Homecoming Plans Include "Rallies, Torches, Floats"

Homecoming in all its traditional glory has been scheduled by the administrators, Judy Bell, and Grace Peterson for this year. The year's event, this year's theme is "Post-war Homecoming," has an added excitement since it is also the centennial observance.

Activities will get under way at five Friday afternoon with the judicious firework demonstration. At seven o'clock celebration goes to the chapel for the pre-rally and traditional parade of freshmen women. Closing the meeting will be the introduction of the football team and its band.

Moving to the river banks at eight as soon as the rally climax, the student body and its supporters will send the flaming homecoming raft down from the Fox river. Students will be picked up by the college and Mr. Sestak's bell car.

At ten the next morning the Plectrum players will organize in promotion. Homecoming is a thirty dollar limit has been set for expenditure on house decorations and funds.

The kickoff for the main event of the weekend, the game with Ripon College, will take place on Saturday, October 19, at the home gymnasium with Begie Hendler's band from Green Bay providing orchestration.

The game with Ripon will begin at 2:30 p.m. in the afternoon. The rally and traditional pajama parade of freshmen women. Closing the rally and ceremonies will be presented.

"Home of the Brave," one of the most significant plays to come out of the war, will be presented at 8:15 on October 24 in the Lawrence College Chapel.

The play tells the story of the attempt by an Army psychologist to cure a case of traumatic shock by hypnosis. At the same present, we not only see his handling of the patient, but in a series of flash-back episodes, we watch the development of incidents which lead to the climax.

Arthur Laurenti, the author, is a G. I with no illusions and knows the problem of the soldier's honesty and morale. He knows that it is a problem not restrained to the man in uniform alone.

Mr. Laurenti, the protagonist, is a human being, sensitive to the shock of popularity; his is the problem of people everywhere.

Members of the cast include Wide-rotated by Shirley Buesing, James Dyer, William Marshall, Fred Thiel, and Son Wilde.

The plot is the producer.

duShane Speaks About Elections

Mr. Donald DuShane, dean of men, with speak on the "Elections," October 26, in the Lincoln Hall Convocation. Because of the recent political upsurge, a number of students have indicated that he is interested in all questions of political importance to students. Those who are eligible to vote are invited to the centennial election, November 2.

$130 Collected For Needlework Guild Last Week

Money Purchases Children's Clothes For Needy Families

Shirley Buesing, president of Shelter Board, was pleased to announce a most successful conclusion of a drive for funds for the Neighborhoods and revealed that the total number collected is $130. This amount has been given to the Needlework Guild which in turn will distribute them to needy families.

Needlework Guild consists of the following members: PN and Pauline Congleton, Phyllis Weinert, and Forrest Knuth, Gwen Fall. Barbara Elmer, Sue. Olsen, Patricia Kirehawa, Arm Harwood and Mary Harrell, Margaret Dyer, Anne Benson. Patricia Kireshawa, Shirley Gregor and Virginia Millis.

In charge of decorations for the pep rally and traditional pajama parade of freshmen women. Closing the rally and ceremonies will be presented.

Dean Waterman's Vest on Merrill Makes Co-eds Swoon at Concert

When Robert Merrill arrived on the campus of Lawrence College last Friday, he boarded a train for Milwaukee. The Lawrence College orchestra was preparing to enthrall the audience, but the young opera star that the public had been waiting to hear. Merrill's concert at the college was a sensation, as he belted out the baritone's characteristic American art songs. Merrill's voice was heard in the audience, prompting a round of applause.

Merrill's other favorite pastime is cooking—preferably steaks, meat. Of Artist Series

Enthusiasm Runs High at Season's Second Pep Rally

Last Friday evening, October 11, the pep band again led a good turnout of students to the second pep rally of the season. Adding to the excitement, the students followed the band to the front of Campus Hall, where they were entertained by a large broadcast of the Lawrence College orchestra. Merrill's concert at the college was a sensation, as he belted out the baritone's characteristic American art songs. Merrill's voice was heard in the audience, prompting a round of applause.

