'Going Ahead With Football, Coach Asserts'

"We're going ahead with football as planned," Coach Bernie Howell announced Thursday, eliminating any doubt in the minds of fans as to whether Lawrence will be represented by a football team this fall.

It seemed fairly certain to most observers earlier in the summer that football would be eliminated, but then arose a number of problems that kept the controversy in a state in which Coach Howell gave the word yesterday that "everything is going ahead."

Primary among the problems was the question of whether the new V-12 men would be able to find time necessary for practice, just as men in the reserves were forced to keep time off in order to complete other duties. Other problems were the threat of an intercollegiate series, plus other teams in the Midwest with the availability of former college army troops who are ineligible for non-college-club football, according to army ruling.

Coach Howell said the scholastic eligibility situation with college authorities was not definite. He learned that 31 of his best men are on the V-12 list and will not be available for football in the fall. In addition, 10 others were in the reserves, but, on the brighter side, 12 men were expected back in football for practice Wednesday, and a strong squad of more than 40 already.

The schedule has also started to take definite shape, with four games definitely scheduled, another in the tentative stage, and others on the possibility list. The opening game will be season's opener against Illinois and Wisconsin, followed by a home game Sept. 26th with St. Mary's of Waukesha, Miss. The final V-12 game will be Oct. 23rd, at St. Mary's in Appleton. Other games with Wisconsin and the Lawrence college reserve team will be played in September.

Sig Ep House Wins Stamps

Girls in House That Bought Most Stamps Get Extra Late Hours

Wednesday night was the closing date of the first interterm war stamp competition. It was clear race with the Sig Ep girls finally pulling out of the rear and winning the most stamps a person could collect. The girls were given an extra hour of study time and entertainment and also the privilege of having the Sig Ep lounge re-opened.

The competition was sponsored by the Lawrence college razors and was open to all students. Stamps bought by students were kept in a special bank in the study room.

Chang Shu-Chi

Chinese Artistic Exhibition

From war torn China comes the artist, Chang Shu-Chi. Forced to leave his homeland because of the Japanese invasion, he was unable to find strength and inspiration to continue his work in the usual ways. Under unusual conditions, Chang Shu-Chi has exhibited his pictures, and has devoted himself to his work at well known museums and art centers.

Wednesday and Thursday, September 8th and 9th, Lawrence college will be host to Chang Shu-Chi. He will give three public demonstrations of the art of Chinese water-color painting and will also make arrangements for attending the dem-

Contact Boat Owners

All town students are urged to select at least one boat owner and to cordially invite them to the annual Labor day event at the Sig Ep house this year. "We're going ahead with football as planned," Coach Bernie Howell announced Thursday, eliminating any doubt in the minds of fans as to whether Lawrence will be represented by a football team this fall.
Hay Fever Suffers Tell Of Woes and Discomforts

Hay fever is the thing that makes you sneeze when his whites arrive. And if more Lawrence ladies were caught in the gramp group, romance would be dead then—so it is hay fever that explains better relations, a woman would have to call her friend and dink stool together.

From the Editor's Easy Chair

Contrary to popular opinion there is a war going on at present. It is a war which necessitates the wholehearted support of every nation in the world. If more Lawrence lassies were caught in the gramp group, romance would be dead then—so it is hay fever that explains better relations, a woman would have to call her friend and dink stool together.

Carlos Takes Glamour Shots of Beauties

"Diddy buy? Carlos is bored to take those famous pictures," Madam Carlos said to the camera woman who attracted her to her studio.

Reposing to myself what I had been saying to the camera woman—"Can Carlos make me the most plain photo beautiful—signed and presented to me?"

Carlos, who was dressed in a white shirt and white tie, told me a story. He said that he had been taking pictures of famous people for years.

While the camera was focused on the model, Carlos was telling me about the pictures he had taken of famous people. He said that he had taken pictures of Shirley Temple, Marlene Dietrich, and many others.

After the camera was turned off, he said that he had decided to make a new model of his own. He had decided to model himself after the famous movie stars.

Sailors Win Second Match In Golfing

With an average of 85, the Lawrence sailors amassed their second five in a matchless Sunday afternoon at the Ridgeway Country club handily, 114 to 124.

Derek Haggart toured the course in 79, two shots better than the score of the match and Don Zimmerman finished a close second with an 80. Lawrence defeated the other Lawrencians for the first time in the history of the school.

Only two Vikings lost their place on the team for the rest of the month as they came through with winning records. Lawrence scored were: Warren Worthington 79; Dick Haigait 79; Bob Budding 82; Jack Cooper, 82; Ken Reinhart, 84; and Bill Luedtke, 85.

In the A Division it is a close race to the finish between the three leading teams. Ormsby 2 captured second by a half- point over Delta 4, capitated by B. Scurey; and Brokaw 4, captured by Tachanour. In last week's games the results were as follows:

The Duke of '42 Aguirge," a story based on the sinking of the aircraft carrier "Yorktown," was presented by the Lawrence college Radios Players over the local station.

With the exception of Nancy Fishberger, who played the only feminine role, the cast consisted entirely of Navy trainees, using the Lawrence campus. The main members of the cast were Bob Abbe, Jim Ditt, Jim Derr, Neil McDonald, Dick Haligas, and Howard Vesper. Juan Memorial was in charge of the stage work.

Radio Players usually present a drama every two or three weeks, although the very short period between the end of the first week and the end of the second week makes it somewhat difficult to prepare a really good program, because of the week end vacation.

W. Beck's Story

To Deliver Lecture
About Coleridge

On Wednesday, September 8, at 8 p.m. in the auditorium at the Conservatory of Music, Mr. W. Beck shall present, under the auspices of the college, a public lecture entitled "Coleridge and the Person from Porlock," which will be attempted by discriminating, and concluding with an attempt to discriminate, between the facts of personal judgment, between a primary romanticism and a secondary romanticism, in the nineteenth century and in our contemporary culture.

We understand that our esteemed psychologist, Prof. W. Hummer, narrowly missed losing the gingham pincushion of House-Mother, recently. For a while he looked as if he'd have no place to hang his hat. He was nearly frantic. He had to find a place to lodge his hat, but it seemed that nobody wanted to take it.

Prof. Hummer, however, and we are sure to expect that he will remain on the customary peg. May we suggest to Prof. Hummer that he hang his hat somewhere so that it will be theirs.
