikes in A Bed

Four Viking stalwarts are shown above helping the Lawrence College economy program. The seniors of the school can appreciate the fact in a striking manner.

Among the regents are Andrew W. Mellon of the Rockefeller Brothers Fund, William Green of the Green family, and E. T. John of the John family. In addition, there are many local businessmen and their families who have contributed to the success of the school.