Greek Pledge Groups Announce New Plans

Sororities and Pledge Groups Get Under Way

Catching up on social events and studying seems to have been the "pastime" for the new pledges. Activities have been held to help them meet the requirements of their respective secretaries. Miss Adele Adams, of the Chi Omega group, reports that the pledges are satisfied with the plan made to help them become acquainted with the members. In the afternoon a "join us" dance was held for the pledges and notices of the plans on the dance floor, the halls were already filled.

Around the same time this week the Pledge groups wound up the "polish" for their pledge exams and began working on the social aspects of the season.

Over at the Phi Delta house the Phi... following the game with the Phi Delta open house for the girls and members. On Sunday Don Holaday did the "buy" and several house dances followed. At the winter formal the pledgers wore the "polish" for their pledge exams and began working on the social aspects of the season.

Fraternities Formulate Plans

Around the same time this week the Fraternity groups wound up the "polish" for their pledge exams and began working on the social aspects of the season.

NEEDLECRAFT DRIVE—Members of Morter Board, Sigma, and Pi Sigma collected money last week in the girls' dormitories to defray expenses in the purchase of children's clothing for charity. They worked in conjunction with the city Needlecraf drive.

Movie Cast Has Trouble In Filming

The Editor Speaks

Are We Playing Our Centennial Homecoming Up Enough, Mr. Chairman?

For years Lawrence has been proud of the athletic committee. Lawrence is the home of the Lawrence University Athletic Committee, a group of students and alumni who are devoted to the athletic department.

Homecoming is the afternoon before the last football game of the season. The Lawrence athletic committee has been working hard to make the game a success and to make the homecoming a memorable event for the students.

The committee has been planning various activities for the students to enjoy during the day and evening of Homecoming. They have been working on all aspects of the event, from the decorations to the games and activities.

The Lawrence University Athletic Committee is made up of students and alumni who are passionate about sports and about their school. They are dedicated to making sure that Lawrence is represented in the best possible way.

Vike Sports Calendar Has More Than Football on It

The only sports event on campus this weekend is the varsity football game against Marquette. The sports department hopes that a large number of students will attend and support the Lawrence football team.

In the sporting world, in many other phases of life, one activity takes preference over another in glimmer, publicity, and power to attract attention. Football, however, the minor activities are by-passed. In the fall, cross-country meets lose their following to football controls which have a verte, and, popular appeal that the former activity lacks. Yet the cross-country teams are worked just as hard to develop their conditions and资格和 stream of potential as every the football players. Coach Dynny has done a fine job. The team he fields represents its school and fights just as hard for Lawrence as does any other team in any other sport.

It is the duty of every student, spectator, to acquaint himself with all phases of the Lawrence sports world and to educate him to the technicalities and aspirations of his cross-country team.

Lawrence Women Respond

We have the material and interest to organize a debate team. We have a good speech department, a good literary class, and a list of old men, who address the group, added to a better homecoming.

We are open to all students who wish to attend, either in the parade or at the game. These are minor additions, yes, but they may suggest other, and themselves, will contribute to a better homecoming.

Lawrence Women Respond

Well to Needelwork Drive—

Once in awhile it’s heartening to write an editorial in tribute to some of the officers especially since much editorial comment either is in the form of sarcasm or attack. It is not, however, a trend which seems to be involved in a bagatelle organization. It’s equally cutting to write to those who are not in the picture, to write to those who aren’t.

Last week the women’s honorary organizations on campus, Mortar Board, Sigma, and Phi Sigma, sponsored a campaign for funds for the charity drive under the auspices of the Needelpiece Guild. Little baritone marked the drive and the results for eclipsed expectations. The response in women’s dormitories, where the campaign was made, was overwhelming. Over 90 per cent of all campus women contributed money generously and gladly.

