Lloyd Reynolds

would like to extend my thanks to all those who sup-

ported me in the campaign for student body president. Duri-

ing the course of the campaign, I was afforded the oppor-

tunity to give the students at Lawrence thesmoothest run-

ning, most efficient government it is within my power to achieve. 

While the small vote cast was disappointing, and the small at-

tendance at the special convoca-

tion was even more so, it is

encouraging to know that many students are interested in the
campaign during this campaign and will be involved by the time

for the next student body presi-

dential election.

Delta Tau Delts' basketball team pulled the string in its first game and walked away with a 36 to 27 victory over the Phi Kappa Eps.
