Midwest conference basketball players have been hitting the hoop in such numbers that the first, second and third teams for the year with thirty points scored against Ripon have been selected. In second place, however, is that of Bob Bennett of Beloit who scored forty-five points against Ottawa. This is a new individual scoring record for Beloit.

Bennett has been hitting for nearly twenty points a game consistently.

The basketball season has been second to those games in the March competition meets.

The first and second place teams will be on the court this weekend.

The wrestlers and swimming teams will be in their second round of the season, but Beloit will engage in their second round of the season, the first against a conference foe.

The results of the meet against Beloit should give some indication of what the Viking athletic potential is and how they will be able to compete for the conference meet in the spring.

Last year the Beloit mets won the conference meet and the matmen won second place.

The Trap shooting club is to meet in front of the Chapel at 1:30—for only this year's group. who want to go can get taxis in Deans' offices by 1:30 of that day.
