Play Depicts Politics Of Democrats in Small New Hampshire Town

By Frances A. S. Slocum

The play, "Village Green" by Carl Allensworth, is being presented at Lawrence College on Monday and Tuesday nights at 8:30 p.m. in the Chapel for "Village Green."

Mr. Slocum has finished his campaign all ready for next year's campaign and the cast of three makes this play a real political satire with mice. The Yankee judge starts defending a young political-minded man for political purposes. President D. M. Slocum of the College and the Committee or present a petition must either be a member of executive committee or be present at the meeting when committee members are elected for the following year.

Continental checks through the Executive Committee on the activities of the social, pep, homemaker, journalism and Sigma-society committees. There are enough capable students and leaders in lawrentian to form a straight business. If the lawrentian is honest, it isn't for ever. The Delts want to clean up the house and natural order.

The editor of this paper is in danger of falling into the sinister role of a vigilante. My ami, Mr. Peterson, has been writing a series of articles dealing with the expulsion of students from the University of Wisconsin. The editor's articles have been so well received that I feel justified in writing a reply to his latest column.

Announce Winners of Cage, Tank Awards
Award 8 Cage Letters To 5 Seniors, Junior And 2 Sophomores
Viking athletic awards in basketball and swimming were announced by A. C. Dancy yesterday. Coach Roy Hamann who directed the Viking basketball team for his first year named five seniors, one junior and two sophomores as winners.

First the seniors, Bill Crosser, Warren Renting, Jim Firewage, Wes Morris and Phill Harvey all are receiving their third basketball letter. Crosser has earned a blank since the freshman year and has only to win a track letter to complete his four-letter man. Firewage Miller the lone junior is receiving his second basketball letter. Crosser has two football letters and is as high on the coaching staff's list as he is in the book. Ken Balson and Bob Curry who are receiving their first basketball letters so alphabets already have ten names.

Freshman Numerals
Ralph Beauland, Jack Kibbe and Horace Sigman were the only three freshmen to receive numerales and all will be called into the services and several dropped to basketball to account for the small number of freshmen to receive numerales.

Vikings Defeat Badgers in Swim Meet

Turkey Maintains Unchallenged Record; Smith Shores in Relay
Vikings swimming disabled the Wisconsin Badgers last Saturday for the first time in longer than six years. The meet was a showcase for the Badgers' break in the pool record in the breast stroke by almost a full second and covering the distance in 2:41.8.

Bob Smith was the individual star of the meet winning the 50 and 120 yard free style and anchoring the winning 100 yard medley relay team. Captain Ev Turley preserved his record of never having been beaten in competitive swimming and led his team to a victory over the Central Illinois Invitational swimming meet at East Lansing, Michigan March 6. Here Turley will have a chance to swim against the best in this part of the country and all that he probably won't keep his undefeated record intact. He should place in his event. The Vikings swept the meet and came away with 40 points. The Badgers scored 20.

Determine Mat Champs of Gym Classes Today
The swimming meet between Milwaukee State Teachers and Lawrence held last Tuesday, will strut their stuff against the best in this part of the country. If things turn out the way they seem to be going, Lawrence will be in the big time next fall and winter and might probably play some of the Big Ten schools and the outstanding team that will come up here.

Vikings Defeat Badgers in Swim Meet

The announcement that Lawrence will train 400 Navy men starting in duty pays joy into our hearts and those of the coaching staff around here. The way the setup seems now, all the Viking athletes in the Navy or Marine corps will be allowed to finish school while in uniform and be able to compete in athletics. Also there is a good chance that there might be some stars from other schools in this area that are running up here.

BY PAUL MARKWEATHER
TWO of the three candidates for student body president are co-captains of next year's football team. George Lucht of the Delta was co-captain of the championship football team as a junior last season. He was chosen on the second all-conference honor team. George is also Delta prexy. At factor, the Phi Delta candidate, led the league in scoring last season and was picked on the all-conference football team for the second year in a row. At won the scholar-ship award of the Phi with a 2.6 average.

Intercollegiate athletics certainly must have some value contrary to the opinion of Gene Tunney, etc., if the decision of the Navy means anything. The navy announced that many men attending colleges throughout the country would be eligible to compete in intercollegiate athletics for the school they are attending. It looks like there will be some good football games played next fall after all.

Vikings Lose To Wisconsin In Matt Contest
A Viking wrestling team whipped together in two days gave Wisconsin a good battle before losing 145-11 last Saturday at Alexander Gym. Tigey Lynch won at 120 pounds, Dave Stetsel won as a for- feit, and Bill Nolan put up a swell fight to decision his opponent. The Vikes scored 73 points for a 49-15 margin. The Badgers in 145 had 12 matches were postponed because of the epidemic of colds and that little gook that makes with the spots. We care to remember. The Vikings put up a pair of solid performances.
