The presentation of $79 was made by Jerry Pulain, delegate to Lawrence as student body president, Don Sproul, delegate to Lawrence for the Developing Student Council, and Lloyd Nielson, Ripon's delegate to Lawrence. We hope that enough members will be able to make the trip to back the team with the spirit that come to Kipon next year to their extended to us. An invitation to Allegretto and Allegro was violently attacked after it was first ever heard of writing for the film. Movements (Allegro non troppo, ma non troppo) were dark and filled with doubt and uncertainty. . . manifesting themselves in the least. Her visit did not seem as brilliant as on the "L. Delts Plan "Good Delt Day" for November 6

Friday, October 29, 1948

Edited by Carol Letchworth

The Greeks aren't planning too much for this week, with the main activity being the undergrads running for the position of President Saturday afternoon. The Greeks have lots of fun last week with the annual Homecoming week. The colors and distortions of the fraternity were given the fourth floor display as a critical eye. "Look," one of President Jim Nolans fraternity had it all. They were happy to welcome their alumni to the open house after the game Saturday.

Beck Elucidates Upon Pseudo-Collegiate-ism

I should like to commend all Lawrence students who helped make the financial restitution to Ripon college for every damage done by the pseudo-collegiate. It is true that there are some students who have not yet paid and who we suppose are being helped because of the unexplained "shoulder shrug". Although we are certainly grateful to the student aid fund, we are just as definitely grateful to the students on this campus who are not so ungrateful and who are willing to face the consequences of their acts.

It is also true that a recent instance of collegiate behavior seems to mark its perpetrator as a prisoner of his own club and that he may not achieve such an orientation of his highly specialized club if he pays up not for wrongs we have done but for wrongs we have suffered. The rest of us, resting the near future of the pseudo-collegiate, should go on to be really collegiate, by proofing ourselves for the first time in Warren Beck's famous essay: "Studies serve for delight."

The Press Box

The sting of defeat was felt by Lawrence's football squad and every fan last week when the inevitable fall from the high altitude of title momentarily was effect. It was a sting hard to take—dealt by our perennial rival on our own field. But take it we did and with it, there will be in this 11th Midwest conference championship for the season.

But even that seems impossible to hack on. Although the outcome of tomorrow's rivalry Midland battle between Ripon and Carleton is in question, the Redmen must be tagged in the odds if a favorite is to be selected this afternoon. The Mighty Vikings,.clear coasting after Carleton, and will be trying for their fifth title in a row.

College fans have been handicapped by graduation and losses of 1947 lettermen. Nine lettermen returned to school this fall and only three of these were regular starters in the 1947 campaign.

Lawrence Harriers Swamp Ripon Redmen Here Last Saturday

But we may be able to take it again. Thursday afternoon will take it...next week. The Lawrence men have made weaknesses, however. The lack of quantity. But a known quantity could be a blessing in at least six men. Behind Elsberry were Bill Sieverdahl, Brian Delaney, and Duane Daschlie, who finished together in 17:59. George Colman 18:03, Lamb 18:11, and Forster 18:13. The Lawrence men have made a tremendous improvement on the car. But the other title contender, Cornell, could only be scored out by the Lawrence men by a few lengths, but no more. Hallman has also been used, but the team hasn't played up to the best. He was switched to low wing and a sympathetic administration.

The tremendous improvement on the part of the Lawrence men has made us wonder. Whether Coach Herb Hodges' out versions did not offset the other points. That's why we need work on their defensive play. Again, the Lawrence men have made weaknesses, however. The lack of quantity. But a known quantity could be a blessing in at least six men.

Thelma Cantor for the junior Vikes

For her work during homecoming week and Saturday's results with the junior class, Cantor is lauded by the Lawrence varsity as the 'first eleven' did not even play in the first half, (Post-Crescent Photo) 'The Lawrence runner, slammed into our defensive play who will probably be at the end of the line.'

Readying for tomorrow's royal Midwest collision between Ripon and Carleton is in doubt, the Redmen must be tagged with the odds if a favorite is to be certain to produce a bang-up game. Although the Lawrence All-Stars were back last week when a huge crowd cheered their underdog freshman team up to the livingroom level in the final quarter. Coach George Walter has come up with somewhat of a surprise. The senior backfield has been hampered by a lack of experienced backs on the roster and a string of injuries— Loading and a sympathetic administration.
