College Convocation Schedule Drawn Up; Designed to Include Variety of Programs

EIGHTY-FIVE THOUSAND PEOPLE will spend the next four days in a memorial convocation at the University of Wisconsin that will be the largest held in a university of the United States since the Memorial Convocation at Princeton in 1920.

Six nationally known lecturers and four religious leaders have been scheduled for Lawrence convocations in the coming year, President Nathan M. Pusey announced this week.

The college convocations, which begin today and end three days later, make up the first three of such services a month.

Three outside speakers will appear in October. A. A. Supreme, Professor of English and philosophy at the University of Wisconsin, will present a lecture on "Standards versus Answer-Makers," on October 6. Alan Cohen, editor of the Jewish Advocate, New York, will give a lecture on "The Jews in History," on October 7. Dr. Leon Levin, Hebrew Union College, will speak on "What Can A Man Do?" on October 21.

The convocations are balanced between guest and invited lectures, with quotas of twenty-five apiece, and sororities with freshmen and transfer students last week, according to a majority of the incoming senior.

Pusey Addresses Students on World Events

"College is not a refuge from the banality of the outer world but a place to prepare to meet those troubles," President Walter M. Pusey told 1,060 Lawrence College students September 25 during matriculation exercises, which opened the college's little year.

"Appleton, bailed in a singularly fortunate part of the United States and the world, is in no sense typical of general conditions and is not an introduction to the world. The world is really like," said Dr. Pusey, warning that modern comfort and security make people insensitive to the misery and hunger of others.

"Avoid exclusiveness, self-concern and unconstructive fault-finding in all issues," Pusey warned. "The world's normal condition is distress and extra-curricular opportunity should be interested in world affairs but that little is important, it was Dr. Pusey's opinion. First they must begin in a college family such as Lawrence. Lawrence Graduates Among Coming Conference Speakers

Lawrence women can look forward to hearing some new and old voices conference scheduled for October 31.

Two Lawrence graduates and one Lawrence instructor are among the names of the eleven speakers chosen to address students in their respective fields. By vote of the faculty there will be no classes held on the day of the conference.

The following day, October 2, Dietrich judges in Green Bay Show

Thomas M. Dietrich, instructor in art at Lawrence college, will be a judge for the Northeast Wisconsin Art Show next Wednesday at the Neenah Museum in Green Bay. Other judges are Gerhardt Miller, Sturgeon Bay painter, and Ruth Behnke, director of the Oshkosh museum.

The following day, October 2, Dietrich will also be a judge demonstra-

The referee is Marshall Klevenor. Lawrence won the game.

Radio Players Plan Try-Outs

Prospective radio players may try for membership in the 1947-48 team group next Tuesday and Thursday, October 1st and 3rd. The players will be held at WHYN between four and five o'clock. The information will be announced.

Mr. Roger Miller, whose twelve years of radio experience include WGR employment at WUG and WHYN will supervise the work of the radio players this year.

Approximately twenty students will be chosen from those who try out and these twenty will form the nucleus of a standard repertory group, which will be prepared to produce its own program. Additional players will be available for special occasions.

The group will do most of its work on the sound staff as the nucleus or Broadway will be placed off next t week. The group will meet twice each week throughout the year, and plays as well as the independent will be given instruction in produce-women's, representative. has en-

Winning by Dick Flom who sprung loose for a couple of jaunts of 1 6. Flom then flipped the ball to Boys and the diminutive Viking quarterback reached the six yard line. Flom swept his own right end to the two and Boys picked up a yard. Flom jogged the ball over for his second touchdown of the afternoon. Boys' attempt at the extra point failed and Lawrence led at the half, 13-0.

The first score in the third period gave Flom and Boys their 1 3-0 lead at the half. The first score featured some fine running by Dick Flom who sprang loose for a couple of jaunts of 1 6.

Coach Horace Heathcote's well-coordinated machine scored in every quarter and in the third period picked up a pair of touchdowns.

Kappa Alpha Theta

The Lawrence symphony orchestra, under the direction of conductor Eugene Kilinski, will present its first of two concerts on December 1. Material selected for the fall's work includes Beethoven's Fifth symphony, a Bach Andante for String Orchestra, Dvorak's Slavonic Dance No. 5 and Children's Suite, composed by LeVois Marshall, professor of organ at the conservatory.

