AWARD WINNERS—Shown above are the winners of the four major awards, announced at the last convocation of the semester. From left to right they are on the junior class: Marguerite Schumann, Spector cup; Fritz Arslulich, chamin cup; and Lois Rauschenberger, junior spoide.

Four Faculty Additions Announced by Brunhumer

The appointments of three lecturers to the faculty of Lawrence college have been announced by Ralph J. Watts, acting president.

Mr. H. E. Olson, a graduate of the University of Minnesota, has been appointed a lecturer in physics. He received the B. A. and M. s degree from Michigan and has completed virtually all of the requirements for the Ph.D. degree. Mr. Olson has had teaching experience in the fields of physics and mathematics.

Mr. W. R. Stone, a graduate of the University of Vermont, will be a member of the faculty of Monmouth. He holds a degree in English from the University of Wisconsin, and his interests lie primarily in English literature.

Miss Ruth C. China, formerly a lecturer of English in the University of Nebraska, has been appointed a lecturer in English. She received the B.A. degree from Nebraska.

Four V-12 Members Learn Orders

One-Third of Unit Leaves to Train At Other Bases

The Fourth Station of the Cross, the number of the V-12 attending last Thursday's V-12 party, was 41. This was a smaller group for approximately equal time.

The program was sponsored by the Lawrence V-12 club and a navy band provided entertainment, and refreshments were served.

Mr. Argo B. Boshart announced that probably at least 12 V-12 members would be leaving to go to the following schools and training centers, respectively: Dartmouth, O.S.S.; Illinois, University; Chicago, Loyola; North Carolina, University; Oklahoma, University; Wisconsin, University; Montana, University; Texas, University; Buena Vista, College; Fairleigh Dickinson, University; Colorado, University; and Occidental, College.

Walkie-Talkie Ferges in Recent Years

Although the walkie-talkie has been in existence for a long time, it is only in recent years that the miniature radio station has come of age. The popularity of similar experiments carried on by scientists such as those composing the Pacific coast university radio station at Lawrence college indicates the potential of the instrument. Although the old group makes it seem like a hobby, they were proud of their "valuable back yard" because "the sending and receiving set is cheap, and it weighs only 30 pounds," so goes the story of three days.

Board Reveals Torson Hands Aerial Staff

Fountain to Handle Business; Gustrin Remains Photographer

Pat Torson is the editor of the Aerial for the coming semester, it was announced at a meeting of the board of control held last week. Pat served as administration and faculty editor during the past semester, and previously worked under Bird Seiiner on making the magazine.

Miss Mary Fischer, a member of Phi Beta Kappa, Phi Kappa Phi and member of the German club and the Germanic Institute, has been appointed business manager of the Aerial.

Faculty Additions

Bridge water, the M. A. in social science from Vanderbilt university, and the M. A. in English from Redfield college, and the Ph. D. degree from the University of Chicago. Miss Cline has been a member of the faculty of Portland, N. C., junior college, Bridge water college, La Verne college, and the Chicago City college. She has also done considerable research work and has had several articles published.

Mr. William H. Hauss, a former resident of Kansas, has been appointed a lecturer in economics. Mr. Hauss will come to Lawrence from the University of Tennessee where he has been a member of the faculty for the past three years, given the rank of assistant professor.

Mr. Richard R. Bauwens came to Lawrence from the University of Wisconsin and was appointed as a certified public accountant in Wisconsin prior to joining the staff of Tennessee.

Mr. Ben C. Butler, a graduate of Alabama college, has been appointed assistant professor in government and history beginning March 6. At present a member of the faculty at the University of Vermont, Mr. Butler teaches political science through the completion of an army training program at the University of North Carolina.

Mr. Butler, received the M. A. degree from the University of Iowa and has completed most of the requirements toward the Ph. D. degree. He has had extensive teaching experience as a member of the teaching staff at Hamline University and later at the University of Minnesota.

Mr. Richard Boshart, a member of Gamma Delta and the American Society of Civil Engineers, is a graduate of the University of Michigan.

