Sorority Rushing Parties Dominate College Affairs

Building this year got off to a flying start with the traditional "Round Robin" tea held on Friday, Nov. 3. The tea was held in the Gamma Chi house, from house to house of the six national sororities and one music society and were entertained by the sorority"s pledge and pledger members.

The Alpha Delta Pi entertained at tea at the home of one of their alumnae, Mrs. E. B. Whitman. The home of Mrs. George H. Armitage, a member of the Alpha Chi Omega, was the scene of the Pi Beta Phi tea which was also held on Friday, Nov. 3. **The Editor Speaks**

**RESPECT TO THE Flag**

It hardly seems necessary that college students should have to be told that they should respect the flag. It is not only against the law to destroy the flag, but it is also an unpatriotic act. Respect for the flag is a symbol of respect for the country and the ideals that it represents. Students must take a good stiff silence for the flag when it is raised and properly retired.

**Complications Arise**

**From Accelerated Program**

By RUTH COLLINS

At the beginning of the semester, students are encouraged to take advantage of the accelerated program. This program allows students to complete their studies more quickly than traditional four-year programs. However, complications can arise when students try to accelerate their studies.

The Fullerton College Accelerated Program provides students with opportunities to complete their coursework in a shorter timeframe. However, students must balance their academic responsibilities with other commitments such as work, family, and personal life.

The program requires students to enroll in multiple courses during each semester. This can be challenging for some students who may have difficulty managing their coursework and other responsibilities.

Another complication is the limited availability of courses. Some courses may not be offered each semester, which can make it difficult for students to complete their degree requirements within the accelerated timeframe.

In conclusion, while the Accelerated Program offers students the opportunity to complete their coursework more quickly, it also presents challenges that require careful planning and management. Students should carefully consider their individual circumstances and needs before enrolling in the program.

BY DUTCH AND LE ROY

A big, solid-looking squad Coach Ray Hamman went to work the other day to prepare the Lawrence Vikings for one of the toughest seasons in the school's history. Top flight opposition will be along the way and Hamman needs the Vikings when they tangle with four strong teams as the Great Lakes Athletic Conference. Those are the Minnesotta Gophers, and various eastern teams that will be called.

Coach Hamman has only two weeks in which to mold a starting five for the opening game against University House College on Nov. 25th.

The team this year will have an advantage in height over last year's squad with 56 of the 58 squad members being over 6 ft. tall. Heading the list is big Francie Hartman who towers an even 6'8". The great height of this team with great experience that cluts the entire team makes the exception of Harold Lonsdorff, who has previously seen action in the doing, State Teachers quintet in Ken­ tucky. Probably the best known to local fans is Dan Schefi who last year won an All-Conference honor while playing with East Green Bay.

Remaining squad members who will be returning to the running for the positions are: Ray Van de Berg, Bobby Keppler, Richard Selier, Charles Brandt, Bud Kola, and Art Peterson. The starting five could be as shown by:

**Betts See Movie At First Party**

Everyone had a good time at the Beta's first party of the new semester last Sunday night. Because of security having in the past house, the affair transported at Elmer Jen­ nings home. A sound movie on assorted current subjects provided the main part of the program. The Beta House this coming Sun­ day night will be the scene of re­ union of all Lawrentian students and alumns. Several Beta alumns as well as Dick Gallo, now in the merchant marine, and Bob Kaufman were on hand to greet the new men.