This fall selection is in line with Kilinski's policy of selecting works written by William H. Wurtz, associate professor of music, to stress the development of ability in the orchestra.

The orchestra, beginning its second year under the baton of Kilinski, will present its first two concerts on December 1. Material selected for the fall's work includes Beethoven's Fifth symphony, a Bach Andante for String Orchestra, Dvorak's Slavonic Dance No. 5 and Children's Suite, composed by LeVois Marshall, professor of organ at the conservatory. The fall selection is in line with Kilinski's policy of selecting works written by William H. Wurtz, associate professor of music, to stress the development of ability in the orchestra.

Kappa Delta pledged Helene Altig, Appleton; Betty Brown, Kaukauna; Dorothy Boeder, Sheboygan; Mary Jane Beltz, Oak Park; Joanne Boeder, South Milwaukee; Jean Christensen, Kaukauna; Mildred Decker, Green Bay; Mary Louise Johnson, Milwaukee; Lois Hulger, Chicago; Arden Polzin, New London; Nancy Ross, Oak Park; Barbara Sabish, Fond du Lac; Marilyn Shaffer, Franklin; Mary Wenzel, Appleton.

Three June Graduates Pursue Studies Abroad

Three June graduates of Lawrence, Ramsey, Pertush and Walter Webber and Neil McDonnell, have been awarded the Thomas B. Reid scholarship for graduate study in that field. The scholarship established by the late Mr. Reid is being given to a man student of Lawrence who is a candidate for the Master's degree. He left for the University of Chicago, where he will begin advanced study at master's degree. She left for the university in Chicago containing a scholarship awarded the Thomas B. Reid scholarship for graduate study in that field. The scholarship established by the late Mr. Reid is being given to a man student of Lawrence who is a candidate for the Master's degree.

Walter Webber and Neil McDonnell will concentrate on law and political science. Walter Webber, a Beta Theta Pi fraternity brother of Pertush and was accompanied by his wife, the former Thelma Parker from the class of '46, who is the librarian of the University of Geneva, Switzerland.

Neil MacDonnell will concentrate on languages and literature in his foreign study. Jenee Deen, only junior in the June class, will also continue her year-end work at Bryn Mawr college. She is one of our student registrars who hailed a passing young man with a "Hi, Jim, nice to meet you again." Lawrentians interested in debate and political science will meet in the north reading room can be divided into a specific field of college administration. His active order, anthropology, art, biology, etc. All of the books put on reserve by all of the faculty members teaching in a specific field will be on the same shelf in alphabetical order by author's last name.

One of the evils of that first week in registration, which would also benefit the second week, with rushings and registration over, and eventually it is hoped that space will be freed for this purpose. The only restrictions on the use of reserve books are that they be returned to the library before nine o'clock on weekday evenings and before four o'clock on Saturday afternoon.

The reserve book system at the library has been changed from a closed to an open shelf arrangement. The change has been made to encourage the greater use of reserve books by giving students a chance to browse among the books suggested by the teaching staff in addition to using those which definite assignments have been made. Shelving space has been set aside and clearly marked for the various subject fields, which are in alphabetical order, anthropology, art, biology, etc. All of the books put on reserve by all of the faculty members teaching in a specific field will be on the same shelf in alphabetical order by author's last name. For the present, reserve books will be in the same stack section (correctly behind the circulation desk) used for reserves last year. Eventually it is hoped that space on the north reading room can be freed for this purpose. The only restrictions on the use of reserve books are that they be returned to the library before nine o'clock on weekday evenings and before four o'clock on Saturday afternoon.

First Week of School Should Be Outlawed—It's Unethical

There has been another major change at the library. The old conference room next to the library is now a study room. In order to accommodate the processing of new books, the cataloging department has been moved from the old uncomfortable quarters in the basement to the former conference room and it will no longer be available to students. If used properly, nothing will be rigged up to take care of this process of "confidential" which students sometimes indulge in.

