English Group Will Condone "Marriage Of Figaro" at Chapel

Monday, November 16, Lawrence college will present the opera which 25 American cities acclaimed as the year’s best. Mozart’s opera, "The Marriage of Figaro," produced in English by the Nise O’Clock opera company, is a group of young American singing actors.

Since the first performed in 1786, "The Marriage of Figaro" has been performed in all parts of the world, as ferry as Figaro’s martial solo, "non tarda a r," in Act IV, are sung. Cherubino’s "Vieni non tarda a r," in Act I, are sung, and "Sta rti gil in a locomotive," an imitation of a train, in Act IV, are sung.

Non-essentials in the old-fashioned plot are eliminated and the story is continued. The bridge of the year is spanned by The Marriage of Figaro at Chapel Lawrence and the singers sang and continue to sing with such whole-hearted gusto. "Figaro" with such whole-hearted gusto.

The faculty, third in a series of lectures and discussion, was scheduled for last Tuesday evening was postponed until next Thursday evening.

Russian Comedy
To be Produced
In Little Gym

"Squaring the Circle,"
Farce With a Message,
Was Popular in Russia

Farce with a message—that may be the best way to get a through review. "Squaring the Circle" in the play. The Russian farce comedy being produced Monday, Tuesday, and Wednesday, November 23, 24, and 25, in the Little gym.

"Squaring the Circle," produced in 1925, Valentine Kutyarev's comedy has been the unchallengeable favorite of the mass of Soviet theatregoers. Its available exaggeration of the search for artistic youth for a new mode of life, romance, and morality, and of the crazed housing conditions which make the search for a bearable life impossible, has touched Soviet senses as nothing behind the Iron Curtain or before, or since. These are the marks of Charles Laughton and Zasu Pitts, the translations.

The Moscow Art theater which is performing the farce abroad is the foremost producer of classical theater in the provinces of Russia. It has played this show more than 700 times, and it is still touring the provinces.

Admittedly what American youth is interested in is the same as the rest of the world. That is part of theănse of the play. "Squaring the Circle," by the way, is a true picture. That makes it possible for the rest of the world to share in the laughter that comes a certified representative of communistic youth. To work and strive in the little gym.

Cooperative Driving Plan Aids Traffic For large Students

Hoping to save at least 10,000 miles of travel in the next term, Colgate university has established a clearing house among Colgate students to arrange and portation.

Students members and students given out of town notify the business office in advance of trips, giving date and hour of departure and space available. Part of the trip is to be paid to the business office at contact a "passport liverpool." The business office will act as a clearing house for Colgate students who plan to travel together.

Automobiles have been the principal mode of transportation for Colgate's 1,000 students and faculty members. Since the railroad abandoned passenger service more than 10 years ago, some students have been seeking a cheaper way to travel. The college 'passport ' has been slow to attract

Vikings on Parade—The 1942 Midwest conference Vikings were on parade during Monday morning's Union at Memorial Church. Showing on the platform during the ringing tribute to the Lawrence title team are, from left, Bill Crosett, Bill Burton, Coach Bernie Hasleton, Ken Bahenton, Dick Miller, Warren Buxing, Joe Greco, John Miesz­ tinger and Bill Nolan.

At the time this picture was snapped, Hasleton had been asked to name an all-conference team. This was simple, he said, and called up the Lawrence regulars as his "all-conference" selections.

Coach Hasleton Spells Out Another Grid 'Championship'

BY DON ZENTNER

Coach Hasleton spelled out "cham­ pionship" in big bold letters. That was 1939. In 1939 and 1940 he idled for three seasons and put his house in order. Caine and Klein will introduce us to Judaism, telling us of its meaning and its value to mankind's present day re­ ligion. All students are welcome to attend.

Prospects look bright
In All Events; Turley
Captains Tank Team

Last Monday Lawrence's 1942-43
swimming team started their prac-
tice with a splash. They have a big
job cut out for themselves in live-
ing up to last year's Midwest con-
ference champions. Under Adie Dil-
lan's tutelage the Vikings came
through with a surprising first to
bring the conference deck to Law-
rence. This year's team should be
somewhat stronger, but this addi-
tion in strength will be compensat-
ed for by the loss of Coach Adie
Dillon who is now coaching at
Appleton high school. Thus, the team
should be about on a par with that
of last year.

Four Regulars

With four of last year's regulars
and two experienced junior re-
serves, the team looks like it should
take it easy on itself. Crossley, Miller
and Buening are almost sure start-
ers, but the other positions are wide
open, not that there are not good
men for them, but competition is
greatly strong.

Very little can be predicted about
the season as no reports from other
schools are yet. It should be a
team race as it was last year.

Sparks and Lawrence set-
ting the pace. Monmouth still has
strong men in Wally Paton and Bob
Ring, and will be hard to dis-
place. With free stylers Bob Smith, Ev
Turley, Wally Paton, Dick Hallis-
gen, and Johnny Fengler returning;
and with the addition of Dick Met-
son and Tom Baun, represented as
all free stylers, it looks mighty bright.

The outlook in the breast stroke
is much brighter than a year ago.
Ray Gille is a returning letterman
but will probably have to play sec-
ond fiddle to the sensational Louis
Trow, who, as a fresh last year
broke the pool record.

In the backstroke old reliable Ev
Turley, captain, is back and has
lost a race.

Mighty Lawrence Team of 1942
Receives Admirers' Plaudits

It looks as though we have a team
that will be mighty proud of. Lawrence
prayed through with flying
colors for the first time since about
1938 and nailed down a Midwest
conference championship — which,
incidentally, is nothing to be scorn-
ed at. So, to show them a little ap-
preciation, we held a little pep
program at the end of the season.

In any rate, we are all pretty proud
of the fellows who pulled this thing
through for us this year. No fool-

Lawrence college won its second Midwest conference football championship in five years when it downed Beloit in the latter's homecoming test Saturday by a score of 19-7. Beloit's record was dropped to 1-3 in the league.

Lawrence set a new scoring record for conference play was completed last Saturday when the squad downed Beloit in the latter's homecoming test Saturday by a score of 19-7. Beloit's record was dropped to 1-3 in the league.

Many conference teams complained that they could stop our running attack, but then we passed over their heads. It took seven and eight man teams to stop our running, and as one was left for pass protection. Even the Bears can't run against a nine man, but then they win passing and punting. We passed well in football and if a team wins passing it's the best team. A Coe alumnus complained, "We haven't got a good pass defense." It was good enough, there just wasn't enough of it. Ripon did the best job. They could stop any two of our three threats, Zupek's running, Grondana's running or his passing, but with two stopped, the other one worked and we won 21-0.

For everyone who's interested here's the conference record of the 1938 squad: Lawrence 6, Beloit 7.

LYNDA MAESECH, professor of organ and music history, will give an all-Bach program at the Chapel on November 23. Lawrenceans will have an opportunity to hear an exceptionally fine organist and a distinctive program. Mr. Maesch has received wide recognition for his compositions and we should hear of his works more often. Admission for this recital will be by ticket only. No charge will be made for the concert. Announcement of the program will be made at the chapel on November 10. The concert will take place in the gymnasium, where the space may be accidentally occupied.
