The Editor Speaks FROM THE EDITOR

To thirteen students who have contributed much to Lawrence: In this issue of The Lawrenceian,

Throughout your college careers you men and women have participated in and led this life that is ours at Lawrence. We see you as the great leaders, the speakers, counselors, musicians, freshmen and senior officers, athletes, a Phi Beta Kappa, and one of our very best students. You are the sum total of those who have gone before you and some of your best loved memories of campus life. It has been an honor to know you. We all believe that the new traditions brought our backs in social activities, added responsibilities, and the running of halls across campus. Today you are losing not only friends but also leaders. . . .

THE ECHO

I am Echo, from the Raffens, and I'm going to talk about some of the functions and see what Lawrence is like. I am new, and if I make any mistakes, you can write to me and I will be as helpful as I can. 

I was out at the game Saturday, and I really got to like it. I played a good hard, clear game. Any school can be proud of a team that works to win. The other day, I was at the game and saw a real good player. He makes all the difference in the world when you remember the boys fighting for so long just to keep the ball alive with mud, dirt and snow, and all. The players are all very good to each other, and they don't make unnecessary fouls. In my opinion, I think the best player on the team is the one who can you can't keep your eye on. He always seems to be in the right place to make the pass or make the move. 

Our Chapter And Mine

Tuesday evening the pledges gave a dinner for the various officers and I was honored to be there. The atmosphere was very warm, and everyone seemed to be enjoying themselves. The atmosphere was very warm, and everyone seemed to be enjoying themselves. I was told that we were going to have a lot of fun. I think we did, and everyone had a great time. 

Men Beware

The sobering thought of being in college for a few more years is a realization that comes to all of us about this time. It is a sobering thought, because it is a reminder that we are not as young as we used to be. It is a reminder that we are not as young as we used to be. It is a reminder that we are not as young as we used to be. It is a reminder that we are not as young as we used to be.