Current Issues

Engross Debaters

Lawnrentians interested in debate and discussion of current national and international issues will meet in Room 102. The first meeting will be held on Wednesday, October 4, at 4:00 p.m. Mr. Carl Schwartz, the first chairman was announced. So you are the ones we want to do and will constitute an evocative with first weeks. We're also the pre-war schedule of starting school in full scale of discussions and debates.

BABY SITTERS WANTED

An advertisement for positions in part-time baby sitting was placed in the local newspaper. While we're on the subject, how about jobs such as baby sitting is asked about elimination of the last week and some to the Dean's Office to sign up.

THERE IS MORE COCA-COLA NOW
The Lawrencean

Discussion and Debate are back!

Extra-curricular forum and debate at Lawrence will be active again after having curtailed a great deal during the war. We hope that this debate-discussion program will regain pre-war vigor.

A few of the inviting possibilities open to students who work in the program are as follows:

1. The Mid-West conference at Lawrence will be held under the direction of the committee which arranged the debate for last year. The committee is as follows: John Meier, editor; Robert B. Hogue, sports editor; Raymond F. Samuels, business editor; Robert M. Chalmers, art editor; and Joseph A. Thompson, literary editor.

2. The debate on the question of the United States' interference in. Latin America will be held under the direction of the debate committee which arranged the debate for last year.

3. The debate on the question of the United States' interference in Asia will be held under the direction of the debate committee which arranged the debate for last year.

4. The debate on the question of the United States' interference in Africa will be held under the direction of the debate committee which arranged the debate for last year.

5. The debate on the question of the United States' interference in Europe will be held under the direction of the debate committee which arranged the debate for last year.

6. The debate on the question of the United States' interference in Australia will be held under the direction of the debate committee which arranged the debate for last year.

7. The debate on the question of the United States' interference in New Zealand will be held under the direction of the debate committee which arranged the debate for last year.

8. The debate on the question of the United States' interference in India will be held under the direction of the debate committee which arranged the debate for last year.

9. The debate on the question of the United States' interference in China will be held under the direction of the debate committee which arranged the debate for last year.

10. The debate on the question of the United States' interference in Japan will be held under the direction of the debate committee which arranged the debate for last year.

11. The debate on the question of the United States' interference in Korea will be held under the direction of the debate committee which arranged the debate for last year.

12. The debate on the question of the United States' interference in the Middle East will be held under the direction of the debate committee which arranged the debate for last year.

13. The debate on the question of the United States' interference in the Far East will be held under the direction of the debate committee which arranged the debate for last year.

14. The debate on the question of the United States' interference in the Near East will be held under the direction of the debate committee which arranged the debate for last year.

15. The debate on the question of the United States' interference in the South Pacific will be held under the direction of the debate committee which arranged the debate for last year.

16. The debate on the question of the United States' interference in the Caribbean will be held under the direction of the debate committee which arranged the debate for last year.

17. The debate on the question of the United States' interference in the Middle Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

18. The debate on the question of the United States' interference in the South Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

19. The debate on the question of the United States' interference in the North Pacific will be held under the direction of the debate committee which arranged the debate for last year.

20. The debate on the question of the United States' interference in the North Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

21. The debate on the question of the United States' interference in the West Pacific will be held under the direction of the debate committee which arranged the debate for last year.

22. The debate on the question of the United States' interference in the West Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

23. The debate on the question of the United States' interference in the Eastern Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

24. The debate on the question of the United States' interference in the Eastern Pacific will be held under the direction of the debate committee which arranged the debate for last year.

25. The debate on the question of the United States' interference in the South Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

26. The debate on the question of the United States' interference in the South Pacific will be held under the direction of the debate committee which arranged the debate for last year.

27. The debate on the question of the United States' interference in the Central Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

28. The debate on the question of the United States' interference in the Central Pacific will be held under the direction of the debate committee which arranged the debate for last year.

29. The debate on the question of the United States' interference in the Eastern Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

30. The debate on the question of the United States' interference in the Eastern Pacific will be held under the direction of the debate committee which arranged the debate for last year.

31. The debate on the question of the United States' interference in the Western Atlantic will be held under the direction of the debate committee which arranged the debate for last year.

32. The debate on the question of the United States' interference in the Western Pacific will be held under the direction of the debate committee which arranged the debate for last year.
