Play Saturday

Confidence May Have Important Bearing on Cup-Standings

Three conference games are on the menu this week. Each of these three contests will be one of the more important games in the history of the Big Nine. Each game is important, but the one which will have the biggest effect on the outcome of the season will be Illinois vs. Minnesota at the University of Minnesota in Minneapolis. This one conference game is the key to the Big Nine title.

Delta Theta, Delta Tau Delta, and Delts and Betas Open Frat Cage

The Minnesota team looked very impressive in all but beating Lawrence and drastic action could be taken about a thing of this nature, not only by the school but by the conference officials. Whether it was intentional or not the pop bottle that was thrown at the Minnesota team is of the most coveted crown or Bowl win going to Illinois for their slaughter of U C L A at Pasadena.

Three strong title contenders, Phi Delts, Beta-Sig Ep Games

BY DUTCH BERGMANN

The guests out at Alexander gym tomorrow night will be the Tekhaws of Illinois Tech including several members of last year’s team that so soundly beat a Lawrence outfit. Some good hard work will help the boys to keep their record in good shape, kids. Coach Stiles and the boys will get back into conference competition a week from tomorrow night against Monmouth College. It’s going to be a tough season all the way.

Whether a Last-Week gas bottle that was thrown at an official of the Carleton game was definitely a serious thing. Mr. Jennings and the athletic staff and team were all greatly annoyed by it. Since I last wrote this column so much stuff has come to my attention of our de-serve. As the week progresses the football men: Bob Lands-berg, Don Boya, Bruce Larson, Lloyd Nielsen, Reed Forbush, Ralph Chamberlain, Lloyd True, Sven Johansson, and Coach Olybeck are leading the football team in preparations for the Northwestern game. Several new Lawrence letter men may be inducted into the L Club just previous to vacation. These fellows, who will represent the Lawrence varsity in basketball and football will attend because there will be an election of officers and plans for next season’s activities.

Confidence

When you're doing your work faithfully, you can go through with your day's work with a feeling of confidence. Let's all make this a habit until we can say that we have converted our skims and snipes into constructive activity. When you complete your secretarial tasks, call on Excel Optometrists. Ask any business office with confidence. Personal placement service in four cities. College Course Drop.

Choice of Six Out of Six Games This Season, the Last Four in a Row, the Lawrence College basketball squad will resume play Saturday night against the Illinois Institute of Technology at Alexander Gymnasium.

With the two weeks layoff during the holidays at an end, Coach Johnny Stines will have a big job on his hands if he is to whip his squad into shape for tomorrow’s game, which may be the toughest of the season for Lawrence and White since they bowed to Wisconsin more than a month ago.

This will be the third game for Lawrence against IIT, and the Vikings have still to notch their first win against the Illinois Tech. After building up big first half leads in 1944 and 1945. Lawrence was several of the boys they will face tomorrow come back to the heep from all angles and take advantage of some early mistakes. The guests at IIT will be the Tekhaws. 23 year-old forward from Kalamazoo, Indiana. IIT will bring out the highest scoring squad in Tech history to Lawrence. Bankins, who will act as captain in tomorrow’s game, will be remembered as an almost complete a scoring 16 points in the second half of the 1944 game, which was largely responsible for Tech’s win in their first meeting with the Vikings. Three feet eleven inches tall, the former Indiana all-league selection set court records in the .440, .880 and 440 relay.

Peters and Neiswander starred at Tech in 1943-44 when the squad won 16 of 18 games. After serving 2 years in the army, Peters is back. A dasher, Ed Sines is responsible for Tech’s win in their game thus far, and there is no reason to assume that they will slack off against IIT tomorrow. Building a big lead in the first half of the game, the Illinois Tech team, led by Glenn Neiswander, who averaged more than 30 points per game than for the Blue and White, will hold on for the win that is his biggest asset, and he holds both two duel records at IIT.

Bill Stutes, one of the former Olympic 440 hurdlers plays forward along with Bankins, and is in his fourth year at IIT. After serving 3 years in the Navy, he returned to Tech last year and scored second in scoring, making 160 points. Alternating with Stutes and Bankins at forward is Glenn Neiswander. Six feet four, 19 year old, senior center, John Sines, and Jim Oldshue, six foot six inch forward, are former letter men in the court in the persons of Don Strutz, Bill Smart, and Ted Percival.

Delts will be the first foe for the Phi Delts and will continue to race Saturday night for the Philo crown.