Extra pictures from the files of the publicity department are available in the admissions office for ten cents each. Most of these are 8 x 10 gloss prints of news pictures taken on the campus. Come in and look them over for use in scrap books or fraternity histories.

For many years the phrase "They Satisfy" has been almost a synonym for Chesterfield, because it sums up tersely what Chesterfield has always aimed to do—namely, to give smokers the last word in complete smoking pleasure.

Five Seniors Give Concerts
Rouley, Emmons, Grafman, Chapman, Tepley Entertain
A series of five recitals by upperclassmen in the music department was held during the past three weeks. The students are scheduled to be graduated late this month.

Ruth Rouley Walker, organist from Elgin, Illinois, and a student of LaVahn Maesch, appeared in a concert at the chapel Sunday afternoon, February 13. Mrs. Walker is organist and choir director at the Memorial Presbyterian church in Appleton.

On the evening of February 13, Shirley Emmons, Stevens Point, presented her senior recital at Peabody Hall. Miss Emmons, a mezzo-soprano and a student of Carl J. Waterman, has been the featured soloist with the Lawrence college glee club.

Two students from the studio of Gladys Ives Brainard, Wesley Teply, Manitowoc, and Dayton Grafman, Chicago, presented concerts the following week, both at Peabody Hall. Teply appeared Friday evening, February 18, and Grafman, accompanist for the Lawrence choir, last Sunday evening.

Janet Chapman, a cellist from the studio of Percy Fullinwider, presented a recital at Peabody Hall Tuesday evening, February 22. Janet is a resident of Redfield, Ia.

Sage Becomes Madhouse
As Inmates Crack

That wintry weather we've been
vouching for has finally come at
this February and with it came
equalize under the new, stepped-up
program. The inmates haven't
been hard at it since late July, but it
hasn’t been all hard work by any
means. They have found much to
fun and good times they wouldn’t
forget. When organizing their
amusements flourished for about a
two hours of laughter. Then
of the L. W. A. who is already
waiting for is finally upon us in
the middle of March. Lawrence has
seen to it that the L. W. A. is
attracted and the big blowout to
the year, with the announcement
of our beauty queen and the
wheeling of the King and Queen
by the Master Mas and Mortar Board
Rulers. Will you ever forget the
Day of their Pete Calendar “girls”,
and how beautiful they looked in
other than the L. W. A. were
her, too, Ted Crock’s play, one
surprise followed by another. Here
hard cornet, the basketball players
and all the many college dances.

It was the second semester when

INVEST IN WAR BONDS
A T Chicago Fieldhouse, Feb. 26

**Hockey Sixtet Gains Victory By 8-5 Score**

On February 13 the Vike hockey team took to the ice in their last game of the season against the visiting Fond du Lac squad. After a nip and tuck battle all the way, the game was decided by several major penalties. Lawrence came out on the losing end of an 8-5 score.

Fond du Lac tied the count at one in the opening minutes of the final period, but Kaufman's goal sent the Vikes ahead to put the game out of reach. Kaufman offset three goals into the nets for the day's top scoring honors.

The game was played in three 20-minute periods and was very exciting for both teams. Professional hockey periods being only 20 minutes in length. This victory marked the fourth straight one for the Vikes. Although the team sometimes lacked good equipment, the boys made up this defect by their skill and fight. Throughout the season the squad kept itself in top physical shape—a fact which was evident not only in their record of wins, but by the fact there were few injuries for the entire schedule. This, in itself is exceptional in hockey.

Next week we hope to present the annual all-opponent basketball team as picked by this year's Lawrence squares.

Corinne Nelson to Head War Board Next Semester

Corinne Nelson has been named war chairman for the next two academic years. This has been in charge of the dormitory stamp sales for the last quarter of the semester.

The war board has functioned in various capacities throughout the year. Student and faculty groups have cooperated in the work of the department. The board has been responsible for various activities such as blood drives, stamp sales, and other war-related efforts. Students and faculty members have worked diligently at Lawrence to ensure that the campus was prepared for the war.

Just by hiring me. That's never been to sea, flying various tasks, and they report there a load of salty chatter mittee have worked diligently at the institution on this campus, as it has

And I know when to 'belay.'
