**Vikes Defeat Iowa Cagers In Close Game**

**Miller Leads Scoring With 17 Points; Howard Tails 13 for Cornell**

Saturday the tenth, a strong visi-

*ing Cornell team was held down by a tough defensive effort on the part of the Vikes. Cornell led off with a 6-1 lead through shooting of Bob Bailey and Dewey Howard. Score was tied at 15, late in the game when Cornell forward Dick Miller put five baskets to put up a 30 to 28 lead which was lost on three successive Cornell baskets. War-

*ren Bohn made a short two-

hand shot to tie the score at 30, and Crosett’s free throw and Miller’s fourth basket at the close of the half kept pace with Howard to end the half at 38-30 deadlock.

Four baskets apiece by Fredrich-

son and Miller and two free throws accounted for Lawrence’s second half scoring, three of Fredrich’s long swingers. A free throw by Miller at the four minute mark put the Vik-

*ngs ahead 31 to 28 and they were never tied or headed. Trailing 24-17 late in the game, a Cornell rally—Dick Miller (10), high scoring Vike forward, is here shown about to tussle with Dwayne Howard (12), lanky Cornell center, for a rebound under a regulation play.
Monmouth Is Leading Team In Conference Grinnell, Lawrence, Beloit Close on Heels Of Midwest Leaders

Score of 50 to 48. Knox upset Coe Monday.

Manmouth Scots arc on top as the eight leading team in the Midwest conference basketball race is concerned. The Monmouth team consists of Warren Buesing, Fredrickson and Harvey at the forwards, Fieweger at the center spot, and the rest of the traveling guards. The rest of the traveling guards. The rest of the traveling guards.

The scrimmage was conducted with two offenses and several of the Lawrence players collecting five and six fouls each. However, the scrimmage wasn't conducted like a game. Instead the players were divided into two squads, one team in street clothes and the other team in game clothes. Since many of the game players are away from home, the scrimmage was held in the school gymnasium.

Barham's boys are now channeling all their energies into the upcoming conference encounter.
Vikas Invade North Teams Last Weekend

These Games are Final Contests for First Semester

The Lawrence college basketball season closed Friday at St. Paul where it remained overnight before moving on to Normal, Ill., Saturday and its final game of the first semester against Illinois. The Vikings, one of the favored teams in the wild Midwest conference race, have been winning but have not looked as good recently as expected, a situation that Coach A. C. Denney attributes to interruptions caused by efforts on the part of several of the boys to make military arrangements.

Four members of the first team have been missing practices as they have been away enlisting in the national reserve. Don Frederickson, senior forward, has made the grade in his color blindness tests, but is still gone, possibly. Dave Harvey and James Plake, both guards, will probably be back in time for the early season. Don also has a military issue, and Denney says he will look into the advisability of having the boys take a physical exam before going into the service.

The best job, as expected, has been done by Fred Freeman, who has been the key to most of the Viking victories. Dick Davis, sports editor of the Post-Crescent, recently stated in his column that he had溥ved a Lawrence basketball team which it could really rave about and crow for . . . "Dick backed the football team to the hilt last fall and this winter he has the hoops team."

Last week after a long Monday taking a rigorous physical examination, Don Frederickson was told that he was the only man all the boys who had passed the color blindness tests. Freddy was a little worried about the color blindness tests, but that scare has passed.
