VOTE FOR YOUR PRESIDENT

Athena House is in the process of selecting the platform of the two Lawrence men who are running for the office of president of the student body.

Monday, you all the students on campus, will have your chance to vote for and elect the man you think is most capable.

This is a very important choice and the way you vote should be given careful consideration. EVERY person on campus must vote and express your views about the candidates and the qualifications necessary for this job. Vote, although, that so far, should not be influenced by others.

The non-partisan concept of the student body should be voting for their president.

Over Homer's Dead Body

PARABLE OF THE DEAD DOG

Now it came to pass in the instance of the higher knowledge wherein it was necessary a certain "Tom" from the class of 348. It came that "Tom" had been killed in the accident of a fight at the house of Neverman, recently. "Tom" was a bulldog and he was the presence with whom and he spoke thus to himself: "I cannot see that 'Tom' was a very good dog."

Now it came that on this last day after the news of "Tom" came to the Neverman house, the Neverman house was shut up and all the Neverman house were out and away.

But then there appeared a second bud in the hole of a dog. And there was a second dog. And this second dog was not a bulldog, but it was a bulldog. And it was a bulldog. And it was a bulldog. And it was a bulldog.

But then there came another second bud in the hole of a dog. And there was a second bulldog. And this second bulldog was a bulldog. And it was a bulldog. And it was a bulldog. And it was a bulldog.

And so forth.

Two of the Lawrence starters, Beall and Campbell, halfback and tackle respectively, were still on the injured list, and replacements une- 
vably will be a problem, with Babe-

Williams, quarterback; Don Paser,
right guard; Dick Flom, halfback; and 
Ed Abell, halfbacks.

The best man in this game seems to be 
the Lawrence quarterback, a suc- 
sessful one. The best men need 
their wholesome cooperation to get

was the passing attack—Dick

In Season's Opener
Lawrence last week won the first

minutes plus, from his tackle

Basketball Play
A meeting of Midwest Athletic 
Conference basketball coaches 
has been called for Saturday, Octo- 
ber 14, at the Hotel Sherman, Chicago, to discuss the rules and 
schedule of conference competition. It has been called to avert any 
possible confusion by the NCAA. 

He has the last word, A. C. Denney, athletic

The Midwest conference, which 
has been dormant during the war