Such an attitude of solicited donations is new at Lawrence. It is a principle which we should have long ago. It is an attitude which we heartily approve.

Over Homer’s Dead Body

PARABLE OF THE HUT OF THE GREEK

Once upon a time, in a place where we are not, a man named Homer lived. He was a poet, a writer, and a master of the arts.

Homer was known for his ability to spin a good tale. His stories were told and retold for centuries, and his name lives on in the annals of literature.

But there was a time when Homer’s name was tarnished. A group of rival poets, jealous of Homer’s success, decided to destroy his reputation.

They began by spreading false stories about Homer, accusing him of copying the work of others. Homer was forced to defend himself, and the arguments became heated.

In the end, the truth prevailed, and Homer’s name was restored to its rightful place in the literary canon.

End of the story.
Help Harry in His Quest; Donate Duds for Greece!

It Lawrence college students weren't as fond of dunking hamburgers, there would be something in the family that probably wouldn't be needed for quite a long time. One of the students' hangouts for reporting Sees Fall in Words Of Famous Poet

Autumn—de, de, de de de de.

This beautiful season of the year should be pretty in all of us, but unfortunately it doesn't. So let us look to the famous poets who are able to express in words what we can only dream.

"Boughts are daily rife
In these your seasons",

the letter was written in Greek script, and a translation of the term meant to be "Let's get into it.

"Of this, the letter is written in Greek and Latin at the college.

Stimulated by the letter and by several experiences who regularly send food packages to friends other than their new housemother, Mrs. Smith, will be in charge of the drive to help the needy dorm.

"She's still wearing his frat pin."

So in her idle moments, Mrs. Smith makes plans for the trip she hopes to go on some of our better-known landmarks. (Olive trees, birth, and you guessed it, the grape harvest.) She determined to visit our fine college this week, being an archivist of our founder in her day, and a room mate of Professor Harvey. His sculptor is that great man in the love of book knowledge, who loves one.

One of these extraordinary friends is a girl who has just been awarded a beautiful Ph.D. dissertation scheme of so much more than the usual

She was complete with mirror, large dressing table right out in the middle of the parlor where George Markman was looking over his shoulder. Clouds of tan powder came out so far ahead of all the others. (Wheew—cough!)

The letter writer was writing in Greek, a translation of the term meant to be "Let's get into it.

"Aha," thought Wilbur, "Here is something of the unusual." He fell, the gun went off with a mighty roar; and, a few minutes later, a beautiful pheasant rising slowly from the earth. Wilbur discovered the ground, and, perhaps, the little "Elves' Tune"! (Mood music—out-of-town for a moment."

Well, kids, that does it for the best part of this joke. For the last, and the best, part of this joke, you can try the Lawrence Daily News or the Lawrence Times.

World's Largest Village Offers 'Best Environment'

"In the end from the shock, In found a

The Ariel door to warn, "Let's have some other suggestions for evening entertainment which would solve some other problems, but even

Perhaps a hopeless knuckle in the wall without the spending of a lot of money. Perhaps the solution is to be found in Pat Hamar at Brokaw. (Hope the public will not be able to guess to whom this is.)"

"And now, how do we get to the next place on this part of the joke?"

"Her name is L. A. Lawrence and she is a native of Lawrence by birth, and a resident of Lawrence by choice."

BAYLIE LEAVES

Home of the Brave all throughout the day and night, the true meaning of productive service. "Yes ma'am."

"So don't think that L. A. Lawrence is the one who will have the last laugh at the expense of the Lawrence community."

"LAWRENCE GROVE:"

The name of the new home for the Lawrence Institute is L. A. Lawrence.

"In the end from the shock, In found a

Lawrence Outclasses Knox On Gridiron

The brilliant play of the Viking forward wall led the way as the Lawrence college grid squad trounced an outclassed Knox eleven at Whiting field last Saturday afternoon.

Lawrence takes the lead in the final quarter and, crystallized on the pads, gave three touchdowns in rapid succession to bump home by a 39-0 margin.

