The Reverend St. Joseph’s Church has its meetings at 320 S. 30th every Saturday night, and the Rev. J. C. G. It was greatly appreciated by all, and it also expressed the joy of all the students in their appreciation of our dear Father's wonderful leadership. There is a great deal of satisfaction in watching the development of these good things, and finding that they will persist through the years. If you choose to keep watch with new and old, you will find that you can develop a new interest in the development of the student projects. The church is open to all, and if you are interested in taking part, you can join the project as soon as possible. In any case, the church will be open as usual on Sunday, and anyone is welcome to visit. In the meantime, please keep an eye on the church and the projects and let your friends know.
