**Plan Date Change For College Dance**

The all-college dance planned for Thanksgiving will be held Saturday, November 23, instead of November 22, as previously announced, The Military institute and the play committee conflict with the date formerly set.

A Milwaukee band has been engaged, but the social committee has not been consulted, prefers not to attend.

Student reaction seems to indicate that an event different from that planned will be more popular at this time. However, no definite change in the dance will be made until December is in view.

**Lawrence Must Win; Gridders Beat Ripon**

Vikemen Spoil Ripon Huskies, 2-0, in Season's Opening With One Sideline Victory 21-0

By John Gregg

The Lawrence college football team knocked Ripon's championship Cornett, Louie Wolf, in a thundering 21 to 0 defeat on the field. It was the greatest homecoming, and they put everything they had to the fight, but Lawrence power proved too mighty. Ripon threatened at times but never got closer than 27 yards from the Vikes goal line.

Ceri Giordana again sparked the Vikes attack, which was continued by Al Zupek who had three field goals and a 56-yard boot by Giordana.

Ripon received the kickoff and put one drive into the 29 for a first down. Giordana and Zupek started with a drive from the Lawrence 51 which ended on the Ripon 38, three first downs being gained. Two exchanges of punts, the latter a 56-yard boot by Giordana, resulted in a first down, where the Vikes held. Three rushes and a touchdown, Al Zupek then kicked a goal from the 44, Giordana capped the record of the team speaks for itself. The Green and White will be put to the test this Saturday, but will start; how long they play a question. The squad members have their feet on the ground and know they can be beaten. Therefore the Blue and White practiced in their home court the past three days getting ready for Beloit.

**Greek Takes Beating**

The Greek team, as you will see, has shown itself so far, with but one defeat at the hands of the Art Bower, the center is supposed to finish and could be the upset of the year.

Any person who has been a part of the Vikes is a question. The squad members are all in one day would be like winning, beating Lawrence, and knowing three games. The Gold is certain to be taken. To win at homecoming. To win at homecoming. With injuries, holds up one side and wasn't stopped till on Point. Menasha at 4 Friday afternoon and are to return before with injuries, holds up one side and wasn't stopped till on Point. Menasha at 4 Friday afternoon and are to return before

Green Knights Defeat Vikes.

St. Norbert gives Frosh Decisive 32-6 Beating.

The hard driving Green Knights of St. Norbert college taught the Lawrence youngsters a lesson in the fundamentals of football last Tuesday afternoon. They coupled brilliant blocking and vicious tackling with a long range passing attack to rout the Viking rookie by a convincing 32-6 margin.

The game opened with Lawrence scoring first after three minutes of play on a run from Kibbe to Knox. Knox, who faked the St. Norbert secondary completely out of position to take the ball on the Green Knight 45 and scramble all alone for a touchdown. Kibbe's attempted conversion was blocked.

In Conference

Lawrence still holds the lead in conference. Had its hardest test in Ripon a t Grinnell.

Lawrence college hurled Ripon last Saturday and needs only a victory over Beloit at the latter's homecoming this week to win the Midwest conference football championship for the second time in five years. Either a Lawrence win or a defeat for Knox will give Lawrence the title the line claims credit for much of it and also reminds the boys in the backfield. The backs take pride in their average of 30 points scored a game but one seems to have a backfield.

Kirkpatrick's Hold Piano and Voice Recital
Monticello Pianist Is Leading Exponent Of American Music

A program of songs sung by John and Hope Kirkpatrick will be the feature of the half-hour visit of these young artists to Lawrence College. Mr. Kirkpatrick, head of the music department at Monticello college, Alton, Illinois, is one of the foremost exponents of American piano music. His wife, who is also a member of the Monticello faculty in an administrative capacity, is a singer. The concert will take place tonight at 8:15 in the conservatory and is open to the entire community.

The program ranges over three centuries of music, opening with Beethoven's greatest compositions for voice. "Ah Perfido," Dr. Beethoven's greatest compositions for he has been consistently an exponent of American music, is Carl Ruggles, a native of New England. His sea-captain ancestors probably bequeathed him no more than one-fifth of the population of the area. The population is decreasing in comparison with other parts of the country.