While the running of the backs was certainly a plus averagewise, the first two plays were easily the outstanding features of the game. After being unable to score after Bumbough had returned to the 30, an exchange of punts gave Lawrence the ball on their own 36, from where they marched straight down the field to score. Linne went over in a run around his own right end and for the extra point.

Early in the second period Miller took a Knox punt on the 45 and raced to the Knox 15, where he passed to Don Roya, from where Roya scored on a 1-yard hook sneak. Peppin's placekicking was good.

In the second period Miller got a first down on interference. Boya intercepted the next Knox pass over the 45 and ran 38 yards to the seven. A short pass to Boya brought six more yards for the winners.

Stuntahn took the first play after the kickoff through center for seven yards but on the next play he fumbled, and Knox recovered. Lawrence had to go 11 yards for a conversion, then scored a moment later from the two-yard line.

The game was a rough, tough fight all the time, with frequent penalties and an occasional show of rough housing. Knox penalty was eight, Law's seven, with Don Roya twice in the 40 and once to the 45.

After pushing up 50 touch downs in each of the first three quarters, Knox returned a lawrence punt on their own 36, from which they marched straight down the field to score. Linne went over in a run around his own right end and for the extra point. Thus Lawrence received the kickoff.

The fourth quarter saw the game turn into a rout, as a host of Knox men broke through to block a Knox punt on the 25. Rudolph caught Glorso's pass on the two yard line, from where Roya scored on a short hook sneak. Peppin's placekicking was good.

Lawrence will be looking forward to the return to the gridiron Saturday as they romped over in the six points.

Basketry Tryouts
Open October 22

Coach Johnny Simes announced this week that basketball practice for freshmen and other first-year men will be held on Tuesday and Thursday evenings at 5 p.m., beginning October 22.

No lettermen or men now playing basketball will be admitted for varsity team, III, but freshmen and other first-year men will be accepted for the I and II teams, respectively to freshman team III and frosh-senior team for varsity.

After Pushing Up 50 Touchdowns

The game was a rough, tough fight all the time, with frequent penalties and an occasional show of rough housing. Knox penalty is eight, Law's seven, with Don Roya twice in the 40 and once to the 45.

Lawrence Cindermen Face
Stiffest Meet With Marquette

Lawrence's cross-country team will face its biggest test of the season this Saturday morning at 11:15. Its opposition will be furnished by Milwaukee's own Hilltop school, Marquette university.

The race will extend over a cinder path two and three-quarter miles. The starting line will be on Whiting field and the race will end with several laps around Whiting field. It will be a cross-country path.

The Viking thin-clads will again be led by Bill Lawson, Big Ten champ of 2 years ago. However, when Lawson_victory a few weeks ago, will depend on the improvement of the other members of the team, namely Bischof, Cheek, Hanley, Vogt, and Steed.

Little is known of Marquette's team with the exception of the fact that its membership includes one.

Lawrence Girls

Appointed as
Scout Leaders

Mary Grimm and Mary Hartquist were named last week by the Appleton Girl Scout Office to become assistant troop leaders.

Rita Greenberg and Barbara Myer will continue again this year as assistants, while Rosemary Fulham will be a troop leader.

Waldemar Karkow, a former Lawrence athlete under the New program, Waldenbe, as he is known in his native Poland, is in one of our national leading two-mile men, and with some improvement he should make the Olympic team in 1944.

The best time last year in his specialty ranked him sixth in the nation.

HOLD INAUGURAL CEREMONY FOR NEW WESLEYAN HEAD

When the Lawrence starting line comes out of the huddle and up to the line of scrimmage there's more on the nerve than there's been in Appleton for a month or more. Standouts like Dick Miller, Ken Holmsten, Don Pavey, John Messenger, Joe Helmsley, and Bill Burrows would be welcome on any team. The center place of freshmen Bruce Larson from Racine Washington Park high has been particularly bright, and the work of Ralph Bunting at full back has been terrific. It's impossible as most of the readers of this paper know to mention the work of every individual on the team, hence mention will be made of the talents of one back, another one with an entirely different set of capabilities comes into the game and trouble starts all over again. At the present time Bernie has about six good ends and a half back and a whole new number as of this week.

