Fellows! Here Is Advice on That Age-Old Dating Problem

Now don't profess to be a "Miss Grigee" but as quite a few male members of the Lawrentian student body have come to me for advice, I thought I'd open an letter to all. The boys seem to be confounded by an age-old problem. Guess, many, the usual complaint being: "If we ask a girl for a date, she is positive that we'll be turned down. If we ask her a good three weeks ahead of time, she turns us with an airy, "but that is so far ahead of time." The latter really seems to hurt the boys, how I think you girls could help them. Oh, I realize you have your reasons because if she puts you off like that, you probably don't want to ask her and you might as well go on down your list and try someone else. You may be sure I'm not just crying for that certain one" to ask her and that if she accepts you out of sheer desperation, she'll be straining her neck all evening trying to get a glimpse of him or hers yet that "dream girl" would ask her after she met the date with you, and she'd have the whole moon around for the three weeks following. So much for that.

Well, I'm sure that not all of you have been raised from the group and a general discussion will be held on the books which have been given to the group by the Carnegie Foundation. All students are invited to attend the meeting which will be held at 9:30 in room 18 Main hall.

Students Welcome the Newly Renovated Orthophonic at Union

Many students were happily surprised today as they walked into the Union and discovered that the old orthophonic had been replaced by a brand new one. This change was part of the Union's recent renovation, and it is hoped that it will bring about more favorable comment from the student body.

The new orthophonic is state-of-the-art technology, offering a clearer and more dynamic listening experience for the students. It is equipped with the latest in audio equipment, ensuring that every student can hear the music being played with clarity and precision.

The renovation of the Union has been a long and difficult process, but the results are now here for all to see. The new orthophonic is just one of the many improvements that have been made to the Union, and it is hoped that these changes will contribute to a more enjoyable and productive student environment.

The Union's management team would like to express their gratitude to all those who have helped make this renovation possible. Their hard work and dedication have been instrumental in creating a space that is both functional and inviting.

The Union is open to all students, and we encourage you to come and experience the difference for yourself. We are confident that you will be as satisfied with the results of this renovation as we are.

The library is a great resource for those interested in exploring the world of music and art, and we encourage all students to visit and take advantage of its offerings.

Viking Cagers Lose to Wabash and Depauw

Indiana Team Takes Early Lead to Capture First Game of Year

Depauw experienced little trouble in turning back a husky Lawrence college quintet, 30 to 25, in the initial game of the season for both schools Saturday night. Depauw took a commanding lead of 22 to 9 in the first half and was never in danger.

Faced by Dan Jones, last year's sophomore sensation, with 12 points, Czech clinched notion because he had the ball run to his team with his high scoring effort. Czechs assigned two baskets for second place honors.

The splendid work of Jones was equaled by sophomore Dick Miller, opening Lawrence forward, who also tallied 12 points on five baskets and two free throws. The game featured a fast break with both teams getting plenty of shots. Depauw had 20 baskets in 25 tries. Tiger fast shooting was also good. Depauw ended 9 of 14 while Lawrence made good only 5 of 15.

The box score:

**Depauw**

- Bill Crossett: 10 points, 6 baskets, 4 free throws, 8 rebounds, 6 assists

Lawrence Loses Close Encounter in Closing Minutes of Last Half

The Wabash college little Giants handed the Lawrence Vikings their second defeat of the Indiana invasion by a 36 to 34 count Monday evening. The Little Giants trailed at the half, 16 to 14. The first half was slow with both teams playing tamped ball.

Ingram started the scoring with a shot from the side and Miller Harvey hit for Lawrence, the Searle put in a 7 to 3 lead on baskets, by Greve and Meyer and Kel- ley's free throw, Miller drove down the floor twice to put Law rence's only a point behind. From then on the two teams swapped baskets with Lawrence getting a 3 to 2 lead on another of the baskets by Harvey. The Law rence margin was equalled by sophomore Dick Miller, with free throws by Miller and Fieweger. Montgomery hit for the Giants 8 to 7 lead at the half.

Lawrence went out in front, 15 to 19, as Frederickson after Grae had made a free throw when fouled by Harvey, Keller and Fieweger, feuded up—plus and Greve and Frederickson behind the law, the Lolling brothers up from the side to make it 22 to 21 in the Viking's favor.

Coach’s Corner

We fully had a marvelous showing into Indiana last weekend and we played some pretty ball too. We didn’t expect to win down there, we only expected to have a chance for a steal. We played tough against some veteran teams where the visitors couldn’t capitalize on free tosses, and we were given a couple of hundred points against the Delts but couldn’t come through. Perhaps we were a little too much for our own good. Dick Miller came through in a real big hit and tossed in 10 points. We had a bit in our favor. Our players worked together long enough to keep the Delts under the roof. The Delts will meet the Phi Delts and the Phi Taus after the first fifteen minutes. Dick Miller came through in great style to offset a late Scott Field rally. Crossett, Fieweger and Krohn proved to be a winning combination for the Phi Delts. Two games were played in the interfraternity volleyball league on Saturday bringing the total up to 26. The Sig Eps drew a bye and Carman proved to be a winner against the Phi Taus. The winners had a definite
superiority in height and this is all that the Betas couldn’t cope with the height of Patten and the superiorit y in height and this is all that the Betas couldn’t cope with the height of Patten and the quality of their players. The Sig Eps proved to be outpointed by a taller team and the Betas also could be outpointed by a taller team.

It was Lawrence defense flung the Illinois boys to take none too long, hurried shots and the visitors couldn’t capitalize on free tosses which probably cost them the game.
