Students Petition for Course in Far Eastern, Russian History

To the Editor:

Under the circumstances of the acknowledged interdependence of all nations of the world, we have questioned the lack in the Lawrence history curriculum of offering a course dealing with Far Eastern and Russian history.

We understand the difficulty and need for consideration that each advisor, as well as the faculty of the departments of history, English and foreign languages, has of giving the students the best possible education. We feel, however, that offering a course in Far Eastern and Russian history would be of the utmost benefit to students of all majors.

Sincerely yours,

Yours sincerely,
You Weren't Really Scared; Mr. Smith's Ghost Pushed You

If Mr. Smith's ghost were looking for a new place to haunt, what Lawrence college building would be the most likely one? His old home house. For years there have been rumors that Mr. Smith's ghost was trapped in a dead body locked in an upstairs room, and the flickering lights that are sometimes seen in certain rooms of the old dormitory have been attributed to Mr. Smith's ghost visiting the old residence hall while the Civil War by a man with the imposing name of Augustus Led-

"Hey Dick, How About That Door?"

Do you know why Richard's friend couldn't open the door? He was a Harvard man and there was a Yale lock on the door. The Yale lock is still in the stairwell to the top floor. The stairwell is the only place in the residence hall that has a Yale lock.

Composer Jack McVea has a button in the residence hall that is in the Meboth, and a second one that is in the second stairwell. But what is it that Richard's friend couldn't open the door because it was locked with a Yale lock? It's a mystery.

Swimmers and Wrestlers to Engage Beloit

Wrestling Coach Bernie Heselton and swimming mentor George Walter will try to steer their charges to a twin killing of Beloit envoys at Alexander gym when competition in both sports will start off the 'Beloit Day' fireworks at 8:15 this afternoon.

Beloit tripped up the Vikings in both sports in Beloit on January 18, but the Lawrence wrestlers and tankmen will be all out to turn back the invading forces in their second meeting.

Beloit broke up records galore in handing the Vikes tankmen their fourth straight setback, but the Lawrence matmen have high hopes of scoring a bit of revenge when the Blue and White meet Dolf Stanley's hoopsters at Alexander gymnasium at 8:15. A capacity-and-then-some crowd is expected to be on hand to watch the second engagement of the two rivals, and all loyal Lawrentians are hoping that the Vikes will be able to turn the tables on the powerful Gold squad and nullify the fighting Blue in a twin killing of Beloit's entries at Alexander gymnasium at 8:15.

Today's meets are the final ones on the regular schedule. On March 1, schools from the Midwest conference will hold the annual loop meet here in both wrestling and swimming.

GILBERT'S OPEN SWIM

Open swimming for girls is being held at the Alexander gymnasium every Friday afternoon from 3:30 to 8:30. All girls are welcome.

TWO GAMES REMAIN — For the Vike cagers who meet Beloit tonight in an effort to upset the league leaders. In addition, they will be out to break the jinx of four consecutive conference losses.

Lawrence Rally Stopped; Ripon Cops 49-43 Win

After trailing 29-14 at the half, Lawrence staged a terrific second half comeback to give the Redmen a mighty scare before Ripon got moving again. The Redmen slowly built up their lead until the score stood at 43-32 with four minutes remaining. A short but fruitful drive narrowed the margin to four points before Millet dropped in two charity tosses with 27 seconds left to make it 45-43. Scalissi got by the hard pressing defense and raced all the way down and through the half court for a bucket, and Weiske and Kloss each added a free throw to complete the scoring.

Vikes Vs. Beloit Tonight In Long-Awaited Encounter

League-leading Beloit is in town tonight, and the Vikes will get their long awaited chance for revenge when the Blue and White meet Dolf Stanley's hoopsters at Alexander gymnasium at 8:15.