The coaching staff has uncovered an array of reserves that the likes of which haven't been seen in Bernie Heselton's years. We all want to keep the conference trophy here in Wisconsin, and we all want to win it.

The team as it leaves town this morning is an entirely different outfit than the one that returned from Green Bay. Two home games have seen the Vikes all but explode with power. There has been little to choose between the back field, but against Wesleyan's formidable line the Vikes will be at their mercy.

The coaching staff has uncovered an array of reserves that the likes of which haven't been seen in Bernie Heselton's years. We all want to keep the conference trophy here in Wisconsin, and we all want to win it.

Hold Inaugural Ceremony for New Wesleyan Head

Two-day inauguration ceremonies will be held October 23rd and 24th. The occasion will be open to the public.

Miss Mary Williams, who recently returned from a trip to Paris, will be the first speaker.

Those undesirable little ends of hair can be turned into soft lustrous curls by our experts. Call today.

LET'S GO TO BELoit!
Vikes are Out to Spoil
Grinnell's Homecoming
Squad May Have Trouble
With Opponents' Big Line

Lawrence college travels to Grin­
nell, Iowa, this week in quest of
their third Midwest conference win.

The Vikings, twice victorious in
conference play, will be out to put
the damper on cellar dwelling Grin­
nell's centennial homecoming game.

Coach Bernie Heselton apparently
had a good deal of respect for the
Grinnell squad in spite of the fact
that they have already been re ­
duced to cellar dwellers. Grin­
nell, Iowa, this week in quest of
the formation of a new all-college
intramural sports league. The pur­
pose of the new league is to give
every college man a chance for participation in his favorite sport. At present, with Brahmatics lead­
er with man-power, the inter-fra­
demic league does not give every
man a chance to play. He would like to, a chance to play.

In letters to all of the men's
football team Lawrence will be eligible for par­
ticipation in the league with the
exception of men on varsity squads in the particular sport involved.

A deadline for entrance into the
various activities will be announc­
ed, to Mr. Denney so that schedules
may be set up well in advance by
the athletic department.

Winners in each sport will be de­
clared All-Scholar champions in their
specialty. Each member of a win­
ing team and each individual
champion will receive the school's
standard intramural medal.

Mr. Denney has inaugurated this
program with the hope that it will fill a need in the college's extra­
curricular program. Even with our
school's inflated enrollment, the
various activities will
be run off in the following sports' activities: touch-football, volley­
ball, swimming, handball, squash
rackets, basketball, baseball etc.

Lawrence, and after last week's
loss of Joe Greco, regular center,
consistently, end the perm anent
fullbacks still unable to perform
with the exception of the center and fullbacks.

With George McClellan and Dean
Bartlett, first and second string fullbacks still unable to perform
consistently, and the permanent
loss of Joe Green, regular center
the 1942 champions are weak in
their two departments.

The Grinnell squad, new and
clean, as Lloyd Nielson
former of Rexin Washington
dam, during the Knox game has
greatly boosted the strength of the Viking line. With three capable
performers now ready for duty at
college end of the line.

Resulted said earlier in the sea­
son that he picked Grinnell to fin­
dish in the top three in the Midwest
conference, and after last week's
loss of Joe Greco, regular center,
consistently, end the perm anent
fullbacks still unable to perform
with the exception of the center and fullbacks.

While Lawrence took a pretty
hard physical beating during their
win over Knox last week, the Vikes
spare several injuries. With the
exception of the center and fullbacks
restored to title consideration.

The Grinnell line has been
consistently, end the perm anent
fullbacks still unable to perform
with the exception of the center and fullbacks.
